# Peace Officers

- In Alberta, Canada, they have “Peace Officer” written all over the uniforms of all of their Law Enforcement agents which is deceptive, because 99% of what they do has absolutely nothing to do with keeping the peace
- I have been assaulted and kidnapped numerous times by these hired thugs and the ones I was forced to deal with are in fact PIGs
- I have NEVER in my life breached the Peace but these PIGs described herein have constantly assaulted me, kidnapped me, and falsely imprisoned Me, and their judicial whore PIGs aid and abet them

# Peace Officers

- The assaults, kidnapping, and false imprisonment is NOT unique to Canada, but also happens extensively in USA, and it is because of the United Nations UNIDROIT treaty, because it is usually related to travelling in vehicles, which falls under UNIDROIT, or the de facto United Nations courts under UNIDROIT – see Corruption in the Courts 3

# P.I.G.s

- P.I.G. – Persons In Government who intend to breach the trust, and perjure their oaths

# US Attorney General

- The US Attorney General is the highest Law Enforcement Officer in the United States
- His hired thugs at the so-called border keep telling me that they do not recognize state citizens
- The Texas State Police told me that I am listed as sovereign in their system, therefore obviously Texas does recognize state citizens and sovereigns
- I didn't ask to be called a sovereign – all I said was that I am NOT a lowlife scumbag US citizen slave
- It was Eric Holder and his predecessors that criminally converted citizenship in America into the opposite of what the founders intended, with their unconstitutional 14th so-called Amendment

# US Attorney General

- The Office of the Attorney General of the United States is an unconstitutional delegation of authority as described in Corruption in the Courts 3
- Eric Holder has accused all people in America who are claiming to be sovereign, of being terrorists
- Eric Holder knows that he is the one who is the real terrorist, with his false flag operations
- **“Terrorism - *noun* – 2 A system of government that seeks to rule by intimidation.”** Funk and Wagnal’s New Practical Standard Dictionary (1946),
- I guess that makes Eric Holder the biggest PIG of all

# Conclusion

- It is my opinion, that well over 90% (probably 99% or more) of the people who work as peace officers are honest hard working people who are very patriotic, and take their oaths of office very seriously
- Many of them have not been properly trained
- Many of them are under pressure to generate revenue
- The burden is on us to educate them

# Conclusion

- A true Peace Officer is glad that there are people like me doing the things that I do because they know that their rights are disappearing too, and because of their position they cannot say anything

# Upcoming Events

- Canada Border PIGs
- Corruption in the Courts 3
- Corruption in the Courts 4
- Fire the Whores in Texas
- City of Fort Worth PIGs
- City of Grand Prairie PIGs
