Churchianity

- This presentation is called churchianity, because most so-called churches are NOT Christian and have no idea what it means to be Christian.
- Most churches are interested in making money and trumpeting the party line.
- Most churches are actually satanic.
  - They teach half truths and falsehoods.
  - They are more interested in rituals, than in what is right or wrong.
  - They are most interested in fake money (bank notes – commercial paper).
Preparatory Videos

- To get a proper foundation, the following videos should be watched
  - Churchianity
  - We are Under Martial Law Rule
  - Quasi Contracts
  - UNIDROIT
  - Jurisdiction
  - Satanists in America
  - Mormon Satanists in Canada
  - Canada Border PIGs 2

Churchianity

- Mark Passio
  - former Satanist Priest
  - Natural Law videos
  - Pilars of Satanism
    - Moral Relativism
      - There is no absolute right or wrong
      - What is right or wrong is what we decide today
      - Tomorrow it will be something else
      - All Court cases are Satanic religious ceremony
Order Takers

- Mark Passio is a former Satanist priest who has some Youtube videos about Natural Law
  - All of the atrocities in history were committed by Order Takers
Mark Passio – Natural Law

- Former Satanist Priest
- Pillars of Satanism – forms of mind control
  - Survival
    - highest law of satanism
  - Moral Relativism
    - No such thing as right and wrong
    - we just make up with is right or wrong
  - Social Darwinism
    - Certain classes of society think they are most fit to rule
    - postulates the survival of the most socially ruthless
    - Ultimate responsibility is self preservation
Mark Passio – Natural Law

- Pillars of Satanism – forms of mind control
  - Eugenics
    - Elite get to determine who lives or dies – useless eaters
  - Order followers
    - Responsible for all of the atrocities in history
    - Just follow orders without thinking about whether it is a lawful order or not
    - Willing slaves
  - Moral relativism
    - 2/3 of people believe in moral relativism
    - Truth is relative
Order Takers

- An ORDER TAKER is somebody who is too stupid to know when they are receiving an unlawful command or not, cannot think for themselves, but need somebody to tell them what to do, as described by Mark Passio, in his Youtube videos on Natural Law,

- Mark Passio rightly says that all of the atrocities in history were committed by ORDER TAKERS in his Youtube profile;

- https://www.youtube.com/user/WhatOnEarth93
Order Takers

- WWII War Crimes Tribunals
  - All of the NAZIs claimed that they were just following orders
  - They either suffered death by hanging, or spent the rest of their life in jail
  - Some of them are still hunted to this day
- Vietnam War - Mai Lai massacre
  - Convicted of murder
Satanism

- Things that you see every day using the Satanic philosophy of Moral Relativism are:
  - False Flag Operations
  - Agent Provocateurs & Entrapment
  - All Court cases (satanic religious ceremony)
    - Judge is a clerk playing stupid, and working for the Prosecutor
    - Operate exclusively under color of law (fraud – lies)
  - Healthcare business (Deathcare business)
    - Not interested in curing anything – interested in making money
    - Peddle poisons that cover up symptoms and cure nothing
    - The ONLY remedy is in the satanic Courts
Satanism

- Things that you see every day using the Satanic philosophy of Moral Relativism are;

- Warfare (also Social Darwinism & Eugenics)
  - "A mixed war is one which is made on one side by public authority, and the other by mere private persons." Black's Law Dictionary 5th Ed., page 1420

- All court cases are warfare
  - “Under International Law of Warfare, all parties to a cause must appear by nom de guerre, because an "alien enemy cannot maintain an action during the war in his own name". Merriam-Webster Dictionary, pg. 1534, (fictitious name = fraud)

- The Trading with the Enemy Act authorizes warfare on all US citizens (another fraud)
Satanism – How did this happen?

- Roman Civil Law is Satanic
-Anyone who is wearing a military uniform is an agent of the Vatican
-“The wearing of clerical dress or of a religious habit on the part of lay folk, ……, is liable to the same penalty on the part of the State as the misuse of military uniform.” Article 10, Concordat of 1933

- Rulers of Evil, by Tupper Saucy
  -The eagle is a symbol of the Catholic church
Satanism – the Mormons

- I have been getting attacked by ignorant satanic order taker mormons for decades
- I remember sitting in church and some brain dead idiot would say; “Did you obey the law of the land today. Did you follow the speed limit?”
- These Canadian ignorant idiot mormons also have a favorite saying when you allow these satanic BAAL priests to coerce you into one their so-called contracts (license) “At least you did it right”
Satanic Mormons

“The expressions 'due process of law' and 'law of the land' have me same meaning **** The 'law' intended by the constitution is the common law that had come down to us from our forefathers, as it existed and was understood and administered when that instrument was framed and adopted.” State v. Doheny, 60 Maine 504. 509 (1872).

“The right to travel is part of the liberty of which a citizen cannot be deprived without due process of law under the 5th Amendment. This Right was emerging as early as the Magna Carta.” (1215 c.e.) Kent v Dules 357 US 116 (1958)
Mormon Satanists

- I filed criminal complaints against these criminals and sent copies to their CEO, and Board of Directors (all claim to be prophets of God, and are cheerleaders for each other)
- In 2007 & 2008
- Some of the documents served on Monson, the current CEO are as follows;

The History of the American Inns of Court

The American Inn of Court concept was the product of a discussion in the late 1970's among the United States' members of the Anglo-American Exchange of Lawyers and Judges, including Chief Justice of the United States Warren E. Burger and Judge J. Clifford Wallace of the U.S. Court of Appeals for the Ninth Circuit. Burger subsequently invited Rex E. Lee, then Dean of the J. Reuben Clark School of Law at Brigham Young University and later U.S. Solicitor General, and Delin Oats, then president of Brigham Young University and later justice of the Utah Supreme Court, to test the idea.

At the suggestion of Lee, a pilot program was entrusted to Senior U.S. District Court Judge A. Sherman Christensen, who shaped the idea into a workable concept. The first American Inn of Court was founded February 2, 1980 in the Provo/Salt Lake City area of Utah, and included law students from Brigham Young University.

Within the next three years, additional American Inns formed in Utah, Mississippi, Hawaii, New York, and Washington, D.C.

In 1983, Chief Justice Burger created a committee of the Judicial Conference of the United States to explore whether the American Inn concept was of value to the administration of justice and, if so, whether there should be a national organization to promote, establish and assist American Inns, and promote the goals of legal excellence, civility, professionalism and ethics on a national level.

The committee reported to the Judicial Conference affirmatively on the two questions and proposed the creation of the American Inns of Court Foundation. The Judicial Conference approved the report and, thus, endorsed the American Inn concept and the formation of a national structure.

In 1985 the American Inns of Court Foundation with 12 Inns nationally, was organized to support the Inns and to promote the goals of legal excellence, civility, professionalism and ethics on a national level. The establishment of the American Inns of Court Foundation was celebrated at a dinner in Salt Lake City in June 1985. Speakers at the dinner program included Judge Christensen, Judge Abin J. Anderson, and Delin Oats.

The American Inns of Court movement has grown faster than any other organization of legal professionals. Today there are nearly 400 chartered American Inns of Court in 48 states, the District of Columbia, Guam, and Tokyo. There are more than 30,000 active members nationwide encompassing a wide cross-section of the legal community, including federal and state judges, lawyers, law professors, and law students.

Past Presidents of the American Inns of Court Foundation

- Professor Sherman L. Cohn, Georgetown University Law Center (1985-1986)
- Judge Patrick E. Higginbotham, U.S. Court of Appeals for the Fifth Circuit (1986-2000)
- Justice Randy J. Holland, Delaware Supreme Court (2000-2004)
- Dean Robert K. Walsh, Wake Forest University School of Law (2006-2010)
- Justice Donald W. Lemons, Supreme Court of Virginia (2010-2014)

The first American Inn of Court was founded February 2, 1980 in the Provo/Salt Lake City area of Utah, and included law students from Brigham Young University.

Within the next three years, additional American Inns formed in Utah, Mississippi, Hawaii, New York, and Washington, D.C.

In 1983, Chief Justice Burger created a committee of the Judicial Conference of the United States to explore whether the American Inn concept was of value to the administration of justice and, if so, whether there should be a national organization to promote, establish and assist American Inns, and promote the goals of legal excellence, civility, professionalism and ethics on a national level.

The committee reported to the Judicial Conference affirmatively on the two questions and proposed the creation of the American Inns of Court Foundation. The Judicial Conference approved the reports and, thus, endorsed the American Inn concept and the formation of a national structure.

In 1985 the American Inns of Court Foundation with 12 Inns nationally, was organized to support the Inns and to promote the goals of legal excellence, civility, professionalism and ethics on a national level. The establishment of the American Inns of Court Foundation was celebrated at a dinner in Salt Lake City in June 1985. Speakers at the dinner program included Judge Christensen, Judge Aldon J. Anderson, and Dallin Oaks.

The American Inns of Court movement has grown faster than any other organization of legal professionals. Today there are nearly 400 chartered American Inns of Court in 48 states, the District of Columbia, Guam, and Tokyo. There are more than 30,000 active members nationwide encompassing a wide cross-section of the legal community, including federal and state judges, lawyers, law professors, and law students.

Past Presidents of the American Inns of Court Foundation

- Professor Sherman L. Cohn, Georgetown University Law Center (1985-1996)
- Justice Randy J. Holland, Delaware Supreme Court (2000-2004)
- Dean Robert K. Walsh, Wake Forest University School of Law (2008-2010)
- Justice Donald W. Lemons, Supreme Court of Virginia (2010-2014)
Mormon Satanists

- Mormon Satanists are responsible for the Inns of Court being brought to America

- Mormon Satanists are celebrating when their buddies put on a show trial in their kangaroo court for me

- The Canada Border PIGs assaulted Me, kidnapped Me, and falsely imprisoned Me because of their Customs Act and their Firearms Act

- "...judges who become involved in enforcement of mere statutes (civil or criminal in nature and otherwise), act as mere "clerks" of the involved agency..." K.C. Davis, ADMIN. LAW, Ch. 1 (CTP. West's 1965 Ed.)
"When acting to enforce a statute and its subsequent amendments to the present date, the judge of the municipal court is acting as an administrative officer and **not in a judicial capacity**; courts administrating or enforcing statutes do not act judicially, but merely ministerially....but merely act as an extension as an agent for the involved agency -- but only in a “ministerial” and not a “discretionary capacity...”

"It is the accepted rule, not only in state courts, but, of the federal courts as well, that when a judge is enforcing administrative law they are described as mere 'extensions of the administrative agency for superior reviewing purposes' as a ministerial clerk for an agency..." 30 Cal 596; 167 Cal 762
Mormon Satanists

- In order for them to have jurisdiction, there had to be a contract.

- "It is impossible to prove jurisdiction exists absent a substantial nexus with the state, such as voluntary subscription to license. All jurisdictional facts supporting claim that supposed jurisdiction exists must appear on the record of the court." Pipe Line v Marathon. 102 S. Ct. 3858 quoting Crowell v Benson 883 US 22
Mormon Satanists

- Hironaka the bought and paid for mormon satanist Clerk masquerading as a judge unlawfully entered a plea for Me so that they could hold their kangaroo court

- “Kangaroo court. Term descriptive of a sham legal proceeding in which a person's rights are totally disregarded and in which the result is a foregone conclusion because of the bias of the court or other tribunal.” Black’s Law Dictionary, 6th Edition, page 868
Mormon Satanists

- At the common law subject-matter is not within the jurisdiction, the court may dismiss the proceedings of its own motion. Gormly v. McIntosh, 22 Barb. (N.Y.) 271; Robertson v. State, 10 NE 582, 643. And a remedy may be had by a writ of prohibition; 3 Bla. Com. 12.

- Under their fictitious color of law rules, it had to be a Motion for a Prohibition, which I did and Tillman the bought and paid for mormon satanist Clerk masquerading as a Judge got it, and Benkendorf the bought and paid for satanist BAR member conspired with Tillman to get it dismissed, and an ORDER prohibiting Me from any further filings so they could further deny me due process.
PIGs in Canada

- The judgment of conviction pronounced by court without jurisdiction is void, and one imprisoned thereunder may obtain release by habeas corpus. Johnson v. Lewis, 144 U.S. 653.

- I filed a Habeas Corpus while I was in their jail and the court clerk ignored it the first time because Tilleman intended to deny Me due process in conspiracy with Benkendorf the PIG.
Mormon Satanists

- Tilleman ultimately dismissed the Habeas Corpus because I provided no evidence
- How am I supposed to provide in evidence in their jail where I have trouble getting a pen and paper much less anything else?
- I made it under penalty of perjury = affidavit
- Tilleman the bought and paid for mormon satanist whore intended to deny Me due process so he could help out Benkendorf the PIG, and Redman the PIG, and Bernard the PIG, and their Canada Border PIG buddies
- It was all pre-judged from the beginning
Mormon Satanists

- I filed a Notice of Appeal from the bought and paid for mormon Satanist Tilleman’s kangaroo court over the Motion for an Order of Prohibition

PIGs in Canada

- Now Benkendorf, the PIG, is trying to get the Appeal dismissed

- Benkendorf, the PIG, is trying to lure me across their so-called border so they can assault Me, and kidnap Me and falsely imprison Me again

- Benkendorf, he PIG knows that I appealed their show-trial, but Redman the Clerk masquerading as a Judge included in his so-called ORDER (Clerks cannot do anything judicial) that I see one of their bought and paid for shrinks, because they intend to declare me insane for thinking I have any rights, (just like they did with my brother) so I left their communist dictatorship
PIGs in Canada

- Benkendorf, the PIG knows that I cannot show up for their show-hearing
- Benkendorf, the PIG knows that no justice will ever come out of this
- Benkendorf, the PIG knows that he and his kangaroo courts are NOT competent to do justice
- Benkendorf, the PIG knows that he intends to assault Me with his satanic statutes and then he will call it a contract, just like he and his border PIGs have already done.
PIGs in Canada

Benkendorf, the PIG knows that he has assaulted Me with his:

- Canada Firearms Act
- Alberta Judicature Act
- Alberta Provincial Court Act
- Alberta Court of Queen’s Bench Act
- Alberta Rules of Court
- Other satanic statutes

Then they will assault me with some of their “equity”, just like they have already done

Then they will call it a contract
PIGs in Canada

- Tilleman, Benkendorf, Bernard, Redman, and the CBSA PIGs are all Satanists assaulting people on the highway to make fake money (IOUs) for their Satanic handlers in the Vatican.
- Tilleman, Benkendorf, Bernard, Redman are all Priests of BAAL.
- Rooke, Whittmann, McKay, Harper, Johnston, Ethell, and Windsor are the ringleaders.
Mormon Satanists

- Redman the bought and paid for satanist Clerk masquerading as a Judge issued a fraudulent bogus warrant for my arrest and an RCMP PIG assaulted Me when I was coming out of the US Consulate, because the US Consul called the PIGs and then took a nice long lunch break

- "Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities" Burns v. Sup., Ct., SF, 140 Cal. 1
Mormon Satanists

- These mormon satanists assaulted me, kidnapped me, and falsely imprisoned Me, and force me to use their fictitious color of law court rules and regulations
  - They assaulted me with their 1200 pages of rules to try and get a remedy
- These mormon satanists denied me a common law remedy
- These mormon satanists deliberately and calculatedly issued a void judgment (when they knew they did not have jurisdiction) which is proof that they intended to do it, so they could make money for their whore buddies in the court of appeals
Mormon Satanists

"Where there is no jurisdiction there is no judge; the proceeding is as nothing. Such has been the law from the days of the Marshalsea, 10 Coke 68; also Bradley v. Fisher, 13 Wall 335, 351." Manning v. Ketcham, 58 F.2d 948.

“Void judgment is one which has no legal force or effect whatever, it is an absolute nullity, its invalidity may be asserted by any person whose rights are affected at any time and at any place and it need not be attacked directly but may be attacked collaterally whenever and wherever it is interposed.” City of Lufkin v. McVicker, 510 S.W. 2d 141 (Tex. Civ. App. – Beaumont 1973).
Mormon Satanists

For the BAAL priests like Benkendorf, who insist on Canadian or English citations below are some English citations from their fellow BAAL priests

A void order does not have to be obeyed because, for example, in *Crane v Director of Public Prosecutions* [1921] 2 AC 299, it was stated that if an order is void *ab initio* (from the beginning) then there is no real order of the Court.

which means that the RCMP PIG had no duty to arrest me which means he assaulted me

A ‘without jurisdiction’/*ultra vires* act is any act which a Court did not have power to do (Lord Denning in *Firman v Ellis* [1978] QB 866).
Mormon Satanists

The History of the American Inns of Court concept was the product of a discussion in the late 1970's among the United States' members of the Anglo-American Exchange of Lawyers and Judges, including Chief Justice of the United States Warren E. Burger and Judge J. Clifford Wallace of the U.S. Court of Appeals for the Ninth Circuit. Burger subsequently invited Rex E. Lee, then Dean of the J. Reuben Clark School of Law at Brigham Young University and later U.S. Solicitor General, and Dallin Oaks, then president of Brigham Young University and later justice of the Utah Supreme Court, to test the idea.

At the suggestion of Lee, a pilot program was entrusted to Senior U.S. District Court Judge A. Sherman Christensen, who shaped the idea into a workable concept. The first American Inn of Court was founded February 2, 1980 in the Provo/Salt Lake City area of Utah, and included law students from Brigham Young University.

Mormon Satanists in Alberta

In the early 1980’s, Peter Lougheed was Premier of Alberta and he negotiated an oil deal with Ottawa (Canadian federal government)
First place he went to announce his deal was
   NOT Edmonton ~ 1,000,000 people
   NOT Calgary ~ 1,000,000 people
   WAS Cardston ~ 4,000 people 95% mormons
Mormon Satanists in Alberta

- Tilleman is a bought and paid for Mormon satanist BAAL priest
- Hironaka is a bought and paid for Mormon satanist BAAL priest
- Both of these satanists were directly involved in the kangaroo court in my case in Lethbridge
- I am sure that there were other Mormon satanists involved but I do NOT know for sure
- Neither of these satanists were interested in justice
- Tilleman will probably get promoted to the Quorum of the Twelve Apostles (Board of Directors)
Satanism in Health Care Business (Death Care Business)

- Doctors want to cut something off because that is how they make their money
- Doctors want to push some drug because they get a royalty
- Pharmaceutical companies sell unproven drugs, and drugs that are known bad drugs so they can make money
- Satanic federal regulators help get bad drugs approved
- All of this makes money for their satanic courts through litigation
- Promotes Satanic eugenics
- The Vatican has been saying for years that “we need to reduce the population”
Satanism in Health Care Business
(Death Care Business)

- It is well known that medical doctors treat the symptoms.
- In other words they cover up the symptoms.
- They do not cure anything, they just cover it up.
- Doctors get 6 hours of nutrition training in medical school.
- If people get well, it is in spite of what the doctors are doing.
NWO Plans To Depopulate The Earth
By Steve Jones
4-13-5

"If I were reincarnated, I would wish to be returned to Earth as a killer virus to lower human population levels" - Prince Phillip, Duke of Edinburgh

World population is, by all intents and purposes, completely out of control.

Plans are underway now, implemented by the New World Order Elite, to depopulate the planet’s 6-7 billion people to a manageable level of between 500 million and 2 billion.

There are many means and methods of depopulation that are being employed today, the 3 primary of which include; unsustainable/exploitative international development, which leads to massive hunger, starvation and famine worldwide (at least 40 million deaths annually), the fomentation of war, hatred and military procurements throughout the nations leading to millions of deaths worldwide, and finially, the creation and spread of infectious diseases leading to global pandemic, plague and pestilence on an unprecedented scale.

Other methods used include; the build-up and use of nuclear, chemical and biological agents, weapons and warfare, the poisoning and contamination of the planet’s food and water supplies, the introduction and use of deadly pharmaceutical drugs in society, weather modification and the triggering of earthquakes, volcanic eruptions and tsunamis through electromagnetic psychotronic weapons both on Earth and in space, the promotion of homosexuality to limit population growth and spread the deadly AIDS virus, forced sterilization in countries such as China, forced vaccinations, abortion, euthanasia etc...

Death, and the management of who lives and who dies, has become the central organizing principle of the 21st century.

Christianity

- Most churches that call themselves Christian, aren’t Christian but are actually satanic
- When George Bush Jr. took office the IRS padlocked the doors of a Southern Baptist Temple in Indianapolis
Christianity

- All churches are automatically tax exempt
- “Churches. Although a church, its integrated auxiliaries, or a convention or association of churches is not required to file Form 1023 [Application for Exemption under 501(c)(3) of the Internal Revenue Code] to be exempt from federal income tax or to receive tax deductible contributions, the organization may find it advantageous to obtain recognition of exemption.” IRS Publication 557 Tax Exempt Status for Your Organization, page 25 [emphasis added]
Christianity

- When church makes application for 501(c)(3) status, they cease to be a “church” and they become a “Tax Exempt Organization” that includes a responsibility to be careful what they say about the government, and to follow the government fictitious color of law codes, rules and regulations.

- That is why the Southern Baptist Temple in Indianapolis was padlocked soon after George Bush, Jr., took office.

- It is called the Johnson amendment, because it was President Johnson that did this.
Satanic Mormons

- Once a church makes application for 501(c)3 status, they cease to be a church.
- A 501(c)3 church is NOT a church, but is a “Tax Exempt Organization”.
- As a 501(c)3 “Tax Exempt Organization” they are prohibited from speaking in opposition to the government, and any organization that breaks this rule will be shut down, like the Indianapolis Southern Baptist Temple that was padlocked when George W. Bush, Jr. first took office.
Satanic Mormons

- There is nothing stopping them from using a common law trust.

- A Pure Trust is not subject to legislative control. The United States Supreme Court holds that the Trust relationship comes under the realm of equity, based upon the common law, and is not subject to legislative restrictions as are corporations and other organizations created by legislative authority. Elliot vs. Freeman, 220 US 178.

- “The Trustees of a trust have all the power necessary to carry out their obligations which they assume  and their books and records are not subject to review or subpoena.” Boyd vs US, 116 US 618, Silverthorne Lumber Co. vs US, 1251 US 385.

Satanic Mormons

- Lie #1
  - They are calling themselves a “Church” and the truth is that they are NOT a Church. They are a Tax Exempt Organization.

- Lie #2
  - They cannot tell the truth, the whole truth, and nothing but the truth – if they did that they would be shut down by their satanic handlers. They are literally in a contract with the devil.
  - The War of Independence was fostered mainly by the Christian ministers of the day and Obama and his UN Border PIGs do not want that do they!
Satanic Mormons

Lie #3

They encourage their people to join the military, to make sure that they have a good supply of mormon satanist order takers so they can be sent off to killing fields so that the banksters and their Vatican handlers can make all sorts of fake money!
