If you're on a jury, and the defendant is a Mason and makes the grand hailing sign, you must obey it; you must disagree with your brother jurors, if necessary, but you must be sure not to bring the Mason guilty, for that would bring disgrace upon our order. You must conceal all crimes of your brother Masons except murder and treason, and these at your own option, and should you be summoned as a witness against a brother Mason, be always sure to shield him. Prevaricate, don't tell the truth in this case, keep his secrets, forget the important points. It may be perjury to do this true, but you are keeping your obligations.” [emphasis added]**

# Satanic Masons = BAAL Priests

- **“Perjury – In municipal law perjury is defined by be willful false swearing to a material matter, when an oath has been administered by lawful authority. The violation of vows or promissory oaths taken before one who is not legally authorized to administer then, that is to say, one who is not a magistrate, does not involve the crime of perjury. Such is the technical definition of the law; but the moral sense of mankind does not assent to such a doctrine, and considers perjury, as the root of the word indicates, the doing of that which one has sworn not to do, or the omitting to do that which he has sworn to do. The old Romans seem to have taken a sensible view of the crime of perjury. Among them oaths were not often administered, and, in general, a promise made under oath had no more binding power in a court of justice than it would have had without the oath. False swearing was with them a matter of conscience, and the person who was guilty of it was responsible to the Diety alone...”** An Encyclopedia of Freemasonry, 1916 Edition, Volume II, page 555-556 [emphasis added]

## About Texas Attorney General Ken Paxton

### Attorney General Ken Paxton

Texas' 51st Attorney General, Ken Paxton, is known for his principled and uncompromising devotion to America's founding values, and as a man who has demonstrated enormous political courage throughout his service to Texas.

The son of an Air Force veteran, General Paxton is a stalwart leader with an abiding passion and deep-seated respect for our U.S. Constitution.

In his first year in office, General Paxton hit the ground running, filing eight lawsuits against the federal government to protect Texas sovereignty on environmental issues, health care, religious freedom and immigration. The lawsuit he led for a 26-state coalition stopped President Obama's illegal immigration plan in its tracks, winning in federal courts three times.

He also launched a new unit targeting human traffickers in Texas, fought for the rights of consumers against unscrupulous companies and institutions, and protected the privacy rights of Texans during the RadioShack bankruptcy hearings.

# Summary

## Judgment Day is Coming!

- **“I know thy works , and tribulation, .... and I know the blasphemy of them which say they are Jews, [christians] and are not, but are the synagogue of Satan.”**

Revelations 2:9

# Conclusion

- **"If Ye love wealth better than liberty, the tranquility of servitude, better than the animating contest of freedom, go home from us in peace. We ask not your counsel or arms. Crouch down and lick the hands which feed you. May your chains set lightly upon you, and may our posterity forget that you were ever our countrymen."** Samuel Adams, "the father of the American revolution", member of "The sons of Liberty (the group that did the Boston Tea Party)"  
Quoted from the debates of 1776

# Conclusion

- **"It behooves every man who values liberty of conscience for himself, to resist invasions of it in the case of others: or their case may, by change of circumstances, become his own"**  
Thomas Jefferson

# Conclusion

- **"When shall it be said in any country of the world, my poor are happy, neither ignorance or distress is to be found among them; my jails are empty of prisoners, my streets of beggars; the aged are not in want, the taxes not oppressive; the rational world is my friend because I am friend of its happiness. When these things can be said, then may that country boast of its constitution and government ." - Thomas Paine**

# The Watchman

- **“But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand.”** Ezekiel 33:6
