“This is your last chance ... After this, there is no turning back. You take the blue pill - the story ends, you wake up in your bed, and believe whatever you want to believe.

You take the red pill, ... you stay in Wonderland, and I show you, how deep the rabbit-hole goes.”

~ Morpheus’ Warning To Neo (From The Film; “The Matrix”) ~
Morpheus, like Jesus, offers Neo the chance to wake up.

“Behold, I stand at the door, and knock: if any man hears my voice, and opens the door, I will come in to him, and will eat with him, and he with me.” Rev: 3:20

Neo, Like the American People, must make a choice.

These things I have spoken unto you, that in me you might have peace. In the world you shall have tribulation: but be of good cheer; I have overcome the world. John 16:33

Red Pill or Blue Pill?
The Matrix is Real

- We can all become Neo,
  - by educating ourselves
  - By refusing to participate
  - By taking steps to protect ourselves, our families, our friends and neighbors

Anyone who is wearing a military uniform is an agent of the Roman Cult.

“The wearing of clerical dress or of a religious habit on the part of lay folk, ......, is liable to the same penalty on the part of the State as the misuse of military uniform.” Article 10, Concordat of 1933

Almost all (so-called) governments are bankrupt and owned and operated by the Roman Cult.

At common law a sheriff would have a star only.

At common law there is no uniform.
Order Followers

- WWII War Crimes Tribunals
  - All of the NAZIs claimed that they were just following orders
  - They either suffered death by hanging, or spent the rest of their life in jail
  - Some of them are still hunted to this day
- Vietnam War - Mai Lai massacre
  - Convicted of murder
- Today Order Followers are everywhere
Things that you see every day using the Satanic philosophy of Moral Relativism are;
- False Flag Operations – the end justifies the means
- Agent Provocateurs - the end justifies the means
- Entrapment – the end justifies the means
- All Court cases = kangaroo court (unless it’s a common law court) = satanism
  - Judge is a clerk playing stupid, and working for the Prosecutor
  - If you don’t know the law or fail to do something properly, or follow the right procedure, they sell you into slavery (prison)
  - They have no authority
  - They use unconstitutional commercial code
Author and Activist Explains the Link Between Vaccination and Eugenics

Alex Pietrowski, Staff Writer
Waking Times

“Eugenics movement has always been problematic, it has always reflected a desire to have people be in perfect health as a society, not really as individuals, but as a group.” ~Liam Scheff

Eugenics in one form or another has always been a part of human culture, however it has taken a quantum leap since the 1800’s when it was first codified into science by Francis Galton. Now, in the 21st century, eugenics is broadly accepted to be immoral and unethical, yet is disguised in many aspects of society.

Don't you think it's sad and odd that folks blame disease on heritage and genetics and not the proven fact that our food, water, and air are being systematically poisoned?
1. You've been intentionally dumbed down by the American education system.
2. You've been force-fed lies by the corporate-owned mass media.
3. You've been socially engineered through Hollywood movies, the music industry & TV programming.
4. You've been enslaved by the banks & credit card companies—forced to toil your life away.
5. You've been drugged, brainwashed & robbed by Big Pharma, Big Insurance & the Big American healthcare racket.
6. You've been tricked into thinking the U.S. is a free democracy—not knowing it's a corporate oligarchy.
7. You've been poisoned by toxic food fluoridated water, GMOs, and the food industrial complex in general.

Why Alternative Health is Booming
PAY THE FARMER NOW OR PAY PHARMA LATER
The modern day Healthcare business is actually a deathcare business because they want to manage your death in such a way that they make as much (fake) money as possible, and reduce the population at the same time.

It is all about eugenics.

The United States government spent millions of dollars researching the human mind in the sixties. They spent our tax dollars to learn how to manipulate us and it worked.

  Implicated as a cause of brain damage; suspected factor in Alzheimer’s Disease, dementia, seizures, and coma. Allergic reactions can occur on skin.*

- formaldehyde (formalin)
  Major constituent of formalin (1% formaldehyde solution). Known to cause cancer, suspected gastrointestinal, liver, immune system, nerve, reproductive system, and respiratory poison. Linked to leukemia, brain, colon, and lymphomas.

- micro-organisms
  Live and kill HIV and bacteria or their toxins. The polio vaccine was contaminated with a monkey virus now turning up in human bone, lung tissue (mesothelium), brain tumors and lymphomas.*

- polysorbate 80
  Known to cause cancer in animals.

- tri (n) butylphosphate
  Suspected kidney and nerve poison.

  Allergic reactions can range from mild to life threatening.*

- mercury (thimerosal)
  One of the most poisonous substances known. Has an affinity for the brain, gut, liver, bone marrow and kidneys. Minute amounts can cause nerve damage. Symptoms of mercury toxicity are similar to those of autism.

- neomycin sulfate (antibiotic)
  Interferes with vitamin B6 absorption. An error in the uptake of B6 can cause a rare form of epilepsy and mental retardation. Allergic reactions can be mild to life threatening.*

- phenol/phenoxylethanol (2-PE)
  Used as antifreeze. Toxic to all cells and capable of disabling the immune system's primary response mechanism.

- human & animal cells
  Human cells from aborted fetal tissue and human albumin, pig blood, horse blood, rabbit brain, guinea pig, dog kidney, cow heart, monkey kidney, chick embryo, chicken egg, thymus, calf serum, sheep blood and others.

"We knew we couldn't make it illegal to be either against the war or black, but by getting the public to associate the hippies with marijuana and blacks with heroin, and then criminalizing both heavily, we could disrupt those communities.... We could arrest their leaders, raid their homes, break up their meetings, and vilify them night after night on the evening news. Did we know we were lying about the drugs? Of course we did." — Former Nixon Domestic Policy Chief John Ehrlichman
THE TRUTH ABOUT THE WAR ON DRUGS

It could be argued that the War on Drugs is the longest and most expensive war ever fought by the United States. Each and every year, billions of dollars are spent, thousands of arrests are made and countless lives are lost in the name of keeping illegal drugs off the streets. It’s no secret that it’s a war the government is not winning. But is it a war they should even bother fighting?

THE WAR ON DRUGS BEGAN WITH THE PASSAGE OF THE COMPREHENSIVE DRUG ABUSE PREVENTION AND CONTROL ACT OF 1970 BY THE NIXON ADMINISTRATION.

The act requires the pharmaceutical industry to maintain physical security and strict record keeping for certain drugs and divides controlled substances in five classes bases on their medical usefulness and potential for abuse.

SCHEDULE I: Marijuana, Heroin, Cocaine
SCHEDULE II: Dilaudid, Oxycontin, Ritalin
SCHEDULE III: Anabolic Steroids
SCHEDULE IV: Xanax, Valium, Ambien
SCHEDULE V: Codeine

You've been taught all sorts of lies about cancer by the "Cancer profiteers" in order to keep their profits flowing, they have to keep you in the dark...
CANCER IS THE RESULT OF A DIVORCE FROM NATURE
No matter how many people shave their heads or run for the cure or cycle all over the place, as long as the Medical Mafia is in control, the “cancer war” will never be won.
What The Cancer Industry Does Not Want You To Know About Chemotherapy and Radiation

- Radiation-induced secondary cancers have exploded in the last two decades due to radiation treatment.
- 90% of chemotherapy patients die 10-15 years after treatment and the cause is never attributed to treatment.
- More than 50% of all cancer patients suffer significant treatment-related toxicity.
- Chemotherapy does not eliminate breast, colon, or lung cancers yet chemo drugs are still used on these cancers.
- Patients who undergo chemo are 14 times more likely to develop leukemia and 6 times more likely to develop cancers of the bones, joints, and soft tissues than those patients who do not undergo chemotherapy.
- Chemotherapy drugs directly damage DNA.
- Chemotherapy actually boosts cancer growth.
- 68% increase in Chemo drugs since 2003.
- 75% increase in cancer projected by 2030.

CANCER CURED IN 1934?

By Brilliant San Diego Scientist
Royal Raymond Rife

One in three people will suffer with and eventually die from Cancer. The numbers are growing every year. In a clinical study sponsored by the University of Southern California in 1934, 16 out of 16 terminally ill Cancer patients were cured using Frequency (sound). Rife also found the cure for most Diseases we suffer with such as Staph, Strep, Plague, TB, Malaria, Venereal, Leprosy, Arthritis, Polio, AIDS and many more. Rife and his lab work were eventually destroyed by Morris Fishbein, president of the AMA, to protect the Giant Drug and Medical Monopolies. Some of Rife’s precious work managed to survive by being held secret in the hands of friends. You have a choice. Rife’s discoveries have finally returned and are now available using Space Age Technology. Perhaps this is the Miracle you are looking for. Call or write for more details immediately. Books, Tapes and sources of equipment available.

MAKE YOUR OWN NATURAL FLUORIDE-FREE TOOTHPASTE

To make your own toothpaste, just use a fifty/fifty ratio of coconut oil to baking soda. Start with a small batch and use a few tablespoons of each. If you like, add a few drops of an essential oil, like peppermint or spearmint, for flavour and a bit of stevia for sugar-free sweetness. After mixing your toothpaste, keep it in a glass container with a lid. Then, just spoon some out for use or just dip your dry toothbrush into it. The mixture doesn’t need to be refrigerated.
