➤ "We therefore decline to overrule the opinion of Chief Justice Marshall: We hold that the District of Columbia is not a state within Article 3 of the Constitution. In other words cases between citizens of the District and those of the states were not included of the catalogue of controversies over which the Congress could give jurisdiction to the federal courts by virtue of Article 3. In other words Congress has exclusive legislative jurisdiction over citizens of Washington District of Columbia and through their plenary power nationally covers those citizens even when in one of the several states as though the district expands for the purpose of regulating its citizens wherever they go throughout the states in union" National Mutual Insurance Company of the District of Columbia v. Tidewater Transfer Company, 337 U.S. 582, 93 L.Ed. 1556 (1948);

It is all Coming from the Roman Cult

- It is all Roman Law
- **“Civil Law,” “Roman Law,” and “Roman Civil Law” are convertible phrases, meaning the same system of jurisprudence.** That rule of action which every particular nation, commonwealth, or city has established peculiarly for itself; **more properly called “municipal” law, to distinguish it from the “law of nature,”** and from international law. See **Bowyer, Mod. Civil Law, 19; Sevier v. Riley, 189 Cal. 170, 244 P. 323, 325”** Black's Law Dictionary, Rev. 4th Ed. [emphasis added];

Uniform Commercial Code =

Did you Give Up Your God Given Rights for some Satanic Privileges?

- **“Whenever [the Uniform Commercial Code] creates a "presumption" with respect to a fact, or provides that a fact is "presumed," the trier of fact must find the existence of the fact unless and until evidence is introduced that supports a finding of its nonexistence.” UCC § 1-206**

- **“(a) In an action with respect to an instrument, the authenticity of, and authority to make, each signature on the instrument are admitted unless specifically denied in the pleadings. If the validity of a signature is denied in the pleadings, the burden of establishing validity is on the person claiming validity, but the signature is presumed to be authentic and authorized unless the action is to enforce the liability of the purported signer and the signer is dead or incompetent at the time of trial of the issue of validity of the signature.” Texas Business and Commerce Code § 3.308 Proof of Signatures and Status as Holder in Due Course [emphasis added]**

- **(1) Unless specifically denied in the pleadings, each signature on a security certificate or in a necessary indorsement is admitted.**

State Citizenship

Did you Give Up Your God Given Rights for some Satanic Privileges?

❖ **"State Citizenship is a vested substantial property right, and the State has no power to divest or impair these rights."** Favot v. Kingsbury, (1929) 98 Cal. App. 284, 276 P. 1083.

State Citizens

Did you Give Up Your God Given Rights
for some Satanic Privileges?

❖ **"The state citizen is immune from any and all government attacks and procedure, absent contract."** see, **Dred Scott vs. Sanford, 60 U.S. (19 How.) 393** or as the Supreme Court has stated clearly, **"...every man is independent of all laws, except those prescribed by nature. He is not bound by any institutions formed by his fellowmen without his consent."** **CRUDEN vs. NEALE, 2 N.C. 338 2 S.E. 70**

State Citizens

Did you Give Up Your God Given Rights
for some Satanic Privileges?

❖ **“The rights of the individuals are restricted only to the extent that they have been voluntarily surrendered by the citizenship to the agencies of government.”** City of Dallas v Mitchell, 245 S.W. 944

How to Assert Your Status - Education

- 1 Rule - Educate yourself
- We are in this position because of ignorance
- They have us in what they view to be contracts (numerous)
- They are all a fraud (satanic)
- If we claim fraud and get out of a contract, and then go back into the contract we will no longer be able to claim fraud
- Plan your course of action
- True freedom requires a change of behavior

Recording Documents

- We have provided information that we are one of the slaves
- This procedure provides documentation “in their system” that we are NOT “the slave” that can be used as “evidence” if needed
- All Land Titles registries (Canada, USA, everywhere) have a miscellaneous category where you should be able to record anything, but “We the People” have been “asleep at the wheel” and because of corruption many bureaucrats refuse them.

Recording Documents

- Many state legislatures like to discourage these type of recordings by making filing fees high, or making all sorts of requirements
- Texas has high filing fees
- Utah ONLY allows “Land Title Documents”
- These are ONLY 2 examples. I have not checked every state
- It doesn't matter where you record documents, as long as anybody can go and see them at any time

Recording Documents

- There is an online service that provides document recording services in a cost effective way
- <http://www.nationalpublicrecordregistry.info/>
- Pinal County Recorder in Arizona told me that they would record a hamburger if I paid the fee
- <http://pinalcountyaz.gov/recorder/Pages/DocumentSearch.aspx>
- I have several documents recorded in Washington County, Utah
- I have hundreds of documents recorded in Pinal County, Arizona

UCC - Secured Party

- There are many who say you have to do a UCC-1 to claim yourself as a Creditor and Secured Party against the strawman debtor
- I have done that, but after research, I consider it a mistake
- I know lots of people who have done bonds based on this principle and ended up in jail.
- I do not put anything about the Uniform Commercial Code in any of my documents, except that occasionally I may reference it and at the same time say that it is their code and what they are doing

UCC – Secured Party

- **Governments descend to the level of a mere private corporation, and take on the characteristics of a mere private citizen... where private corporate commercial paper [Federal Reserve Notes] and securities [checks] is concerned . . . For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government. Clearfield Trust Co. v. United States 318 U.S. 363 (1943)**

Defeating Presumptions

- The following are some things you can do to defeat their presumptions taken un Martial Law
- It is best to record documents that you want to force the BAAL priest to take judicial notice of
- All Judges have to take judicial notice of all government documents
- You can literally make your own law by recording a document
- After 30 days it becomes “public policy” which is the same thing as a regulation

Defeating Presumptions

- Record the following (at a minimum)
 - Affidavit of Corporate Denial
 - Copyright Notice (if done)
 - Criminal Complaints
