Re: **Case No. JP04-18-DC00006371; PORTFOLIO RECOVERY ASSOCIATES, LLC
vs. GLENN W FEARN; Tarrant County, JP 4**

Dear Glenn,

My name is Nathan Graham, and I am a consumer rights attorney. I am writing you this letter because I noticed on the Civil Case Records at the Tarrant County Clerk's Office, that a lawsuit was recently filed against you. **You may not have received this lawsuit yet. After a lawsuit is filed with the court clerk it must be delivered, which is called service of process.** This usually takes place a few weeks after the lawsuit is filed. If you want more information about this suit please feel free to contact me and I will provide you with more details.

Don't panic.

I understand that being sued is a scary, nerve-wracking experience. Most people have no experience with the court system, so there are a lot of unknowns. **I may be able help you with this situation, but you have to act quickly.**

We are a debt relief agency. We help people file for bankruptcy relief under the Bankruptcy Code.

- They all say “PORTFOLIO RECOVERY ASSOCIATES, LLC”
- They all have a case number filed with a Justice of the Peace

This post is for the newer individuals out that are getting into cryptocurrency. Below are my recommendations on what your crypto-coin portfolio should look like. Keep in mind that this is just my opinion and you research anything before buying it.

Foundational

- Did you make sure that nothing is in your name as suggested in my videos?
- Did you make sure that anything that you cannot transfer out of your name, is heavily encumbered?
- Trusts can be used to make sure everything is heavily encumbered.
- Encumbering property must be done well in advance to defeat any potential fraudulent conveyance allegations

Problems

- It is a third party debt collector
- Third party debt collectors have no standing to do anything
- Is your contract with them?
- Third Party Debt Collectors need you to be in ignorance of the law
- They are fishing

More Problems

- This particular alleged debt is around \$1500
- The Justice of the Peace is small claims court but they have raised the limits for small claims court up to \$25000
- Their attorney fees can be at least \$1000 and probably way more
- Don't you think these liars (attorneys) do searches for assets that may be registered under the strawman's name? YES!!!

One other problem

- They have not effected service
- The ONLY address I have used in over 10 years is a Private Mail Box
- They don't know where to find me to effect service
- Small Claims Court is the closest thing to a common law court and effecting service is a big problem
- If you appear, then you correct their defect

Bottom Line

- There is nothing in their strawman's name
- I do NOT use a Social Security Number
- They have not effected service
- They don't know where to find me
- It is a third party debt collector – no standing
- It is small claims court
- I put it all in the shredder
- This is NOT the first time this has happened and it means nothing

Bottom Line

- Even if they could get a judgment it means nothing
- They will still have to find assets to seize
- I have no bank account under a Social Security Number
- I keep very little (fake) money in the bank account
- I don't use a SSN for anything
- I NEVER disclose my living location to anyone who is NOT a friend
- Court = warfare
- They are thieves
