PIG is an acronym

- Persons In Government who intend to perjure their oath – P.I.G.
- P.I.G. could also be considered a wordism
- A PIG is also a satanic ORDER taker which will be discussed later in this presentation
Jurisdiction

- "It is impossible to prove jurisdiction exists absent a substantial nexus with the state, such as voluntary subscription to license. All jurisdictional facts supporting claim that supposed jurisdiction exists must appear on the record of the court." Pipe Line v Marathon. 102 S. Ct. 3858 quoting Crowell v Benson 883 US 22
Clerks masquerading as Judges

• "...judges who become involved in enforcement of mere statutes (civil or criminal in nature and otherwise), act as mere "clerks" of the involved agency..." K.C. Davis, ADMIN. LAW, Ch. 1 (CTP. West's 1965 Ed.)

• "It is the accepted rule, not only in state courts, but, of the federal courts as well, that when a judge is enforcing administrative law they are described as mere 'extensions of the administrative agency for superior reviewing purposes' as a ministerial clerk for an agency..." 30 Cal 596; 167 Cal 762
Clerks masquerading as a Judge

• “"When acting to enforce a statute and its subsequent amendments to the present date, the judge of the municipal court is acting as an administrative officer and not in a judicial capacity; courts administering or enforcing statutes do not act judicially, but merely ministerially....but merely act as an extension as an agent for the involved agency -- but only in a “ministerial” and not a “discretionary capacity...”” Thompson v. Smith, 154 S.E. 579, 583; Keller v. P.E., 261 US 428; F.R.C. v. G.E., 281, U.S. 464 [emphasis added]
Kangaroo Courts

• “Kangaroo court. Term descriptive of a sham legal proceeding in which a person's rights are totally disregarded and in which the result is a foregone conclusion because of the bias of the court or other tribunal.” Black’s Law Dictionary, 6th Edition, page 868,

• "Ministerial officers are incompetent to receive grants of judicial power from the legislature, their acts in attempting to exercise such powers are necessarily nullities" Burns v. Sup., Ct., SF, 140 Cal. 1
Satanic Courts

- Once jurisdiction is challenged, it must be proven. Hagens v. Lavine, 415 U.S. 533, note 3.
- No sanction can be imposed absent proof of jurisdiction. Standard v. Olsen, 74 S.Ct. 768.
Satanic Courts

- "The right to adjudicate concerning the subject-matter in the given case. To constitute this there are three essentials: First, the court must have cognizance of the class of cases to which the one to be adjudicated belongs; second, the proper parties must be present; and third, the point decided upon must be in substance and effect within the issue." Reynolds v. Stockton, 140 U.S. 254, 268.
PIGs in Canada

• They regularly appoint new PIGs so they can maintain plausible deniability and get away with assaulting people, kidnapping people, and falsely imprisoning people for their handlers in the United Nations and the Vatican
PIGs in Canada

• Some of the new PIGs in Canada are:
  – A new Lieutenant Governor in Alberta
  – A new Prime Minister
  – A new federal Minister of (so-called) Justice
  – Other new Ministers for the gustapo PIGs in the federal government
Lois Mitchell, PIG
Dear Ms. Wilson-Raybould:

I am honoured that you have agreed to serve Canadians as Minister of Justice and Attorney General of Canada.
Ralph Goodall, PIG
Honorable

• “Honorable – This was the title formerly given to the degree of fellow craft.” An Encyclopedia of Freemasonry, 1916 Edition, Volume I, page 348

• These Satanist PIGs call each other “Honorable” because it is code word for them telling each other that they are all in their secret club
Round Robin

• That is why they always get a new satanist PIG order taker, so they can have plausible deniability to assault you again, and again, and again, and again, so they can generate revenue for their United Nations handlers, and their Vatican handlers

• That is why they want the guns, so then you have to rely on their Clerks masquerading as Judges, like Tilleman the Mormon PIG, and Redman the PIG, and Rooke the PIG, and Hironaka the Mormon PIG

• Then they can hold their show-trial/kangaroo court, and sell you into slavery
I have sent out hundreds of letters telling these satanist order takers that I am not a fictitious entity, and I am not interested in participating in their commerce.

The following are a small fraction of what I have sent.

Two. I have standing capacity to act as to the lawful matters herein, and further,

Three. I have personal, executive and documented knowledge of the Facts stated herein, and further,

Four. I am currently an inhabitant of the land known as Alberta, on Turtle island, and I have no firsthand knowledge of my date of birth except to say that I was given birth, at Peace River, on or about the year one thousand nine hundred and fifty seven. Any evidence anywhere about My birth is hearsay evidence and inadmissible evidence in any court because both of My parents, and the attending physician involved, are now dead and I have not had an opportunity to cross examine them in court to determine the veracity of their evidence. Having said that, I do remember growing up on the land known as Alberta, at Peace River, at Lethbridge, at Raymond, at Calgary, and many other places that I travelled to, from time to time, and I finished high school in the year one thousand nine hundred and seventy five at Raymond, and further,

  – “…statutes have been passed extending the courts of admiralty and vice-admiralty far beyond their ancient limits for depriving us the accustomed and inestimable privilege of trial by jury, in cases affecting both life and property……to supersede the course of common law and instead thereof to publish and order the use and exercise of the law martial….;

• “An illegal arrest is an assault and battery. The person so attempted to be restrained of his liberty has the same right to use force in defending himself as he would in repelling any other assault and battery.” State v. Robinson, 145 ME. 77, 72 ATL. 260

Void Judgment

Void Judgment

• “Void judgment is one which has no legal force or effect whatever, it is an absolute nullity, its invalidity may be asserted by any person whose rights are affected at any time and at any place and it need not be attacked directly but may be attacked collaterally whenever and wherever it is interposed.” City of Lufkin v. • “A void judgment is one which, from its inception, is and forever continues to be absolutely null, without legal efficacy, ineffectual to bind the parties or to support a right, of no legal force and effect whatever, and incapable of enforcement in any manner or to any degree.” Loyd v. Void Judgment - England

• A void order results from a ‘fundamental defect’ in proceedings (Upjohn LJ in *Re Pritchard (deceased)* [1963] 1 Ch 502 and Lord Denning in *Firman v Ellis* [1978] 3 WLR 1) or from a ‘without jurisdiction’/*ultra vires* act of a public body or judicial office holder (Lord Denning in *Pearlman v Governors of Harrow School* [1978] 3 WLR 736).

• A ‘without jurisdiction’/*ultra vires* act is any act which a Court did not have power to do (Lord Denning in *Firman v Ellis* [1978] QB 866).

• Similarly, if the higher Court’s order is founded on a lower Court’s void act or invalid claim then the higher Court’s decision will also be void (Lord Denning in *MacFoy v United Africa Co. Ltd.* [1961] 3 All ER).
Void Judgment - England

- a ‘void’ order or claim has no legal effect *ab initio* (from the beginning/outset) and therefore does not need to be appealed, although for convenience it may sometimes be necessary to have it set aside (Lord Denning in *MacFoy v United Africa Co. Ltd.* [1961] and *Firman v Ellis* [1978] QB 866) whereas a ‘voidable’ order or claim has legal effect unless and until it is set aside. Therefore, while a void order or claim does not have to be obeyed and can be ignored and its nullity can be relied on as a defence when necessary (*Wandsworth London Borough Council v. Winder* [1985] A.C. 461),
Void Judgment - England

- A void order does not have to be obeyed because, for example, in *Crane v Director of Public Prosecutions* [1921] 2 AC 299, it was stated that if an order is void *ab initio* (from the beginning) then there is no real order of the Court.

- A ‘without jurisdiction’/ *ultra vires* act is any act which a Court did not have power to do (Lord Denning in *Firman v Ellis* [1978] QB 866).

- Similarly, if the higher Court’s order is founded on a lower Court’s void act or invalid claim then the higher Court’s decision will also be void (Lord Denning in *MacFoy v United Africa Co. Ltd.* [1961] 3 All ER).
Void Judgment - England

- Although an appeal is not necessary to set aside a void order, if permission to appeal is requested and if out of time the Court should grant permission because time does not run because the order is void and the person affected by it has the right to have it set aside (Lord Greene in *Craig v Kanssen* [1943] KB 256).

- A void order is incurably void and all proceedings based on the invalid claim or void act are also void. Even a decision of the higher Courts (High Court, Court of Appeal and Supreme Court) will be void if the decision is founded on an invalid claim or void act, because something cannot be founded on nothing (Lord Denning in *MacFoy v United Africa Co. Ltd.* [1961] AC 152).
Void Judgment - England

• It is never too late to raise the issue of nullity and a person can ignore the void order or claim and raise it as a defence when necessary (Wandsworth London Borough Council v. Winder [1985] A.C. 461; Smurthwaite v Hannay [1894] A.C. 494; Upjohn LJ in Re Pritchard (deceased) [1963]; Lord Denning in MacFoy v United Africa Co. Ltd. [1961] AC 152)
In *Bellinger v Bellinger* [2003] UKHL 21 the House of Lords confirmed that a void act is void from the outset and no Court – not even the House of Lords (now the Supreme Court) – has jurisdiction to give legal effect to a void act no matter how unreasonable that may seem, because doing so would mean reforming the law which no Court has power to do because such power rests only with Parliament. The duty of the Court is to interpret and apply the law not reform or create it.

• “My opinion is and long has been that the mayor and aldermen of a city corporation, or the president and directors of a bank, or the president and directors of a railroad company and of other similar corporations, are the true parties that sue and are sued as trustees and representatives of the constantly changing stockholders…. A corporation, therefore, being not a natural person, but a mere creature of the mind, invisible and intangible, cannot be a citizen of a state, or of the United States, and cannot fall within the terms or the power of the above mentioned article, and can therefore neither plead nor be impleaded in the courts of the United States.” Rundle v Delaware & Raritan Canal Company 55 U.S. 80 (1852) [emphasis added]

FREEMAN-ON-THE-LAND (FOTL)

Members of the FREEMAN-ON-THE-LAND (FOTL) can present risks to officer safety. Officers are urged to exercise caution in dealing with known or suspected members of the FOTL. The FOTL is a libertarian and anti-government movement whose members believe that they are sovereign citizens and not subject to the laws of Canada. They also believe that they have the right to use force, including deadly force, in defence of their land, property, and family.

Indicators of Potential Involvement with the FOTL Movement:

- Subjects refer to themselves as Given Name of the Family Surname (e.g., John of the Family Smith).
- When writing their name, subjects use the format Given Name: Surname (e.g., John: Smith), which may be followed by “the man” (e.g., John: Smith the man).
- Subjects claim to be living as a “Son of God” or to have status as a “Son of God”.
- Subjects refer to themselves as humans or flesh and blood human beings.
- Subjects refer to Canada as a corporation or a corporate entity and may refer to driver’s licences and other forms of government identification as “corporate issued”.
- During traffic stops, subjects refer to their common law right to travel on the land, which they believe allows them to operate a vehicle for non-commercial purposes without having to register or insure the vehicle and without being licenced as a driver.
- Subjects ask to see a police officer’s “Bond Number”.
- Subjects present or reference a “Notice of Understanding and Intent and Claim of Right”, a document they believe exempts them from the authority of police and other officials and entitles them to charge fees if they are detained, questioned, or “otherwise regulated”.
- Subjects make continued use of nonsensical legal/quasi-legal jargon.

In addition, officers are asked to remain alert for the following:

- Signage and vehicle decals containing anti-government sentiments or terms used by the FOTL movement such as “Freeman”, “Sovereign”, “Think Free”, etc. and
- References to FOTL-related websites such as fml.com, freemanbca.com, thinkfree.ca, worldfreemansociety.org, or any of the various FOTL-inspired groups on Facebook.

• First the communist satanists assault you, then they kidnap you, and then they falsely imprison you and then they drag you to their bought and paid for Clerk masquerading as a Judge, with their kangaroo court. Then the communist satanists steal your property and demand excise taxes to get your property back. Then the communist satanist force you to go to see their bought and paid for shrink who will declare you insane, if you do not agree to their licenses. Then the communist satanists will call it a contract.
Satanists

“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.” John 8:44

“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers [pharmaceutical drug pushers], and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.”
Revelations 21:8

“This law of nature, being coeval with mankind and dictated by God himself, is of course superior in obligation to any other. It is binding over all the globe in all countries, and at all times: no human laws are of any validity, if contrary to this; and such of them as are valid derive all their force, and all their authority, mediately or immediately, from this original.” Blackstone’s Commentaries on the Laws of England (1765-1769) at number 41,
Natural Law

• “All acts of the legislature apparently contrary to natural rights and justice are, in our law and must be in the nature of things, considered as void. The laws of nature are the laws of God, whose authority can be superseded by no power on earth. A legislature must not obstruct our obedience to him from whose punishments they cannot protect us. All human constitutions which contradict his (God's) laws, we are in conscience bound to disobey.” 1772, Robin v. Hardaway, 1 Jefferson 109. [emphasis added]
Satanists

• “And through covetousness shall they with feigned words make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not.” 2 Peter 2:3

• “If a man be found stealing any of his brethren of the children of Israel, and maketh merchandise of him, or selleth him; then that thief shall die; and thou shalt put evil away from among you.” Deuteronomy 24:7

• Lay a proper foundation so they cannot claim ignorance.
