# Subject = Slave = Enemy

“...it is evident that they [U.S. citizens] have not the political rights which are vested in citizens of the States. They are not constituents of any community in which is vested any sovereign power of government. Their position partakes more of the character of subjects than of citizens. They are subject to the laws of the United States, but have no voice in its management. If they are allowed to make laws, the validity of these laws is derived from the sanction of a Government in which they are not represented. Mere citizenship they may have, but the political rights of citizens they cannot enjoy...”

The tyrant, who in order to hold his power, suppresses every superiority, does away with good men, forbids education and light, controls every movement of the citizens and, keeping them under a perpetual servitude, wants them to grow accustomed to baseness and cowardice, has his spies everywhere to listen to what is said in the meetings, and spreads dissension and calumny among the citizens and impoverishes them, is obliged to make war in order to keep his subjects occupied and impose on them permanent need of a chief.

*Aristotle*

# Lieber Code Article 13

- ▣ “Military jurisdiction is of two kinds: First, that which is conferred and defined by statute; second, that which is derived from the common law of war. Military offenses under the statute law must be tried in the manner therein directed; but military offenses which do not come within the statute must be tried and punished under the common law of war. The character of the courts which exercise these jurisdictions depends upon the local laws of each particular country. In the armies of the United States the first is exercised by courts-martial, while cases which do not come within the "Rules and Articles of War," or the jurisdiction conferred by statute on courts-martial, are tried by military commissions.” Article 13, Lieber Code

# Lieber Code Article 13

- ▣ All statutes are in support of the Martial Law
- ▣ All statutes apply to subjects ONLY
- ▣ There are 2 kinds of court proceedings,  
Courts Martial and Military Commissions

# Lieber Code Article 13

**JUDGE  
WORKS FOR THE STATE**

**PROSECUTOR  
WORKS FOR THE STATE**

**POLICE/WITNESS  
WORKS FOR THE STATE**

The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn't technically qualify to be heard according to its own "laws".  
The State therefore is indistinguishable from a criminal cartel.

# Lieber Code Article 13

# Have you had enough yet?

**“Give me liberty or give me death”** Patrick Henry after witnessing a man flogged to death for refusing to take a license

# Martial Law = International Law

- ▣ “INTERNATIONAL LAW RULE: Adopted for areas under Federal legislative jurisdiction” “Federalizes State civil law, including common law.--The rule serves to federalize not only the statutory but the common law of a State. ...STATE AND FEDERAL VENUE DISCUSSED: The civil laws effective in an area of exclusive Federal jurisdiction are Federal law, notwithstanding their derivation from State laws, and a cause arising under such laws may be brought in or removed to a Federal district court under sections 24 or 28 of the former Judicial Code (now sections 1331 and 1441 of title 28, United States Code), giving jurisdiction to such courts of civil actions arising under the “\* \* \*laws \* \* \* of the United States” ...” Jurisdiction over Federal Areas Within the States – Report of the Interdepartmental Committee for the Study of Jurisdiction over Federal Areas Within the States, Part II, A Text of the Law of Legislative Jurisdiction Submitted to the Attorney General and Transmitted to the President June 1957, page 158-165

# Military Dictatorship

- ▣ “We can't even begin to count the number of times Judges, Lawyers, and Statesmen have said: “There isn't any common law anymore. It has been replaced by Statutes.” They would be more truthful if they said: “There isn't any common-law any more, it has been replaced by martial law.”” Non-ratification of the Fourteenth Amendment, by Judge A.H. Ellett, Utah Supreme Court, *Dyett v Turner*, 439 P2d 266

# Military Dictatorship

- ▣ Martial Law Supersedes and replaces Common Law
- ▣ “...statutes have been passed extending the courts of admiralty and vice-admiralty far beyond their ancient limits for depriving us the accustomed and inestimable privilege of trial by jury, in cases affecting both life and property.....to supersede the course of common law and instead thereof to publish and order the use and exercise of the law martial..... and for altering fundamentally the form of government established by charter.
- ▣ We saw the misery to which such despotism would reduce us.” Causes and Necessity of Taking Up Arms (1775)

# Military Dictatorship

- ▣ There are no common law offenses against the United States. Only those acts which Congress has forbidden, with penalties for disobedience of its command, are crimes. *United States v. Hudson & Goodwin*, 11 U.S. (7th Cr.) 32 (1812); *United States v. Coolidge*, 14 U.S. (1 Wheat.) 415 (1816); *United States v. Britton*, 108 U.S. 199, 206 (1883); *United States v. Eaton*, 144 U.S. 677, 687 (1892).

# Military Dictatorship

- ▣ Under Texas law, no act or omission is a crime unless made so by statute. Dawson v. Vance, 329 F.Supp. 1320, (D.C.Tex. 1971). The Legislature may create an offense and in same enactment, provide exceptions to its application. Williams v. State, 176 SW2d 177, Tex.Cr.App., 1943.

# Military Dictatorship

- ▣ “A. All common law offenses and affirmative defenses are abolished. - ▣ This rule does not interfere with the right of the victorious invader to tax the people or their property, to levy forced loans, to billet soldiers, or to appropriate property, especially houses, lands, boats or ships, and churches, for temporary and military uses” Article 37, Lieber Code

# You are the Enemy

- ▣ "The forced loans of 1862 and 1863, in the form of legal tender notes, were vital forces in the struggle for national supremacy. They formed a part of the public debt of the United States, ..." Julliard v. Greenman, 110 US 432. [emphasis added]
- ▣ Federal Reserve Notes = Military Script
- ▣ Federal Reserve Notes = Forced Loans – they are forcing the enemy (you) to loan the government money

# Martial Law Statutes

- ▣ "Governments [ any sovereign] descend to the level of a mere private corporation, and take on the characteristics of a mere private citizen...where private corporate commercial paper [Federal Reserve Notes] and securities [checks] is concerned . ... For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government." Clearfield Trust Co. v. United States 318 U.S. 363 (1943)
- ▣ Federal Reserve Notes = Military Script

# Martial Law Statutes

- ▣ All statutes are Martial Law Statutes
- ▣ All statutes apply to subjects ONLY
- ▣ The military police often say “you think our laws don’t apply to you”
- ▣ The Lieber Code says it all
- ▣ “Do they even teach you to read???”

Rather they assume the rights, duties and privileges of the artificial entity or association of which they are agents or officers and they are bound by its obligations." Brasswell v. United States 487 U.S. 99 (1988) quoting, United States v. White 322 U.S. 694 (1944)

# US Citizen = Roman Law = Roman Cult

- ▣ “Yet still it was found difficult to set bounds to ecclesiastical ingenuity; for when they were driven out of all their former holds, they devised a new method of conveyance, by which the lands were granted, not to themselves directly, but to nominal feoffees *to the use* of the religious houses; thus distinguishing between the *possession* and the *use*, and receiving the actual profits, while the seisin of the lands remained in the nominal feoffee, who was held by the courts of equity (then under the direction of the clergy) to be bound in conscience to account to his *cestui que use* for the rents and emoluments [taxes] of the estate: and it is to these inventions that our practitioners are indebted for the introduction of uses and trusts, the foundation of modern conveyancing.” Tomlins Law Dictionary 1835 edition, Volume 2 under the definition of Mortmain [emphasis added]

# Quasi-Contracts = Commerce

“Assumpsit - ...In its origin an action of tort, [assumpsit] was soon transformed into an action of contract, becoming afterwards a remedy where there was neither tort nor contract. Based at first only upon an express promise, it was afterwards supported upon an implied promise, and even upon a fictitious promise. Introduced as a special manifestation of the action on the case, it soon acquired the dignity of a distinct form of action, which superseded Debt, became concurrent with Account, with Case upon a bailment, a warranty, and bills of exchange, and competed with Equity in the case of the essentially equitable quasi-contracts growing out of the principle of unjust enrichment. ....” James Barr Ames, “The History of Assumpsit,” in 3 Select Essays in Anglo-American Legal History 298 (1909).” Black’s Law Dictionary, 8th Edition, page 379 [emphasis added]

# Quasi Contracts

- ▣ "Both in Roman and English law there are certain obligations which were not in truth contractual, but which the law treats as IF they were. They are contractual in law, but not in fact, being the subject-matter of a fictitious extension of the sphere of contract to cover obligations which do not in reality fall within it." Salmond, Salmond on Jurisprudence, p. 642 (9th Edition, 1937, Sweet & Maxwell, Ltd. England). [emphasis added]

# Quasi Contracts

Officer D. Smith #240

Expired Registration/ Fail to Maintain Financial Responsibility/ Warrant Arrest

500 Cheek-Sparger Rd, Colleyville TX, 76034

Monday, March 18, 2019

On Monday, March 18, 2019 at approximately 0142 hours, I, Officer D. Smith #240 was conducting a business check at Capital One Bank, located at 3907 Colleyville Blvd, Colleyville TX, 76034 in my marked patrol unit, 1164.

While conducting my business check I observed a small sedan, later identified as a 2015 Toyota Corolla bearing TX Buyer Tag ( [REDACTED] ) in the ATM drive through. I observed the Buyer Tag on vehicle to be expired with an expiration date of February 3, 2019. While in the area I observed the vehicle exit the parking lot onto the public roadway of 100 Cheek-Sparger Rd, Colleyville TX, 76034.

Upon the vehicle entering a public roadway and my prior knowledge the vehicle was displaying an expired registration tag I activated my emergency red and blue lights to initiate a traffic stop. The vehicle continued to travel eastbound on Cheek-Sparger Rd at a slow speed of about 20 mph, causing me to activate my sirens in hopes he would hear it and come to a stop. The vehicle finally yielded and came to a stop in the 500 block of Cheek-Sparger Rd. Officer K. Bruner #225 arrived on scene to assist due to the vehicle not stopping right away.

I made contact with the driver and sole occupant of the vehicle, whom refused to provide me with a driver's license and proof of insurance upon my request. The subject continued to tell me I was coercing him and it was a war crime for me to ask him for his information.

The subject was later discovered by dispatch to be identified as FEARN, Glenn Willingham (W/M DOB: [REDACTED] ). Dispatch also provided me with a mailing address of 6340 Lake Worth Blvd, Fort Worth TX, 76135 which was linked to the above listed name. Mail correspondence was later located in the vehicle during an inventory which had the same

address listed on it. Dispatch also discovered and confirmed FEARN to have the following outstanding warrants:

|                              |                                  |          |

| Warrant #LPD1066096          | Fail to Display Driver's License | \$236.60 |
| Total Amount                 |                                  | \$791.70 |

Due to FEARN refusing to provide the requested information after being asked multiple times, and displaying the expired registration I advised him he was going to be removed from the vehicle placed in handcuffs. Upon telling FEARN he was going to be removed from the vehicle and put in handcuffs, he began to move around abruptly, which caused me to be concerned for our safety. I immediately opened the car door and grabbed FEARN'S hands and gave him instructions to not move them anymore. FEARN was then removed from the vehicle and placed in double locked handcuffs.

Upon removing FEARN from the vehicle he was extremely passive resistant. FEARN was searched incident to arrest, seat belted in the back right passenger seat of my patrol unit, and transported to the Keller Regional Jail to be booked in for Expired Registration and Fail to Maintain Financial Responsibility (454247). FEARN was also booked in for the above listed warrants.

Officer K. Bruner remained on scene and released the vehicle to B&B Wrecker Service.

End of report.

State of Texas

*RE: Request for Public Information to the City of Colleyville Police Department from  
Winningham Fearn received on March 21, 2019; (our file reference # 107120)*

Dear Open Records Division:

As City Attorneys for the City of Colleyville, we are writing to request an opinion on the above referenced request for public information. A true and correct copy of the request is attached and incorporated herein as **Exhibit "A"**. The City believes the documents responsive to this request are excepted from public disclosure under Texas Government Code Section 552.108. We have attached said responsive documents hereto as **Exhibit "B"**. Please note, the Requestor appears to be the alleged suspect named in the attached report. Please note, the Requestor initially requested certain information on or about March 19, 2019. The City has released the responsive information pertaining to the Requestor's March 19, 2019 request. However, on March 21, 2019 the Requestor requested additional information that the City believes to be confidential.

It is the City's position that the responsive information marked "552.108(b)(1)" attached in **EXHIBIT B** is exempt from disclosure according to the following law:

Gov't Code, Section 552.108: Exception: Certain Law Enforcement and  
Prosecutorial Information

"(b) An internal record or notation of a law enforcement agency or prosecutor that is maintained for internal use in matters relating to law enforcement or prosecution is excepted from the requirements of Section 552.021 if:

- (1) release of the internal record or notation would interfere with law enforcement or prosecution; [...]"

Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *City of Ft. Worth v. Carryn*, 86 S.W.3d 320, (Tex. App.--Austin 2002, no pet.). The information marked "§552.108(b)(1)" in **EXHIBIT B** includes an internal record made by the City's Police Department regarding the arrest of an individual. Particularly, this information includes a video recording of an individual being booked into the Colleyville/Keller jail. Release of this information would

interfere with law enforcement in that release would reveal the locations of security cameras in the jail facility where criminals are held after release. These cameras are in place for the safety of law enforcement personnel and the inmates. Release of the videos, and thus, the location of security cameras in the jail, would permit the public to anticipate weaknesses at the City Police Department's jail and avoid detection. Release of the video will jeopardize the safety of law enforcement personnel working at the jail. Therefore, the information attached hereto as **EXHIBIT B** and marked as "552.108(b)(1)" should be excepted from disclosure under the statutory exception stated in this section of this letter to the Attorney General.

In accordance with Section 552.301(d)(2) of the Texas Government Code, we will provide the requestor with a copy of this letter, without redacted copies, providing required notice that an Attorney General's Opinion is being sought with regard to his request.

Thank you for your attention in this matter. If you have any questions, please feel free to contact us at your convenience.

Best regards,

NICHOLS, JACKSON, DILLARD,

## Sovereign Citizen Quick Reference

Sovereign Citizen (SC) activity typically involves criminal behavior that is generally non-violent but has led to threats and plots against Court Officials by the more extremist adherents. Below are some indicators that you have encountered a SC during your normal duties and be a signal that additional precautions against fraudulent filings and personal harm be used.

### Initial Indicators of SC noticed by filings:

- Presentation to the courts of voluminous motions that contain:
  - References to UCC codes
  - References to Probate type language including estates, trusts, wills, and beneficiaries
  - Reference case law that is outdated, irrelevant, and/or taken out of context
  - Use outdated language
  - Use red ink in written statements, thumb prints, and/or signatures
- Present documents that identify the defendant as a sovereign, law enforcement officer, tribal member, or ambassador
- Sign documents with unusual signature, statements, or letters
  - Examples include "JOHN:DOE", "John.Doe.com", "Authorized Signature", "Without Prejudice UCC 1-208", "Agent", "SLS" (sovereign living soul), "TDC" (threats deception coercion)
- Request courts sign documents or respond to complicated and rambling inquires usually with a statement to the effect of "failure to reply indicates acceptance of all motions and dismissal of all charges".

### When making a court appearance:

- May not want to pass into the "well" of the court.
- Claim that the court does not have jurisdiction over them
- Request to read statements that attempt to justify their sovereignty
- Ask the Judge, court officials, attorneys, and/or witnesses for identification or verification of their authority (will commonly ask for "Oath of Office" or "Delegation of Authority")
- Present papers to the courts but not want the court to retain them
- Try to convince the Jury that they have ultimate authority and should not take any directions given by the Judge
- Defendant may invite other sovereign citizens to court in an effort to disrupt, intimidate, and/or film the proceedings
- If the Judge calls for a recess to try to figure out what the sovereign citizen is talking about, the defendant may claim that the Judge has abandoned the court and claim authority to dismiss the case

### Following Trial:

- Court officials may receiving threatening communication
- Fraudulent liens and claims may be filed against the Judge, witnesses, Jury, other court officials, or their families
