# Lieber Code Article 13

- ▣ “Military jurisdiction is of two kinds: First, that which is conferred and defined by statute; second, that which is derived from the common law of war. Military offenses under the statute law must be tried in the manner therein directed; but military offenses which do not come within the statute must be tried and punished under the common law of war. The character of the courts which exercise these jurisdictions depends upon the local laws of each particular country. In the armies of the United States the first is exercised by courts-martial, while cases which do not come within the "Rules and Articles of War," or the jurisdiction conferred by statute on courts-martial, are tried by military commissions.” Article 13, Lieber Code

# Lieber Code Article 13

- **“privateer 1. A vessel owned and operated by private persons, but authorized by a nation on certain conditions to damage the commerce of the enemy by acts of piracy. 2. A sailor on such a vessel.” Blacks Law Dictionary, 8th Edition, page 3785**

# Lieber Code Article 13

- “privateering, International law. The practice of arming privately owned merchant ships for the purpose of attacking enemy trading ships. Before the practice was outlawed, governments commissioned privateers by issuing letters of marque to their merchant fleets. Privateering was prohibited by the Declaration of Paris Concerning Naval Warfare of 1856, which has been observed by nearly all nations since that time” Blacks Law Dictionary, 8th Edition, page 3785 [emphasis added]

# LAW OF MARQUE

- **“law of marque (mahrk). A rule of reprisal allowing one who has been wronged but cannot obtain justice to take the goods of the wrongdoer found within the wronged person's precinct, in satisfaction of the wrong.” Black’s Law Dictionary, 8th Edition, page 2590**

# LETTERS OF MARQUE

- “letters of marque (mahrk). A license authorizing a private citizen to engage in reprisals against citizens or vessels of another nation. Congress has the exclusive power to grant letters of marque (U.S. Const. art. I, § 8, cl. 11), but it has not done so since the 19th century. — Also termed letters of marque and reprisal.
- “[F]ormerly it was not uncommon for a state to issue ‘letters of marque’ to one of its own subjects, who had met with a denial of justice in another state, authorizing him to redress the wrong for himself by forcible action, such as the seizure of the property of subjects of the delinquent state.” J.L. Brierly, *The Law of Nations* 321 (5th ed. 1955).” *Black’s Law Dictionary*, 8th Edition, page 2654

Jurisdiction over Federal Areas Within the States – Report of the Interdepartmental Committee for the Study of Jurisdiction over Federal Areas Within the States, Part II, A Text of the Law of Legislative Jurisdiction Submitted to the Attorney General and Transmitted to the President June 1957, page 158-165

# Privateer = International Law

• "We therefore decline to overrule the opinion of Chief Justice Marshall: We hold that the District of Columbia is not a state within Article 3 of the Constitution. In other words cases between citizens of the District and those of the states were not included of the catalogue of controversies over which the Congress could give jurisdiction to the federal courts by virtue of Article 3. In other words Congress has exclusive legislative jurisdiction over citizens of Washington District of Columbia and through their plenary power nationally covers those citizens even when in one of the several states as though the district expands for the purpose of regulating its citizens wherever they go throughout the states in union"\_ National Mutual Insurance Company of the District of Columbia v. Tidewater Transfer Company, 337 U.S. 582, 93 L.Ed. 1556 (1948)

# Privateer = International Law

- “The term “special maritime and territorial jurisdiction of the United States”, as used in this title, includes:
- (1) The high seas, any other waters within the admiralty and maritime jurisdiction of the United States and out of the jurisdiction of any particular State, and any vessel belonging in whole or in part to the United States or any citizen thereof, or to any corporation created by or under the laws of the United States, or of any State, Territory, District, or possession thereof, when such vessel is within the admiralty and maritime jurisdiction of the United States and out of the jurisdiction of any particular State.” 18 USC § 7 Special maritime and territorial jurisdiction of the United States defined (edict under martial law)

# Privateer = International Law

- “And it may embrace also the vehicles and persons engaged in carrying it on. It would be in the power of Congress to confer admiralty jurisdiction upon its courts, over the cars engaged in transporting passengers or merchandise from one State to another, and over the persons engaged in conducting them, and deny to the parties the trial by jury.” Propeller Genessee Chief et al. v. Fitzhugh et al. 12 How. 443 (U.S. 1851)

# Lieber Code Article 13

**JUDGE  
WORKS FOR THE STATE**

**PROSECUTOR  
WORKS FOR THE STATE**

**POLICE/WITNESS  
WORKS FOR THE STATE**

The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn't technically qualify to be heard according to its own "laws".  
The State therefore is indistinguishable from a criminal cartel.

# Lieber Code

- ▣ Instructions for the Government of Armies of the United States in the Field, prepared by Francis Lieber, LL.D., Originally Issued as General Orders No. 100, Adjutant General's Office, 1863, Washington 1898: Government Printing Office.

# Lieber Code Article 1

- ▣ “A place, district, or country occupied by an enemy stands, in consequence of the occupation, under the Martial Law of the invading or occupying army, whether any proclamation declaring Martial Law, or any public warning to the inhabitants, has been issued or not. Martial Law is the immediate and direct effect and consequence of occupation or conquest. The presence of a hostile army proclaims its Martial Law.” Article 1, Lieber Code [emphasis added]

# Lieber Code Article 2

- ▣ “**Martial Law does not cease during the hostile occupation, except by special proclamation, ordered by the commander in chief; or by special mention in the treaty of peace concluding the war, when the occupation of a place or territory continues beyond the conclusion of peace as one of the conditions of the same.” Article 2, Lieber Code [emphasis added]**

# Lieber Code Article 3

- ▣ “Martial Law in a hostile country consists in the suspension, by the occupying military authority, of the criminal and civil law, and of the domestic administration and government in the occupied place or territory, and in the substitution of military rule and force for the same, as well as in the dictation of general laws, as far as military necessity requires this suspension, substitution, or dictation.
- ▣ The commander of the forces may proclaim that the administration of all civil and penal law shall continue either wholly or in part, as in times of peace, unless otherwise ordered by the military authority.” Article 3  
Lieber Code

# Statute = Edicts under Martial Law

- “NOTE: Under the Law-Martial, only the criminal jurisdiction of a *Military Court* is the recognized law. But as Article Three says, “*the civil courts can continue wholly or in part as long as the civil jurisdiction does not violate the Military orders laid down by the Commander in Chief or one of his Commanders.*” By this means; a military venue, jurisdiction, and authority are imposed upon the occupied populace under disguise of the ordinary civil courts and officers of the occupied district or region, because the so-called civil authorities in an occupied district, or region, only act at the pleasure of a military authority.
- It should also be noted here that the several State Legislatures, County Boards of Commissioners, and City Councils, are constantly legislating to please the edicts of the federal government (*the occupying force*) and that their legislation, in this sense, is not an exercise of State sovereignty, but instead, a compliance with edicts of the military force which occupies the several States and consequently are edicts of *Martial Law Rule*.” Dyett v Turner 439 P2d 266 @ 269, 20 U2d 403 [1968] The Non-Ratification of the Fourteenth Amendment by Judge A.H. Ellett, Utah Supreme Court [emphasis added]

- ▣ “All wanton violence committed against persons in the invaded country, all destruction of property not commanded by the authorized officer, all robbery, all pillage or sacking, even after taking a place by main force, all rape, wounding, maiming, or killing of such inhabitants, are prohibited under the penalty of death, or such other severe punishment as may seem adequate for the gravity of the offense.
- ▣ A soldier, officer or private, in the act of committing such violence, and disobeying a superior ordering him to abstain from it, may be lawfully killed on the spot by such superior.” Article 44, Lieber Code

# Lieber Code Article 44 = Good Faith

- “(a) No evidence obtained by an officer or other person in violation of any provisions of the Constitution or laws of the State of Texas, or of the Constitution or laws of the United States of America, shall be admitted in evidence against the accused on the trial of any criminal case.
- (b) It is an exception to the provisions of Subsection (a) of this Article that the evidence was obtained by a law enforcement officer acting in objective good faith reliance upon a warrant issued by a neutral magistrate based on probable cause.”

Evidence Not to Be Used [emphasis added], [edict under martial law]

# Lieber Code Article 44 = Good Faith

- “(e)DEFENSE.—A good faith reliance on—
- (1) a court warrant or order, a grand jury subpoena, a legislative authorization, or a statutory authorization (including a request of a governmental entity under section 2703(f) of this title);

Officer D. Smith #240

Expired Registration/ Fail to Maintain Financial Responsibility/ Warrant Arrest

500 Cheek-Sparger Rd, Colleyville TX, 76034

Monday, March 18, 2019

On Monday, March 18, 2019 at approximately 0142 hours, I, Officer D. Smith #240 was conducting a business check at Capital One Bank, located at 3907 Colleyville Blvd, Colleyville TX, 76034 in my marked patrol unit, 1164.

While conducting my business check I observed a small sedan, later identified as a 2015 Toyota Corolla bearing TX Buyer Tag ( ) in the ATM drive through. I observed the Buyer Tag on vehicle to be expired with an expiration date of February 3, 2019. While in the area I observed the vehicle exit the parking lot onto the public roadway of 100 Cheek-Sparger Rd, Colleyville TX, 76034.

Upon the vehicle entering a public roadway and my prior knowledge the vehicle was displaying an expired registration tag I activated my emergency red and blue lights to initiate a traffic stop. The vehicle continued to travel eastbound on Cheek-Sparger Rd at a slow speed of about 20 mph, causing me to activate my sirens in hopes he would hear it and come to a stop. The vehicle finally yielded and came to a stop in the 500 block of Cheek-Sparger Rd. Officer K. Bruner #225 arrived on scene to assist due to the vehicle not stopping right away.

I made contact with the driver and sole occupant of the vehicle, whom refused to provide me with a driver's license and proof of insurance upon my request. The subject continued to tell me I was coercing him and it was a war crime for me to ask him for his information.

The subject was later discovered by dispatch to be identified as FEARN, Glenn Willingham (W/M DOB: ). Dispatch also provided me with a mailing address of 6340 Lake Worth Blvd, Fort Worth TX, 76135 which was linked to the above listed name. Mail correspondence was later located in the vehicle during an inventory which had the same

address listed on it. Dispatch also discovered and confirmed FEARN to have the following outstanding warrants:

Lake Worth Police Department	
Warrant #LPD1066097 No Insurance	\$555.10
Warrant #LPD1066096 Fail to Display Driver's License	\$236.60
Total Amount	\$791.70

Due to FEARN refusing to provide the requested information after being asked multiple times, and displaying the expired registration I advised him he was going to be removed from the vehicle placed in handcuffs. Upon telling FEARN he was going to be removed from the vehicle and put in handcuffs, he began to move around abruptly, which caused me to be concerned for our safety. I immediately opened the car door and grabbed FEARN'S hands and gave him instructions to not move them anymore. FEARN was then removed from the vehicle and placed in double locked handcuffs.

Upon removing FEARN from the vehicle he was extremely passive resistant. FEARN was searched incident to arrest, seat belted in the back right passenger seat of my patrol unit, and transported to the Keller Regional Jail to be booked in for Expired Registration and Fail to Maintain Financial Responsibility (454247). FEARN was also booked in for the above listed warrants.

Officer K. Bruner remained on scene and released the vehicle to B&B Wrecker Service.

End of report.
