Facebook Censorship

- Facebook has been censoring my posts
- Before you are allowed to make your posting a popup comes up with a bunch of pictures and they want you to identify the cat (for example)
- There will be pictures of various animals and several pictures that have cats in them
- When you select a picture with a cat in it, it says that it is the wrong picture
- They are claiming it is because of spam
- It is harassment and censorship

Facebook Satanists

- **“My opinion is and long has been that the mayor and aldermen of a city corporation, or the president and directors of a bank, or the president and directors of a railroad company and of other similar corporations, are the true parties that sue and are sued as trustees and representatives of the constantly changing stockholders.... A corporation, therefore, being not a natural person, but a mere creature of the mind, invisible and intangible, cannot be a citizen of a state, or of the United States, and cannot fall within the terms or the power of the above mentioned article, and can therefore neither plead nor be impleaded in the courts of the United States.” Rundle v Delaware & Raritan Canal Company 55 U.S. 80 (1852) [emphasis added]**

- ❖ Almost all (so-called) governments are bankrupt and owned and operated by the Vatican
- ❖ At common law a sheriff would have a star only.
- ❖ At common law there is no uniform

- **“Capital must protect itself in every way, through combination and through legislation. Debts must be collected and loans and mortgages foreclosed as soon as possible. When through a process of law, the common people have lost their homes, they will be more tractable, and more easily governed by the strong arm of the law applied by the central power of wealth, under control of leading financiers. People without homes will not quarrel with their leaders. This is well known among our principle men now engaged in forming an IMPERIALISM of capital to govern the world. By dividing the people we can get them to expend their energies in fighting over questions of no importance to us except as teachers of the common herd. Thus by discrete action we can secure for ourselves what has been generally planned and successfully accomplished.”** The Banker’s Manifesto of 1934 from New American, February, 1934

Facebook Satanists

- **“They that can give up essential liberty to obtain a little temporary safety deserve neither liberty nor safety.”**
- Benjamin Franklin, Historical Review of Pennsylvania, 1759
- **“When injustice becomes law, then resistance becomes duty.”** Thomas Jefferson

Facebook Satanists

- **"Necessity is the plea for every infringement of human freedom. It is the argument of tyrants; it is the creed of slaves."**
 - William Pitt (the Younger), Speech in the House of Commons, November 18, 1783

Facebook Satanists

- "I prefer dangerous freedom over peaceful slavery."
- Thomas Jefferson, letter to James Madison, January 30, 1787

Facebook Satanists

- **"What country can preserve its liberties if their rulers are not warned from time to time that their people preserve the spirit of resistance. Let them take arms."**
- Thomas Jefferson, letter to James Madison, December 20, 1787

Judgment Day

- **“...I will shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.” Revelations 17 1-2**
- **“And the kings of the earth, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:” Revelations 6: 15-16**

NEVER GIVE UP

Summary

Judgment Day is Coming!

- **“I know thy works , and tribulation,
and I know the blasphemy of them which
say they are Jews, [christians] and are not,
but are the synagogue of Satan.”**

Revelations 2:9

Conclusion

- **"If Ye love wealth better than liberty, the tranquility of servitude, better than the animating contest of freedom, go home from us in peace. We ask not your counsel or arms. Crouch down and lick the hands which feed you. May your chains set lightly upon you, and may our posterity forget that you were ever our countrymen."** Samuel Adams, "the father of the American revolution", member of "The sons of Liberty (the group that did the Boston Tea Party)"
Quoted from the debates of 1776

Conclusion

- **"It behooves every man who values liberty of conscience for himself, to resist invasions of it in the case of others: or their case may, by change of circumstances, become his own"**

Thomas Jefferson

Conclusion

- **"When shall it be said in any country of the world, my poor are happy, neither ignorance or distress is to be found among them; my jails are empty of prisoners, my streets of beggars; the aged are not in want, the taxes not oppressive; the rational world is my friend because I am friend of its happiness. When these things can be said, then may that country boast of its constitution and government ." - Thomas Paine**

The Watchman

- **“But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand.”** Ezekiel 33:6
