Republic

• The Constitution for the United States of America created a Republic

• “republic, A system of government in which the people hold sovereign power and elect representatives who exercise that power. ...

• “A republic is a government which (a) derives all of its powers directly or indirectly from the great body of the people and (b) is administered by persons holding their office during pleasure, for a limited period, or during good behavior.” Robert A. Dahl, A Preface to Democratic Theory 10 (1956).”

Republic

• “Without morals a republic cannot subsist any length of time; they therefore who are decrying the Christian religion, whose morality is so sublime and pure (and) which insures to the good eternal happiness, are undermining the solid foundation of morals, the best security for the duration of free governments.”

Charles Carroll, signer of the Declaration of Independence
Republic

• Man will ultimately be governed by God or by tyrants. *Benjamin Franklin*

• It is when people forget God that tyrants forge their chains. *Patrick Henry*
Republic

- It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not on religions, but on the Gospel of Jesus Christ. For this very reason peoples of other faiths have been afforded asylum, prosperity, and freedom of worship here. **Patrick Henry**

- Bad men cannot make good citizens. A vitiated state of morals, a corrupted public conscience are incompatible with freedom. **Patrick Henry**
• To sin by silence when they should protest makes cowards of men. **Abraham Lincoln**

• The cause of America is in a great measure the cause of all mankind. Where, some say, is the king of America? I’ll tell you, friend, He reigns above. **Thomas Paine**

• Those people who will not be governed by God will be ruled by tyrants. **William Penn**
Republic

• “That the only foundation for a useful education, in a republic, is to be laid in religion. Without this there can be no virtue, and without virtue there can be no liberty; and liberty is the object and life of all republican governments.” — Benjamin Rush (1745-1813) Founding Father & signer of the Declaration of Independence

• "The republican is the only form of government which is not eternally at open or secret war with the rights of mankind." — Thomas Jefferson, Author of the Declaration of Independence, 3rd President of the U. S.

Washington didn’t use his right to free speech to defeat the Rothschild British System. He Shot Them.
The issue today is the same as it has been throughout all history, whether man shall be allowed to govern himself or be ruled by a small elite.”

“So you’re worried that a tyrant is going to take away your guns and your liberty?”

“NO, actually I’m not.... because we have the SECOND AMENDMENT.”

Declaration of Independence

• “When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume, among the Powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

• We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.” Declaration of Independence (1776)
“This law of nature, being coeval with mankind and dictated by God himself, is of course superior in obligation to any other. It is binding over all the globe in all countries, and at all times: no human laws are of any validity, if contrary to this; and such of them as are valid derive all their force, and all their authority, mediately or immediately, from this original.” Blackstone’s Commentaries on the Laws of England (1765-1769), Section 2, page 41
“This has given manifold occasion for the benign interposition of divine Providence, which, in compassion to the frailty, the imperfection, and the blindness of human reason, hath been pleased, at sundry times and in divers manners, to discover and enforce its laws by an immediate and direct revelation.

The doctrines thus delivered we call the revealed or divine law, and they are to be found only in the holy scriptures. These precepts, when revealed, are found upon comparison to be really a part of the original law of nature, as they tend in all their consequences to man's felicity.” Blackstone’s Commentaries on the Laws of England, (1765-1769) Section 2, Page 41
Blackstone’s Commentaries

“Upon these two foundations, the law of nature and the law of revelation, depend all human laws; that is to say, no human laws should be suffered to contradict these.”

- Affirms rights that already existed
- Natural rights are found in the Bible
"...the individual may stand upon his constitutional rights as a Citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no duty to the state or to his neighbors to divulge his business, or to open his doors to an investigation, so far as it may tend to incriminate him. He owes no such duty to the state, since he receives nothing therefrom, beyond the protection of his life, liberty, and property. His rights are such as existed by the law of the land long antecedent to the organization of the state, and can only be taken from him by due process of law, and in accordance with the Constitution. Among his rights are a refusal to incriminate himself, and the immunity of himself and his property from arrest or seizure except under (a judicial power warrant) a warrant of the law. He owes nothing to the public so long as he does not trespass upon their rights." Hale v. Henkel, 201 U.S. 43

Democracy

- "Democracy is the most vile form of government. ... democracies have ever been spectacles of turbulence and contention; have ever been found incompatible with personal security or the rights of property: and have in general been as short in their lives as the have been violent in their deaths."— James Madison (1751-1836) Father of the Constitution, 4th President of the U. S.

The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn’t technically qualify to be heard according to its own "laws". How The ‘Problem-Reaction-Solution’ Paradigm Works

1. The government creates or exploits a problem then attributes blame to others.
2. The populace reacts by asking the government for protection and help to solve the problem.
3. The government offers the solution that was planned by them long before the crisis occurred.

Outcome: Rights and liberties are exchanged for the Illusion of protection and help.

“Peace can only come as a natural consequence of Universal Enlightenment.” ~ Nikola Tesla
RELIGION IS WHAT KEEPS THE POOR FROM MURDERING THE RICH.

Napoleon Bonaparte
IF THE PEOPLE DO NOT KNOW THEIR BASIC RIGHTS AND FREEDOMS,

HOW CAN THEY KNOW WHEN OR IF THEIR RIGHTS AND FREEDOMS ARE BEING INFRINGED?
When INJUSTICE becomes Law,
RESISTANCE becomes Duty.
The single greatest tool of oppression is ignorance.
When the people fear their government, there is tyranny; when the government fears the people there is liberty. — Th. Jefferson
Nothing in the world is more dangerous than sincere ignorance and conscientious stupidity.

Martin Luther King Jr.
“The greatest danger to American freedom is a government that ignores the Constitution.”

~Thomas Jefferson
None are more hopelessly enslaved than those who falsely believe they are free.

-Johann Wolfgang von Goethe
No society ever thrived because it had a large and growing class of parasites living off those who produce.

Thomas Sowell
“Any society that would give up a little liberty to gain a little security will deserve neither and lose both.”

-Benjamin Franklin
JURORS CAN SAY "NOT GUILTY" WHEN PEOPLE BREAK UNJUST LAWS
THE ONLY PEOPLE WHO ARE MAD AT YOU FOR SPEAKING THE TRUTH ARE THOSE PEOPLE WHO ARE LIVING A LIE.

KEEP SPEAKING THE TRUTH.
There are three classes of people: those who see, those who see when they are shown, those who do not see.

(Leonardo da Vinci)
Many people, especially ignorant people, want to punish you for speaking the truth, for being correct, for being you. Never apologize for being correct, or for being years ahead of your time. If you’re right and you know it, speak your mind. Speak your mind even if you are a minority of one. The truth is still the truth.

- Mohandas Gandhi
Government is not the solution to our problem. Government is the problem.

- RONALD REAGAN
"If a law is unjust a man is not only right to disobey it he is obligated to do so."

Thomas Jefferson
Natural Law

“All acts of the legislature apparently contrary to natural rights and justice are, in our law and must be in the nature of things, considered as void. The laws of nature are the laws of God, whose authority can be superseded by no power on earth. A legislature must not obstruct our obedience to him from whose punishments they cannot protect us. All human constitutions which contradict his (God's) laws, we are in conscience bound to disobey.” 1772, Robin v. Hardaway, 1 Jefferson 109.
“Men occasionally stumble over the truth, but most of them pick themselves up and hurry off as if nothing had happened.”

Winston Churchill
Injustice anywhere is a threat to justice everywhere.
Christian Government

• “Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.” John Adams
Christian Government

"When you become entitled to exercise the right of voting for public officers, let it be impressed on your mind that God commands you to choose for rulers, 'just men who will rule in the fear of God.' The preservation of our Government depends on the faithful discharge of this Duty; if the citizens neglect their Duty and place unprincipled men in office, the government will Soon be corrupted; laws will be made, not for the public good so much as for Selfish or local purposes; corrupt or incompetent men will be appointed to Execute the Laws; the public revenues will be squandered on unworthy men; and The rights of the citizen will be violated or disregarded. If our government Fails to secure public prosperity and happiness, it must be because the Citizens neglect the Divine Commands, and elect bad men to make and administer The Laws." -- Noah Webster (1758-1843) American patriot and scholar, author of the first dictionary of American English usage (1806) and the author of the 1828 edition of the dictionary that bears his name.
“All that is necessary for the triumph of evil is that good men do nothing.”

- Edmund Burke
"I have sworn upon the altar of God eternal hostility against every form of tyranny over the mind of man."

Thomas Jefferson
“Those who are skilled in combat do not become angered, those who are skilled at winning do not become afraid. Thus the wise win before the fight, while the ignorant fight to win.”

- O Sensei Ueshiba
"Courage is being scared to death... and saddling up anyway."

John Wayne

Fruits of Democracy = Satanic Leaders = Roman Cult = Warfare

• Mark Passio is right when he says that a majority of the people of this country are practicing satanists.

• Most so-called Christian churches are effectively muzzled by the Johnson Amendment and because they cannot speak what they view to be the truth, the best they can do is speak half truths, and falsehoods— which means they are actually satanists as Mark Passio said.

• “I know thy works, and tribulation, .... and I know the blasphemy of them which say they are Jews, [or Christians] and are not, but are the synagogue of Satan.” Revelation 2:9
New Leadership

• Now Donald Trump has taken office as President of the United States

• He ran on what the (bought and paid for) news media say is a populist campaign, but we all know that many politicians are liars

• So far Trump has been doing exactly what he said he would do, in my opinion

• Some people are concerned that he has appointed people who are considered insiders

• Other people say that you need people with inside knowledge to effect real change
New Leadership

• The day before the inauguration, I got an email that said that Mike Pence would take his oath on Ronald Reagan’s bible open to 2 Chronicles 7:14
"...if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

–2 Chronicles 7:14
New Leadership

• I don’t know for a fact that Pence is taking his oath on a bible that is open at 2 Chronicles 7:14 or that he is using Ronald Reagan’s bible

• As we come to an understanding that these men are good and honorable men, we each have a duty before God to support them, all the way, to our last dying breath

• We should all pray for their safety, and their wisdom to do the right things

• We should always seek good, moral people for any government position, and we should always make them know that we support them
