New Leadership

• Now Donald Trump has taken office as President of the United States
• He ran on what the (bought and paid for) news media say is a populist campaign, but we all know that many politicians are liars
• So far Trump has been doing exactly what he said he would do, in my opinion
• Some people are concerned that he has appointed people who are considered insiders
• Other people say that you need people with inside knowledge to effect real change

New Leadership

• The day before the inauguration, I got an email that said that Mike Pence would take his oath on Ronald Reagan’s bible open to 2 Chronicles 7:14
"...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

–2 Chronicles 7:14
New Leadership

• I don’t know for a fact that Pence is taking his oath on a bible that is open at 2 Chronicles 7:14 or that he is using Ronald Reagan’s bible

• As we come to an understanding that these men are good and honorable men, we each have a duty before God to support them, all the way, to our last dying breath

• We should all pray for their safety, and their wisdom to do the right things
New Leadership

• Everything I am seeing is showing that Trump is doing exactly what he said he would do!
The 10 executive actions Trump has signed (so far)

BY LISA DESJARDINS  January 24, 2017 at 4:51 PM EST

President Donald Trump holds up a signed executive order to advance construction of the Dakota Access pipeline Jan. 24 at the White House in Washington, D.C. REUTERS/Kevin Lamarque.

On working day two of the Trump administration, it seems worthwhile to set aside the highwire battles over words and inauguration crowd size and look at the concrete actions President Trump has taken to launch his presidency.
On working day two of the Trump administration, it seems worthwhile to set aside the highwire battles over words and inauguration crowd size and look at the concrete actions President Trump has taken to launch his presidency.

President Trump has taken 10 executive actions since entering office. They largely fall in line with the “Contract with the American Voter” blueprint his campaign released last October, which laid out Trump’s vision for his first 100 days in office.

Here’s the list of Trump’s executive actions so far.

1. **ACA rollback.** Mr. Trump has allowed all agency heads to waive requirements of the Affordable Care Act to the “maximum extent permitted by law.”

2. **Regulation freeze.** The president has frozen all regulations now in process (but not approved) until they are approved by him or an agency after he took office. This means any regulation signed by former President Barack Obama in his final weeks in office—including some that deal with energy efficiency standards—are on hold until they’re reviewed by Trump’s administration.

3. **Abortion.** President Trump has ordered that federal dollars cannot go to organizations that provide abortion services.

4. **TPP.** This memorandum withdraws the United States from all Trans-Pacific Partnership negotiations and from signing the trade deal.

5. **Federal hiring freeze.** The president has told agencies they cannot fill any vacant positions nor open new ones, with two exceptions: military personnel and critical public safety positions.
6 + 7. **Speeding approval of Dakota Access and Keystone Oil Pipelines.** President Trump ordered that permits for the Dakota Access Pipeline be approved in an expedited manner, “including easements or rights-of-way to cross Federal areas.” (Army denial of an easement was a previous victory for pipeline opponents.) In his **Keystone memorandum**, Mr. Trump invited TransCanada to resubmit its application for a pipeline permit, and he directed the State Department to issue a final decision on that application within 60 days.

8. **Speeding up environmental reviews for all priority infrastructure.** President Trump ordered that agencies and the chairman of the White House Council on Environmental Quality work together to set up faster deadlines and environmental approval for “high priority” infrastructure projects. It gives significant power and responsibility to the White House Council on Environmental Quality chairman, who will decide within 30 days if a proposed project is “high priority.” (The president has not yet nominated a new CEQ chairman.)

9. **American steel in pipelines.** President Trump directed the Commerce Secretary to come up with a plan to ensure that all pipelines built or repaired in the United States be constructed with American-made materials “to the maximum extent possible.”

10. **Review manufacturing regulations.** In this memorandum, the president ordered the Commerce Secretary to begin a 60-day review of regulations for American manufacturers, with the aim of finding ways to speed up permitting and all federal processes for them.
Media Satanists = Lies

• Media tried to show that Trump’s inauguration crowd was very small in comparison to Obama’s
• They showed 2 images next to each other
• The image from Trump’s inauguration was taken at 0800 am
• The image from Obama’s inauguration was taken at noon
• The “main stream media” is bought and paid for by 5 conglomerates
• The way you tell they are lying is when their lips are moving!!!
Fake News

- This is more lies by the main stream media
- They are trying to divert attention from their own lies to try to put their competition (the alternative media) out of business
"We'll know our disinformation program is complete when everything the American public believes is false."

- William Casey, CIA Director

(from first staff meeting in 1981)
Executive actions

• So far Trump has done 10 executive actions
• Some of them are called Executive Orders and some are called Memorandums
• For internal government use ONLY
• They are similar to House Joint Resolutions
• A House Joint Resolution is instructions from Congress to all government employees
• Executive Orders and Memorandums are instructions for government employees
• Trump is using his executive authority is a perfectly appropriate way – Go Trump Go!!!
ACA Rollback

- Obama’s Affordable Care Act was a big lie from the beginning = Obama is a Satanist
- Obama made all sorts of representations that were outright lies
- That is how you can tell Obama is lying – his lips are moving (just like the Clintons and many other democrats)
- Just the name of the Affordable Care Act is a lie – typical of Obama and his satanist buddies
- Trump’s executive action “allowed all agency heads to waive requirements of the affordable care act to the ‘maximum extent permitted by law’”
ACA Rollback

• When the Supreme Court approved the Affordable Care Act, Roberts called it, “just another tax”

• That means it is for their Roman Cult cestui que trust / US citizen / slaves ONLY, and the proof of that is that the penalty was enforced through the tax return

• Trump’s executive action was to instruct all government agencies to use their discretionary authority to waive all requirements of the Affordable Care Act

• Trump cannot and did not override any Act of Congress
Regulation Freeze

• Trump used executive authority to freeze all government regulations now in process but not approved, until they are reviewed by him or an agency after he took office

• All regulations are instructions for government employees

• All regulations are created by the various government agencies

• This is a perfectly appropriate use of executive authority
Abortion

• Trump used his executive authority to stop all federal funds from going to organizations that provide abortions
• This is a perfectly appropriate use of executive authority
• Trump used his executive authority to withdraw from Trans Pacific Partnership trade negotiations
• This is a perfectly appropriate use of the executive authority
Federal Hiring Freeze

• Trump used his executive authority to prohibit all federal agencies from any hiring and they cannot open any new positions, except the military and critical public safety positions

• This is a perfectly appropriate use of executive authority
Dakota and Keystone Pipelines

- Trump used his executive authority to order that permits for the Dakota Access Pipeline be approved in an expedited manner “including easements or rights-of-way to cross Federal areas”
- Trump also invited Transcanada Pipelines to resubmit their application for a pipeline
- This is part of the agenda to make the USA less dependent upon middle eastern oil
- This is a perfectly appropriate use of executive authority
Speed Environmental Reviews

• Trump issued an Executive Order speeding up environmental reviews of all priority infrastructure

• This is part of Trump’s agenda to create jobs
American Steel in Pipelines

• Trump issued an Executive Order that directed the Commerce Secretary to come up with a plan to ensure that all pipelines built or repaired in the USA be constructed of American made materials “to the maximum extent possible”

• This is part of Trumps agenda to create jobs
Review Manufacturing Regulations

• Trump used his executive authority to order the Commerce Secretary to begin a 60 day review of regulations of American manufacturers with the aim of finding ways to speed up permitting and all federal processes

• This is a perfectly appropriate use of the executive authority
Immigration Control

• Trump used his executive authority to instruct officials at the borders to begin design and construction of a border wall

• Watch the Illegal Aliens – Trump is 100% correct! video
Campaign Promises

• So far Trump is moving forward with the agenda that he promised to accomplish in the campaign
• One of the things he said he would do is put the government back into the hands of the people
• That is more subtle and we will need to wait and see what happens
• “When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the Powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

• We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.” Declaration of Independence (1776)
“This law of nature, being coeval with mankind and dictated by God himself, is of course superior in obligation to any other. It is binding over all the globe in all countries, and at all times: no human laws are of any validity, if contrary to this; and such of them as are are valid derive all their force, and all their authority, mediately or immediately, from this original.” Blackstone’s Commentaries on the Laws of England (1765-1769), Section 2, page 41
“This has given manifold occasion for the benign interposition of divine Providence, which, in compassion to the frailty, the imperfection, and the blindness of human reason, hath been pleased, at sundry times and in divers manners, to discover and enforce its laws by an immediate and direct revelation.

The doctrines thus delivered we call the revealed or divine law, and they are to be found only in the holy scriptures. These precepts, when revealed, are found upon comparison to be really a part of the original law of nature, as they tend in all their consequences to man's felicity.”
Blackstone’s Commentaries

• “Upon these two foundations, the law of nature and the law of revelation, depend all human laws; that is to say, no human laws should be suffered to contradict these.”

Christian Government

• “Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.” John Adams
“All acts of the legislature apparently contrary to natural rights and justice are, in our law and must be in the nature of things, considered as void. The laws of nature are the laws of God, whose authority can be superseded by no power on earth. A legislature must not obstruct our obedience to him from whose punishments they cannot protect us. All human constitutions which contradict his (God's) laws, we are in conscience bound to disobey.” 1772, Robin v. Hardaway, 1 Jefferson 109.
Natural Law

"Every citizen & freeman is endowed with certain rights & privileges to enjoy which no written law or statute is required. These are the fundamental or natural rights, recognized among all free people." U.S. v. Morris, 125 F 322, 325.
"As general rule men have natural right to do anything which their inclinations may suggest, if it be not evil in itself, and in no way impairs the rights of others." In Re Newman (1858), 9 C. 502.
Christian Government

"When you become entitled to exercise the right of voting for public officers, let it be impressed on your mind that God commands you to choose for rulers, 'just men who will rule in the fear of God.' The preservation of [our] Government depends on the faithful discharge of this Duty; if the citizens neglect their Duty and place unprincipled men in office, the government will soon be corrupted; laws will be made, not for the public good so much as for selfish or local purposes; corrupt or incompetent men will be appointed to execute the Laws; the public revenues will be squandered on unworthy men; and the rights of the citizen will be violated or disregarded. If [our] government fails to secure public prosperity and happiness, it must be because the Citizens neglect the Divine Commands, and elect bad men to make and administer The Laws." -- Noah Webster (1758-1843) American patriot and scholar, author of the first dictionary of American English usage (1806) and the author of the 1828 edition of the dictionary that bears his name.

“We the People” Make the Law

Yick Wo v Hopkins, 118 US 356, at pg 370;
“We the People” Make the Law

But the people, as the original fountain might take away what they have delegated and entrust to whom they please. ... “We the People” Make the Law

"History is clear that the first ten amendments to the Constitution were adopted to secure certain common law rights of the people, against invasion by the Federal Government." Bell v. Hood, 71 F.Supp., 813, 816 (1947) U.S.D.C. -- So. Dist. CA.

- Affirms rights that already existed
- Natural rights are found in the Bible
- It is because we have Christian government that we are free
Natural Law = Law of the Land

• Our rights are unlimited
• Freedom of religion
• Freedom of speech
• Right to due process
• Right to property
• Right to Face Accuser
• Right to “Trial by Jury”
• Right to be free from unreasonable search and seizure
• Right to Counsel of our choice
Natural Law = Law of the Land

"...the individual may stand upon his constitutional rights as a Citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no duty to the state or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to incriminate him. He owes no such duty to the state, since he receives nothing therefrom, beyond the protection of his life, liberty, and property. His rights are such as existed by the law of the land long antecedent to the organization of the state, and can only be taken from him by due process of law, and in accordance with the Constitution. Among his rights are a refusal to incriminate himself, and the immunity of himself and his property from arrest or seizure except under (a judicial power warrant) a warrant of the law. He owes nothing to the public so long as he does not trespass upon their rights." Hale v. Henkel, 201 U.S. 43

Coward Satanists

• Currently there are many satanists in governments at all levels
• They use fraud (lies) and deception to enslave “we the people”
• They are all cowards because they are afraid to tell the truth
• The truth is that “we the people” are really the ones who hold the power
Low Intelligence LEOs

• They screen out intelligent people in the hiring process for their Law Enforcement Officers (LEOs)

False Flag Operations

• False Flag Operations have become a normal way of doing business

• There are dozens of them that the government openly admits to

• How many have they NOT told us about yet?

• False flag operations are accomplished by coward satanists

• Just like Esau gave up his birthright for a mess of pottage in the old testament
FALSE FLAG -

A HORRIFIC, STAGED EVENT - BLAMED ON A POLITICAL ENEMY AND USED AS A PRETEXT TO START A WAR OR ENACT DRACONIAN LAWS IN THE NAME OF NATIONAL SECURITY.
HOW TO SPOT A FALSE FLAG

- Immediate national news coverage
- Political agenda
- Incident inspires intense emotion
- Initial media stories conflict official story

- No one allowed to see dead bodies
- Similar drills held nearby
- Mainstream media manipulation tactics
- Federal government attention

Awaken the mind.
Satanist Leaders

• How could you tell when Obama was lying?
• His lips were moving = satanist
• How could you tell when Clinton was lying?
• His lips were moving = satanist
• The Bush’s were NOT much better
• Both parties are full of satanists (a large percentage)

©Common Law Copyright 2017
Lies = Satanism = Cowards

• When the government lies to you, it is called politics, but when you lie to the government it is called obstruction of justice
Satanist Leaders

• Obama lied about the real unemployment statistics
• Obama lied about the real economic indicators
• Obama started and funded ISIS
• Obama is responsible for the millions of refugees flooding into Europe, and America who are fleeing from the middle east by destroying all of the infrastructure there
• Generally speaking the democratic party and their supporters are the worst satanists, although that is not 100% true
Satanic Leaders = Roman Cult = Warfare

• Reagan was better than most and they tried to murder him
• Kennedy was murdered 7 days after he stated that he had to notify the people about a “plot...to enslave every man woman and child”
• I would call Kennedy a good and honorable man, but he was by no means perfect – none of us are
"There's a plot in this country to enslave every man, woman and child. Before I leave this high and noble office, I intend to expose this plot."

JFK EXPOSES RUTHLESS CONSPIRACY
THE PRESIDENT & THE PRESS SPEECH

"For we are opposed around the world by a monolithic and ruthless conspiracy that relies on covert means for expanding its sphere of influence on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations."

— John F. Kennedy
Satanic Leaders = Roman Cult = Warfare

• After Kennedy’s murder, Johnson engaged in warfare against what he considered his political enemies (hippies and blacks) on America’s streets with his War of Drugs

• Johnson also did what is known as “the Johnson amendment” to the tax code in an effort to muzzle the christian churches (his political enemies)

• George HW Bush continued the War of Drugs and also engaged in the War on Crime

• Clinton continued with the War of Drugs and the War on Crime

• George Bush Jr., continued the War of Drugs the War on Crime, and started the War on Terror

Satanic Leaders = Roman Cult = Warfare

• Obama engaged in warfare against his political enemies (Christians, preppers, patriots) with his War on Terror

• See The War on Terror is a War on You video

• The BAAL priests in the United Nations Roman Cults courts made out like the bandits they are

• Because of the Johnson Amendment, all 501(c)3 tax exempt organizations can’t say anything negative about the government

• It is interesting to note that nobody tried to kill Johnson, Nixon, Carter, Ford, Bush Sr., Bush Jr., Clinton, or Obama

Satanic Leaders = Roman Cult = Warfare

• Mark Passio is right when he says that a majority of the people of this country are practicing satanists.

• Most so-called Christian churches are effectively muzzled by the Johnson Amendment and because they cannot speak what they view to be the truth, the best they can do is speak half truths, and falsehoods – which means they are actually satanists as Mark Passio said.

• “I know thy works, and tribulation, .... and I know the blasphemy of them which say they are Jews, [or Christians] and are not, but are the synagogue of Satan.” Revelation 2:9.

Go Trump Go!

- We need to keep trump focused on bringing back the power to the people
- We need to keep Trump focused on Christian government which will protect our freedoms
- We need less secrecy (fraud and deception) and more openness and accountability in government
- We need to let Trump know that as he moves forward with this agenda, we will be behind him all the way!
- The satanists have clearly demonstrated that he is NOT working for them
