Hi, I'm Anderson Cooper

I am a direct descendent and heir to the Vanderbilt's; the 2nd wealthiest family in American history. Before I became the face of CNN I was in a secret society at Yale University called the 'Manuscript Society.' While at Yale I worked for the C.I.A. and became a participant in 'Operation Mockingbird.' I now spread disinformation through the mainstream media to manipulate the thoughts and beliefs of the public to further the C.I.A.'s agenda.

Fluoride Side Effects
Demand The Truth

FACTS:
Fluoride is used as an insecticide and a roach killer. Even at the level they use to fluoridate our public water supply, about 1 part fluoride for every million parts of water (1 ppm) by weight, it causes severe problems.

As little as 1/10 of an ounce of fluoride will cause death. It is more poisonous than lead and barely less poisonous than arsenic. The long term effects of drinking fluoridated water affects our health.

RESULTS:
• Brain damages in infants
• Cancer
• Gum damage
• Thyroid problems
• Neurological problems
• Thyroid problems
• Weakens the immune system

WHAT YOU SHOULD DO:
• Avoid fluoride supplements
• Avoid fluoridated toothpaste
• Use a water filter: reverse osmosis or a pre-charcoal filter.
• Read the labels

What Should Your Crypto Coin Portfolio Look Like?

This post is for the newer individuals out that are getting into cryptocurrency. Below are my recommendations on what your crypto-coin portfolio should look like. Keep in mind that this is just my opinion and you research anything before buying it.
VACCINATIONS
"Crib death was so infrequent in the pre-vaccination era that it was not even mentioned in the statistics, but it started to climb in the 1950s with the spread of mass vaccination."
Dr Harris L Coulter, PhD
Already published reports, as well as our own observations indicate that smallpox vaccination sometimes produces manifestations of leukemia. In children and adults observed in the clinics of Cracow, smallpox vaccination has been followed by violent local and general reactions and by leukemia.

— Julian Aleksandrowicz —
"You'd think there would be loads of studies showing that vaccinated kids are healthier than non-vaccinated kids. There's not a single study showing that... not one. There are increasing studies showing the reverse is true. It's the vaccinated kids with autism. It's the vaccinated kids with allergies; with asthma; with neurological problems; with weaker immune systems; with personality disorders; with cancer... not the non-vaccinated children."

Dr. Ted Koren, D.C.
"Compare these well vaccinated countries with Australia, the least vaccinated country in the world. In 134 years, not one-fifth of the children born have been vaccinated. Yet only three Australian children under five have died of that disease. In the last 50 years, no child under five has died of smallpox, and in the whole of her history, less than one person per annum has died of it, although allowing five years protective period, only 2 per cent, of her population have ever been "protected."

M. Beddow Bayly M.R.C.S., L.R.C.P. (1936)
"It is difficult to conceive what will be the excuse made for a century of cowpoxing; but it cannot be doubted that the practice will appear in as absurd a light to the common sense of the twentieth century as blood-letting now does to us. Vaccination differs, however, from all previous errors of the faculty, in being maintained as the law of the land on the warrant of medical authority. That is the reason why the blow to professional credit can hardly help being severe, and why the efforts to ward it off have been, and will continue to be so ingenious."

Charles Creighton M.A., M.D. (1889)
"In 1989-1991.......Kaiser Permanente of Southern California and the CDC jointly conducted a measles vaccine experiment. Without proper parental disclosure, the Yugoslavian-made "high titre" Edmonston-Zagreb measles vaccine was tested on 1,500 poor, primarily black and Latino, inner city children in Los Angeles. Highly recommended by the World Health Organization (WHO), the high-potency experimental vaccine was previously injected into infants in Mexico, Haiti, and Africa. It was discontinued in these countries when it was discovered that the children were dying in large numbers."

Alan Cantwell M.D.

Bill Gates is currently facing trial in the Supreme Court of India after illegally testing drugs on 30,000 children without legal consent.

This is an incredible testimony of how the #HPV vaccine (#Gardasil) actually caused the cancer Erin was attempting to avoid and also how alternative therapies can heal. She had tissue samples sent to an independent laboratory where they found the very strains that she was vaccinated with in her cervix (where her cancer was) and in her tonsils (which swelled up to the point of compromising her airway).

Again, here we have a healthy adult, and ONE vaccination was enough to change the trajectory of her ENTIRE life. There is no way to know who is next. It is ALWAYS Russian Roulette when a person chooses to vaccinate. Erin continues to monitor her health in many of the ways, in order to keep the immune system functioning properly. Educate BEFORE you vaccinate.

THE TRUTH ABOUT THE WAR ON DRUGS

It could be argued that the War on Drugs is the longest and most expensive war ever fought by the United States. Each and every year, billions of dollars are spent, thousands of arrests are made and countless lives are lost in the name of keeping illegal drugs off the streets. It’s no secret that it’s a war the government is not winning. But is it a war they should even bother fighting?

THE WAR ON DRUGS BEGAN WITH THE PASSAGE OF THE COMPREHENSIVE DRUG ABUSE PREVENTION AND CONTROL ACT OF 1970 BY THE NIXON ADMINISTRATION.

The act requires the pharmaceutical industry to maintain physical security and strict record keeping for certain drugs and divides controlled substances in five classes based on their medical usefulness and potential for abuse.

What The Cancer Industry Does Not Want You To Know About Chemotherapy and Radiation

- Radiation-induced secondary cancers have exploded in the last two decades due to radiation treatment
- 90% of chemotherapy patients die 10-15 years after treatment and the cause is never attributed to treatment
- More than 50% of all cancer patients suffer significant treatment-related toxicity.
- Chemotherapy does not eliminate breast, colon, or lung cancers yet chemo drugs are still used on these cancers.
- Patients who undergo chemo are 14 times more likely to develop leukemia and 6 times more likely to develop cancers of the bones, joints, and soft tissues than those patients who do not undergo chemotherapy.
- Chemotherapy drugs directly damage DNA
- Chemotherapy actually boosts cancer growth
- 68% increase in Chemo drugs since 2003
- 75% increase in cancer projected by 2030

Health does not always come from medicine. Most of the time it comes from peace of mind, peace in the heart, peace of soul. It comes from laughter and love.
Nature is so smart, it put the medicine inside the food.

Russia needs to protect its citizens from GMOs. People should be protected from harmful products, or products that have “unidentified and unforeseen consequences for humans,” especially when used for food.

THIS IS ONE HE GOT RIGHT.

“We as a species have the choice to continue to develop our bodies and brains in a healthy upward trajectory, or we can follow the Western example of recent decades and intentionally poison our population with genetically altered food, pharmaceuticals, vaccinations, and fast food that should be classified as a dangerous, addictive drug.” - Vladimir Putin
"Russia is able to become the largest world supplier of healthy, ecologically clean and high-quality food which the Western producers have long lost, especially given the fact that demand for such products in the world market is steadily growing."

- Vladimir Putin

Is there any wonder why the New World Order crowd hate Putin so much?
This is all coming from the Roman Cult
"My history of the Jesuits is not eloquently written, but it is supported by unquestionable authorities, and is very particular and very horrible. Their [the Jesuit Order’s] restoration [in 1814 by Pope Pius VII] is indeed a step toward darkness, cruelty, despotism, and death. ... I do not like the appearance of the Jesuits. If ever there was a body of men who merited eternal damnation on earth and in hell, it is this Society of Ignatius de Loyola."

John Adams (1735-1826; 2nd President of the United States)
"Within twenty years this country is going to rule the world. Kings and Emperors will soon pass away and the democracy of the United States will take their place... When the United States rules the world, the Catholic Church will rule the world...Nothing can stand against the Church. I’d like to see the politician who would try to rule against the Church in Chicago. His reign would be short indeed." -- Roman Catholic Archbishop James E. Quigley (October 15, 1854 - July 10, 1915) Chicago Daily Tribune, May 5, 1903

The Counter-Reformation War

I furthermore promise and declare that I will, when opportunity present, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex or condition; and that I will hang, waste, boil, flay, strangle and bury alive these infamous heretics, rip up the stomachs and wombs of their women and crush their infants' heads against the walls, in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poniard or the leaden bullet, regardless of the honor, rank dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus.

The Vatican's Holocaust

The sensational account of the most horrifying religious massacre of the 20th century

By Avro Manhattan – Knight of Malta

Avro Manhattan (1914-1990)

About the Author:

Avro Manhattan was the world's foremost authority on Roman Catholicism in politics. A resident of London, during WW II he operated a radio station called "Radio Freedom" broadcasting to occupied Europe. He was the author of over 20 books including the best-seller The Vatican in World Politics, twice Book-of-the-Month and going through 57 editions.

He was a Great Briton who risked his life daily to expose some of the darkest secrets of the Papacy.

His books were #1 on the Forbidden Index for the past 50 years!!

Ed Note: This issue from 1986 - in 2006 the record is now 70 Years on the forbidden book list.
PREFACE TO THE AMERICAN EDITIONS:

THE VATICAN'S HOLOCAUST is not a misnomer, an accusation, and even less a speculation. It is an historical fact.

Rabid nationalism and religious dogmatism were its two main ingredients.

During the existence of Croatia as an independent Catholic State, over 700,000 men, women and children perished.

Many were executed, tortured, died of starvation, buried alive, or were burned to death.

Hundreds were forced to become Catholic.

Catholic padres ran concentration camps; Catholic priests were officers of the military corps which committed such atrocities. 700,000 in a total population of a few million, proportionally, would be as if one-third of the USA population had been exterminated by a Catholic militia.

What has been gathered in this book will vindicate the veracity of these facts. Dates, names, and places, as well as photos are there to prove them.

They should become known to the American public, not to foster vindictiveness, but to warn them of the danger, which racialism and sectarianism, when allied with religious intolerance can bring to any contemporary nation, whether in Europe or in the New World.

This work should be assessed without prejudice and as a lesson; but even more vital, as a warning for the future of the Americans, beginning with that of the USA.

Avro Manhattan,
1986

Editor's Note

An armed Serbia could have easily prevented this Holocaust.

Thank God for the 2nd Amendment to the Constitution which guarantees the right to bear arms.

Freedom of religion and an armed citizenry go hand in hand and is the only guarantee that this won't happen in the U.S.

Ed Note: It is the Vatican One World Government that doesn’t want you to have the right to own arms or to use any means to defend yourself.
The End

I didn’t say it would be easy. I said it would be the truth.
