“NOTE: Under the Law-Martial, only the criminal jurisdiction of a Military Court is the recognized law. But as Article Three says, "the civil courts can continue wholly or in part as long as the civil jurisdiction does not violate the Military orders laid down by the Commander in Chief or one of his Commanders." By this means; a military venue, jurisdiction, and authority are imposed upon the occupied populace under disguise of the ordinary civil courts and officers of the occupied district or region, because the so-called civil authorities in an occupied district, or region, only act at the pleasure of a military authority.

It should also be noted here that the several State Legislatures, County Boards of Commissioners, and City Councils, are constantly legislating to please the edicts of the federal government (the occupying force) and that their legislation, in this sense, is not an exercise of State sovereignty, but instead, a compliance with edicts of the military force which occupies the several States and consequently are edicts of Martial Law Rule.”

Dyett v Turner 439 P2d 266 @ 269, 20 U2d 403 [1968] The Non-Ratification of the Fourteenth Amendment by Judge A.H. Ellett, Utah Supreme Court [emphasis added]
“The present Convention shall apply from the outset of any conflict or occupation mentioned in Article 2.

In the territory of Parties to the conflict, the application of the present Convention shall cease on the general close of military operations.

In the case of occupied territory, the application of the present Convention shall cease one year after the general close of military operations; however, the Occupying Power shall be bound, for the duration of the occupation, to the extent that such Power exercises the functions of government in such territory, by the provisions of the following Articles of the present Convention: 1 to 12, 27, 29 to 34, 47, 49, 51, 52, 53, 59, 61 to 77, 143.” Article 6, Geneva Convention Relative to the Protection of Civilians in Time of War of 1949 [emphasis added]

“Yet still it was found difficult to set bounds to ecclesiastical ingenuity; for when they were driven out of all their former holds, they devised a new method of conveyance, by which the lands were granted, not to themselves directly, but to nominal feoffees to the use of the religious houses; thus distinguishing between the possession and the use, and receiving the actual profits, while the seisin of the lands remained in the nominal feoffee, who was held by the courts of equity (then under the direction of the clergy) to be bound in conscience to account to his cestui que use for the rents and emoluments [taxes] of the estate: and it is to these inventions that our practitioners are indebted for the introduction of uses and trusts, the foundation of modern conveyancing.” Tomlins Law Dictionary 1835 edition, Volume 2 under the definition of Mortmain [emphasis added]

The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn’t technically qualify to be heard according to its own “laws”. The State therefore is indistinguishable from a criminal cartel.

5. You, Kirstjen M Neilsen, are NOTICED that, I have NEVER in my life breached the peace, you Satanist fucking bitch (no disrespect to dogs intended)!!
You, Kirstjen M. Nielsen, are NOTICED that your coward DHS/DPS PIGs, your coward Border PIGs and your various coward City PIGs, and your coward US Marshalls PIGs, and your coward Sheriff PIGs, and your coward FBI PIGs, have breached the peace hundreds of times while operating in their private capacity as revenue officers,

“All oaths must be lawful, allowed by the common law, or some statute; if they are administered by persons in a private capacity, or not duly authorized, they are coram non judice, and void; and those administering them are guilty of a high contempt, for doing it without warrant of law, and punishable by fine and imprisonment. 3 Inst. 165; 4 Inst. 278; 2 Roll. “Each person has the right to resist an unlawful arrest. In such a case, the person attempting the arrest stands in the position of a wrongdoer and may be resisted by the use of force, as in self-defense.” State v. Mobley, 240 N.C. 476, 83 S.E. 2d 100

“Similarly, a person cannot be convicted of resisting a peace officer in the execution of his duty unless the officer was acting strictly within the limits of his powers and duty. You, Kirstjen M Neilsen, are NOTICED that whenever a Judge is dealing with a statute he is no longer a Judge in his official capacity but becomes a (bought and paid for) clerk masquerading as a Judge operating in his private capacity.

"When acting to enforce a statute and its subsequent amendments to the present date, the judge of the municipal court is acting as an administrative officer and not in a judicial capacity; courts administering or enforcing statutes do not act judicially, but merely ministerially....but merely act as an extension as an agent for the involved agency -- but only in a "ministerial" and not a "discretionary capacity..." "Thompson v. Smith, 154 S.E. 579, 583; Keller v. P.E., 261 US 428; F.R.C. v. G.E., 281, U.S. 464 [emphasis added]

"It is the accepted rule, not only in state courts, but, of the federal courts as well, that when a judge is enforcing administrative law they are described as mere 'extensions of the administrative agency for superior reviewing purposes' as a ministerial clerk for an agency..." 30 Cal 596; 167 Cal 762

"...judges who become involved in enforcement of mere statutes (civil or criminal in nature and otherwise), act as mere "clerks" of the involved agency..." K.C. Davis, ADMIN. LAW, Ch. 1 (CTP. West's 1965 Ed.)

You, Kirstjen M Neilsen, are NOTICED that your (bought and paid for) Clerks masquerading as Judges (whores) cannot do anything judicial, like issue warrants, or orders and if they attempt to do so, it is a fraud and a nullity

"Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities" Burns v. Sup., Ct., SF, 140 Cal. 1

therefore it is a kangaroo court

"Void judgment is one which has no legal force or effect whatever, it is an absolute nullity, its invalidity may be asserted by any person whose rights are affected at any time and at any place and it need not be attacked directly but may be attacked collaterally whenever and wherever it is interposed.” City of Lufkin v. You, Kirstjen M Niilsen, are NOTICED that, I travel on the land of Texas and elsewhere, (which i have previously served you Satanist fucking bitches and sons of bitches, with documents stating that i am not interested in being in your criminal corporation called UNITED STATES), “A State does not owe its origin to the Government of the United States, in the highest or in any of its branches. It was in existence before it. It derives its authority from the same pure and sacred source as itself: The voluntary and deliberate choice of the people... A State is altogether exempt from the jurisdiction of the Courts of the United States, or from any other exterior authority, unless in the special instances where the general Government has power derived from the Constitution itself... p. 448 “The question to be determined is, whether this State, so respectable, and whose claim soars so high, is amenable to the jurisdiction of the Supreme Court of the United States? This question, important in itself, will depend on others, more important still; and may perhaps, be ultimately resolved into one, no less radical than this- “do the people of the United States form a NATION? “By that law the several States and Governments spread over our globe, are considered as forming a society, not a NATION.” [caps in the original.] Chisholm. Ex’r v. Georgia, 2 Dall. 419, 1 L.Ed. 440 (1794)

“Two national governments exist, one to be maintained under the Constitution, with all its restrictions, the other to be maintained by Congress outside and independently of that instrument” Dissenting opinion of Justice Marshall Harlan. Downes v. Bidwell, 182 U.S. 244 1901.
but your coward PIGs went ahead and assaulted me and kidnapped me and falsely imprisoned me and your United Nations BAAL priest whores like John McBrayde, Terry Means, Donald Cosby, Thomas Lowe, Reed O'Connor, Jeffrey Cureton, Joe Fish, Paul Stickney, Cummings, and others became their accomplices, under their satanic UNIDROIT controlled and regulated Uniform Commercial Code

"Whenever [the Uniform Commercial Code] creates a "presumption" with respect to a fact, or provides that a fact is "presumed," the trier of fact must find the existence of the fact unless and until evidence is introduced that supports a finding of its nonexistence." Uniform Commercial Code § 1-206 Presumptions [emphasis added]

“(a) In an action with respect to an instrument, the authenticity of, and authority to make, each signature on the instrument are admitted unless specifically denied in the pleadings. If the validity of a signature is denied in the pleadings, the burden of establishing validity is on the person claiming validity, but the signature is presumed to be authentic and authorized unless the action is to enforce the liability of the purported signer and the signer is dead or incompetent at the time of trial of the issue of validity of the signature.” Uniform Commercial Code § 3.308 Proof of Signatures and Status as Holder in Due Course [emphasis added]

“The following rules apply in an action on a certificated security against the issuer:
(1) Unless specifically denied in the pleadings, each signature on a security certificate or in a necessary indorsement is admitted.
(2) If the effectiveness of a signature is put in issue, the burden of establishing effectiveness is on the party claiming under the signature, but the signature is presumed to be genuine or authorized.” Uniform Commercial Code § 8.114 Evidentiary Rules Concerning Certificated Securities [emphasis added]
"But individuals, when acting as representatives of a collective group, cannot be said to be exercising their personal rights and duties, nor be entitled to their purely personal privileges. for their Roman Cult handlers

“Yet still it was found difficult to set bounds to ecclesiastical ingenuity; for when they were driven out of all their former holds, they devised a new method of conveyance, by which the lands were granted, not to themselves directly, but to nominal feoffees to the use of the religious houses; thus distinguishing between the possession and the use, and receiving the actual profits, while the seisin of the lands remained in the nominal feoffee, who was held by the courts of equity (then under the direction of the clergy) to be bound in conscience to account to his cestui que use for the rents and emoluments of the estate: and it is to these inventions that our practitioners are indebted for the introduction of uses and trusts, the foundation of modern conveyancing.” Tomlins Law Dictionary 1835 edition, Volume 2 under the definition of Mortmain

and you have instructed your (bought and paid for) whores selling their “justus” (Clerks masquerading as Judges) to presume everybody is a cestui que trust at Chapter three – Absence for Seven Years, in Sec. 252, at 31 Stat. 1230, where it says;

“SEC. 252. PRESUMPTION OF DEATH. - If any person shall leave his domicile without any known intention of changing the same, and shall not return or be heard from for seven years from the time of his so leaving, he shall be presumed to be dead, in any case wherein his death shall come in question, unless proof be made that he was alive within that time.

persecutions of me and anyone like me that you label with the “freeman on the land” status or “sovereign
citizen” or “anti-government” when we try to say we have rights, and especially in light of the fact that all of
North America west of the colonies defined by the Royal Proclamation of 1763 is under a military occupation
as defined by Hague Convention IV, the Lieber Code, and the Geneva Convention Relative to the Protection
of Civilians in a Time of War of 1949, and Texas and all of the southern states are under a military
occupation since the civil war, and California and Arizona and all of the Treaty of Hidalgo States are under

28 You, Kirstjen M. Nielsen, are NOTICED that, your Roman Cult handlers created the cestui que trust
"Yet still it was found difficult to set bounds to ecclesiastical ingenuity; for when they were driven
out of all their former holds, they devised a new method of conveyance, by which the lands were
granted, not to themselves directly, but to nominal feoffees to the use of the religious houses; thus
distinguishing between the possession and the use, and receiving the actual profits, while the seisin
of the lands remained in the nominal feoffee, who was held by the courts of equity (then under the
direction of the clergy) to be bound in conscience to account to his cestui que use for the rents and
emoluments of the estate: and it is to these inventions that our practitioners are indebted for the
introduction of uses and trusts, the foundation of modern conveyancing." Tomlins Law Dictionary
1835 edition, Volume 2 under the definition of Mortmain

"The Legal Estate to be in Cestui Que Use" Chapter Fifty-Six in Sec. 1617, at 31 Stat. 1432

and you instruct your Roman Cult BAAL priest Clerks masquerading as Judges to presume everybody is a
cestui que trust at Chapter three – Absence for Seven Years, in Sec. 252, at 31 Stat. 1230, where it says;
"SEC. 252. PRESUMPTION OF DEATH. - If any person shall leave his domicile without any known
intention of changing the same, and shall not return or be heard from for seven years from the time
of his so leaving, he shall be presumed to be dead, in any case wherein his death shall come in
question, unless proof be made that he was alive within that time.,

and it is those same Roman Cult BAAL priests masquerading as Judges who assault people with one of
their so-called contracts, all of which is quite the scam, and it is all with your approval and consent you
Satanist fucking bitch (no disrespect to dogs intended)!!
"In doing this, I shall have occasion incidentally to evince, how true it is that States and
Governments were made for man, and, at the same time, how true it is that his creatures and
servants have first deceived, next vilified, and, at last oppressed their master and maker." Chisholm v
