US Supreme Court Case # : \_\_\_\_\_  
US Supreme Court of Law Case #: 0001-04-2008

(V-2.0)

Sworn, Subscribed, and Verified; Felony Criminal-Complaint:

Comes Now; "We the People", of the Constitutional "United States of America"; and here-under we proceed by way of our Originally-Intended and Constitutionally-Lawful Character/Status, as Component-Members of this De-Jure/Organic Body-Politic, as "Joint-Tenants in the Sovereignty" therein; and where-under each of us are proceeding in our Sovereign "Sui-Juris" and "Propria-Persona" capacity. For practical space-limitation reasons, many of us co-plaintiffs in this action, have not been named directly on our proceeding cover-page, but are named more fully on the last pages of this document. Further, and as "Law" specifically allows, literal Multitudes of Other Honorable Americans, most of whom are unknown at this time, are Joined with us in this "Action at Law", through this very same "State-Ex-Rel/Quo-Warranto" manner of proceeding; and all of whom are referenced in our cover-page above, simply as : "John and Jane Does: 1 - 300,000,000".

Here-under; All of us proceeding in this manner, are suffering from No "Legal Disabilities" or Contractual-Entanglements, which might other-wise be construed by members of this court as constituting a set of "Minimal Contacts", and which might other-wise establish a "Legal-Nexus" for us having entered into some form of a "Commercial Contract" with some Constitutionally-Lawless Private/Corporate/De-Facto Jurisdiction, and to there-by be treated as Slaves with No Constitutionally Guaranteed Rights to "Due Process of Law". That Constitutionally-Lawless Jurisdiction forms the core of the essence of the Criminal-Syndicate and Racketeering-Conspiracy, the perpetrators of which have been Named as the Accused/Defendants on the front page of this document. The corrupted federal judges and DOJ federal prosecutors complicit there-in, are routinely, knowingly, willingly, and maliciously, imposing in these manners the mindless brute-force of constitutionally-illiterate and/or criminally-complicit federal executive department personnel over us. This usurpation of jurisdiction to impose un-constitutional authority over the common honest American People, is a very significant and constantly reoccurring complaint among them/us. The breadth and depth of the negativity-of-spirit which this criminally-lawless cabal emanates in its efforts to essentially enslave the common American-People, is all similar to what has anciently been written concerning the "Babylonian Whore", as described in Biblical book of Revelation at chapters 17 and 18. And the essence of this complaint is not with-out that precise first-amendment religious significance.

But all of those concerns are more fully explained in accompanying documents named similarly as "Memorandum Explaining Artificial/De-Facto Overlay in the Government of the USA" and the "Memorandum Explaining Quo-Warranto", both of which are in accompaniment here-to. The general "Basis In Law" up-on or which we rely for this Complaint is much more fully set forth in these documents, and in the related documents linked through the web-pages set forth there-in, And at the end of this document. These works have clearly framed and substantiated the "Basis In Law" for this general "Indictment", and they have there-by Justified the general accusations set forth here-in. Even more importantly, they Justify the generally un-fashionable "Procedures" which are invoked here-by, and also the un-fashionable "Motions" which may be being made in pursuit there-of.

If some among you civil judges do not find sufficient supportive-documentation to secure your agreement with all of the conclusions of Law set-forth here-in, through the paper-work which has been sent to you in accompaniment here-with, and this factor is leaning you to oppose the remedy which we are here-by seeking from each of you; then please search the web-pages listed at the end of this document for a more comprehensive repository of such information, and/or contact we plaintiffs personally, through email, fax, or phone, so that we might "Exhaust the Pathway of Peace" with you. We will do all in our power to assist with any good-faith efforts being made by any among you, in your efforts to honestly deciding how each member of this court should Lawfully assume his or her true Constitutional-Duties to function as a full and complete "Check" on the "Balance of Power", which has clearly Shifted away from our nations "Original Constitutional Intent", and over towards the present Disastrous Centralization of Power which now exists in the federal Executive department.

Please Note further, that, we feel that you people acting as Judges of the Supreme Court of these United States of American are our "Public-Servants", and that "We the People" are your Masters

in this Master/Servant Relationship; and that here-under Each of You have “Constitutional-Duties” to Exert All Reasonable Efforts in seeking Justice by way of following traditional Anglo/American “Due Process of Law” in response to the complaints set-forth here-in. Even further; if any among you fail to either Clearly Explain to us Why we are not so entitled to this performance from you, or if any among you fail to follow precisely this narrow set of traditionally constitutionally-mandated judicial-guidelines; then we will be forced to conclude that those among you who so fail to act in this manner, are Purposefully Abusing your position in the High Public-Office which you hold, for no other purpose than “Obstructing Justice” away from that specific “Path-Way of Resolution” which is “Due” to each and every American named as co-plaintiffs here-in. There-under; we will be faced with no other alternative than to Amend this Complaint, and there-in to name those among you who so clearly Fail to so Respect Your Constitutional-Duties, as New Accused Racketeering Criminal-Syndicate Co-Conspirator Defendants.

Please Note still Further, that, we sincerely do not wish to follow that seriously confrontational course of action. But the American People have Constitutionally-Guaranteed Rights and Liberties which are Constantly being Criminally-Violated by the hoards of mindless-drones in the totally out-of-control Executive Department; and if any among you people in occupancy of the supreme judicial-offices of the civil-government of this nation so fail to act, with-out even providing us with the common courtesy of a Reasonable Explanation as to Why you are so failing to act, then we see no reasonable other alternative for the Survival of the American People from the Despotism and Tyranny which is so clearly being imposed over us, all as set forth more fully here-in, than to consider those among you who are so failing to act, to be fully complicit with the essentially treasonous group of criminal-conspirators complained of here-in.

That being said, and in the sincere hope that such ugliness will never manifest, we set forth the essence of our allegations, against the two main here-in accused criminal-syndicate racketeering bodies as follows:

\*\*\*\*\*

## **“Federal Reserve Bankers”** **Criminal-Syndicate & Felony Racketeering Conspiracy.**

This section seeks to address the very “Core of the Problem” of this entire complaint, and it is also a very large part of the essence of the conspiracy behind a number of the complaints in accompaniment here-with. The so-called “Federal Reserve Bank” will here-in after be frequently referred to, as is both fashionable and convenient, simply as “Fed”. It should be clearly noted here that this “Fed” is an entirely “Private Corporation”, owned fully by Private Persons; and that other than its present role of providing circulating currency for our national body-politic and government, it has absolutely nothing to do with our American Constitutional Federal Government. This unique situation is more fully explained in the accompanying Memorandum entitled similarly as: “Memorandum Explaining Artificial/De-Facto Overlay in the Government of the USA”.

Here-under, our legal research has lead us to the conclusion that the so-called “Internal Revenue Service”, which is here-in-after frequently referred to more simply as the “IRS”, is actually only the “Collection Department” for this “Federal Reserve Bank”, or “Fed”. Further here-under, it is best to address this general body of “Fed” Criminal-Syndicate Co-Conspirators First, so that a more comprehensive foundation may be laid for the similar Criminal-Racketeering Conspiracy which is manifest among the corrupted “IRS” agents, which are also complained of later here-in.

Although this entire “Fed” criminal-racketeering conspiracy may be documented well from any among a vast multitude of differing and honorable sources, it is perhaps best to start with the well-documented effort made by “Congressman Louis T. McFadden”, where-by he brought formal charges, which are repeated in full here, against the entire “Board of Governors of the Federal Reserve Bank” system, the “Comptroller of the Currency” and the “Secretary of United States Treasury”, all for numerous criminal acts, including but not limited to: “Conspiracy, Fraud, Un-Lawful Conversion, and Treason”. Congressman McFadden’s entrenched opposition to these Criminal Conspirators is common-knowledge; and any word-search using these key-words on the internet, will produce mountains of documentation concerning the history of Congressman McFadden’s general Indictment of the Fed.

### **Specific Complaint from Co-Plaintiff “Charles Bruce, Stewart”:**

As the direct result of policies of corruption and lawlessness implemented by the “Fed” and the “US Treasury” over the smaller and more localized banking institutions, the local Oregon and Alaska banks and court systems have become so corrupted that they have conspired with the Fed and US-Treasury to Steel Six (6) Homes from Co-Plaintiff Charles Stewart. Stewart has had a thirst for social justice since an early age, and began studying law shortly there-after. Stewart has become informed concerning how property law and constitutional law works, and here-by he came to know that most mortgages on most homes are lawless and usurious, mostly because of banking policies based on what is commonly known as “Fractional Reserve Banking”. These are criminally-lawless policies, known and fully approved by both the “Fed” and the “US Treasury”.

Here-under; Stewart became the owner of these 6 homes, one at a time; and each time Stewart sought to perfect his title to the ownership of these homes; he was rail-roaded out of his legal rights to them through the corrupted summary-judgements of the judges and their co-conspiring bankers and lawyers. This is “Theft” and “Racketeering”; but these cases are largely in the past now, and the specific local bankers, lawyers, and judges involved there-in may be named at a later date. But the Fed and the US Treasury are being named and prosecuted, now.

In a different event, at a later time, and as the direct result of these federally sponsored policies of oppression; Stewart has had his credit-rating un-justly slandered, and has there-by has been denied his “equal right” under common-law to participate in this modern “non gold and silver” but “credit/debt” based economic system. Between the approximate years of 1998 and 2000, Stewart lawfully paid of a debt which a private/corporate bank named “Bank One” alleged that Stewart owed to them. An associate of Stewart’s tendered payment for Stewart by sending directly to Bank One a negotiable instrument for the full outstanding balance of that debt. Bank One acknowledged receipt of that negotiable instrument, but refused to credit to the account, and refused to return it to Stewart; and also refused to give any explanation to Stewart for their decisions to behave in this oppressive and thieving manner. Here-under, Stewart charges “Bank One” with the Crime “Theft” and “Racketeering”. Stewart also charges the “Fed” and the “Us Treasury” with being co-conspirators there-with, in creating and perpetrating this aristocratic/elitist and criminal centralization of the issuance of credit in the hands of the criminally-conspiratorial oligarchy complained of here-in.

At another later event still, in the summer of 2005, Donald Little, of Washington State, donated a negotiable instrument in the amount of \$5000.00, to a non-profit organization controlled by Stewart. This \$5,000.00 was then deposited by Charles Stewart in-to his non-profit bank account, which was named as the “Clackamas County Court”, and which account with the private/corporate banking corporation known as “US Bank”. Stewart’s non-profit organization had been properly registered by Oregon’s Secretary of State. US Bank staff refused to credit this non-profit account for this \$5000.00, they refused to return the negotiable instrument to Stewart; and as a malicious retaliatory tactic, they closed-out the account based on the technicality that the registration of the non-profit with Oregon’s Secretary of State office had expired. No reasonable advance notice that they were considering closing

the account was given to Stewart so that he might cure this problem. Because the \$5000.00 was never credited to the non-profit account, and because the negotiable instrument was never returned to Stewart; here-under US Bank has Stolen \$5000.00 form the "Clackamas County Court" non-profit organization; which organization was under the care and protection of Charles Stewart.

Further, US Bank personnel have stated that this negotiable instrument has been placed in the care of the so-called "Federal Bureau of Investigation", aka: the "FBI", which is a sub-department of the so-called "Department of Justice", aka "DOJ".

Here-under, the "United States of America" and Co-Plaintiff Stewart accuses "US Bank", and its Co-Conspirators in the "Fed", the "US Treasury", the FBI, and in the DOJ; of Felony "Theft", "Racketeering", "Conspiracy", "Criminal-Syndicalism", and any other Crimes which the Jury may conscionably find to be in the interests of Justice, up to and including "Treason". This Nation/State and Stewart here-under further demand, as "Remedy", that the Jury in this case find these co-conspirators Guilty of each and all of these Crimes, and that the Re-Opening of the "Clackamas County Court" non-profit bank account be ordered, and that the \$5000.00 be placed back there-in, for Clackamas County Related Social-Justice uses.

## **"Internal Revenue Service" Criminal-Syndicate & Felony Racketeering Conspiracy.**

### **Frank and Karen Kowalik's Criminal-Complaint Section:**

On the approximate date of ??? Frank and Karen Kowalik were Assaulted and Kidnaped by a group of Criminal-Conspirators who were Lawlessly Masquerading as Public-Servants for the IRS, DOJ, US Marshals Office, Bureau of Prisons, and the Federal Judiciary. Frank Kowalik made numerous sincere attempts to explain to these Criminal-Conspirators why their contemplated future acts were Criminally-Lawless, but the conspirators were so filled with their lust for economic and physical power that they entirely dis-regarded all of the constitutional-duties which they were duty-bound to observe.

(Frank; Fill in more here, please.)

**Irwin Schiff:** and co-prisoners Cynthia Neun and Lawrence Cohen.;

Co-Plaintiff "Irwin Schiff" has courageously confronted the so-called "Internal Revenue Service"; aka: the "IRS". In response to that courage, the agents and minions of the private/corporate defacto federal government have un-justly rail-roaded Schiff off into Prison. Schiff has stated that he is willingly to pay all taxes that have properly been enacted into Law. But through thirty years of his research, he

has become convinced that the US "income tax" has not been enacted into any Law which can properly be applied against the average American; and that agents of the IRS are routinely acting Out-Side of their Lawful Authority by Coercing the American People into paying such income tax.

Schiff has published numerous books, maintains a number of web-pages, and has conducted seminars, all showing how the American People can Lawfully refuse to pay money to the IRS, at least when the IRS is not lawfully entitled to that money. Some of Schiff's web pages; and some pages related to his work, are here:

<http://paynoincometax.com/>; <http://www.irwinschiff.blogspot.com/>

Here-by; Schiff has shared vast amounts of his scholarly research; and he has become a true "Leader" in the movement to hold the IRS to serious accountability. Schiff's courage has been particularly shown by way of his Book entitled "The Federal Mafia". There-in, Schiff well documents how the present lawless defacto federal government, and in particular the IRS; is behaving precisely how such Murderous and Terrorizing Racketeering and Organized Crime Syndicates behave, similar to the infamous "Mafia". In fact, even though the Mafia does truly seem to be a very dangerous criminal organization, at least they basically admit what they are. When someone identifies them-selves as a member of the Mafia, everyone knows precisely what they are dealing with. But through his book, Schiff is pointing out that no one realizes the murderously criminal behavior of the private criminal syndicate which masquerades as the "Federal Government" of this nation, or as the "IRS" there-under. At least the normal Mafia is honest! The "Federal Mafia" is even more dangerous than the normal Mafia, because when the "Federal Mafia" breaks bones or murders people, they Pretend to be the "Lawful Government". Links to Schiff's "Federal Mafia" book are here: <http://www.paynoincometax.com/federalmafia.htm>

Because of this powerful outspokenness by Schiff; he has been "Targeted" through a "CoIntelPro" style of Conspiracy between corrupted defacto federal DOJ Prosecutors, IRS Agents, and Federal Judges. As the direct result of this Conspiracy, Schiff now sits in defacto prison. The primary criminal conspirator in the Assault and Kidnapping which has led to that imprisonment of Schiff, was one defacto federal judge named "Kent Dawson". A well-stated argument by Schiff showing in clear detail how Dawson Knowingly and Willfully Violated "Law", all so-as-to advance this "CoIntelPro" style of a Conspiracy, is shown on a web page here:

[http://www.paynoincometax.com/pdf/criminal\\_character\\_of\\_Judge\\_Dawson.pdf](http://www.paynoincometax.com/pdf/criminal_character_of_Judge_Dawson.pdf)

Schiff is now over 77 years old. Because of the well-documented evil rail-road job which Dawson and the remaining "Federal Mafia" Conspirators did on Schiff, Schiff now faces a maximum term of 43 years in prison and \$3.25 million in fines. Schiff's health is poor, and his present situation in Prison is causing him to get progressively worse. If Schiff dies in prison, then the charges to be brought against the corrupted defacto federal government Judge, Prosecutors, and IRS agents involved here-in, will include "Murder". They know, or should know, that they are acting lawlessly to rail-road Schiff into prison; and that because of Schiff's age and health concerns, there is a significant chance that their corrupted rail-road job may kill Schiff. Here-under; "Murder" is a logical/reasonable charge to allege against these modern American conspirators and terrorists.

Cynthia Neun, 52, was also lawlessly convicted in this fake trail, and she faces up to 50 years and \$3.3 million in fines as the direct result there-of. Lawrence Cohen, is a third co-defendant in this case, and he also faces serious prison terms. Habeas Corpus protections are here-by Demanded for all three of these honorable people.

I, Charles Stewart, here-by solemnly affirm that I am Certain that Prisoners Schiff, Neun, and Cohen are "Innocent" of the Crimes under which they have been placed in Prison; and that their Rights to "Due Process of Law" have been Violated by numerous people acting as Federal Government Officers, and includes but is not limited to the conspirators in this case of "Judge Kent Dawson", the DoJ Prosecutors, and various IRS Agents. Here-under; these three honorable and courageous Americans Deserve to be Set-Free, Immediately; and people acting as government agents or other-wise who have Conspired to coercively place them in prison are guilty of the Class A Felony Crime of "Kidnaping", among other Crimes; and this document should be viewed as a Criminal Complaint against them for those

Crimes; and after these Crimes are proven to a conscience-bound Jury through “Due Process of Law”, those Criminals should be punished accordingly.

It is here-by demanded by all co-plaintiffs here-in that this court order the release of these three people, forth-with.

### **John David Van Hove; aka: “Johnny Liberty”:**

On May 8th, 2005, John David Van Hove (a.k.a. Johnny Liberty) was colorably arrested by the U.S. Marshals on a colorable "Warrant" as issued on an indictment returned by a bamboozled and manipulated “grand jury”, in the District of Hawaii, on April 7th, 2005. John was taken into custody at the federal courthouse in Medford, Oregon, brought before a defacto U.S. Magistrate for an initial appearance and handed an indictment. At the detention hearing, the defacto prosecuting attorney argued for no conditions of release based on “flight risk”. Mark T. Odulio, Trial Attorney for the Department of Justice, flew from Washington D.C. to attend the hearing. An Assistant Federal Defender, argued heroically for his release without success.

John arrived in Honolulu, Hawaii, for arraignment on one count of attempting to interfere with administration of Internal Revenue laws (26 U.S.C. 7212(a)), three counts of willful failure to file (26 U.S.C. S 7203), and twelve counts of wire fraud (18 U.S.C. SS 1343). John plead not guilty to all charges, and acted as his own attorney. John was a significant influence in the patriot, constitutionalist and economic-freedom movement. He was confronting the criminal racketeering syndicate which controls the so-called “Internal Revenue Service”, courageously. Many of these very same revenue officers are of the exact same kind as those revenue officers from the defacto-despotic “King of England”, which were complained about in America’s “Declaration of Independence”. And the revenue they extort from the common American people, goes to the precise same “International Banking Conspiracy” source, which has been at War with America since the day of our official birth, on the 4<sup>th</sup> of July, 1776.

Here-under; Acts of War against the American People, amounting to “Treason”; are here-by alleged against all IRS and DoJ, and other Federal, State, and County Officers who participated in any way in these acts of war against this courageous sovereign member of America’s national organic body-politic.

I, Charles Bruce, Stewart; here-by solemnly affirm that I have met John David Van Hove personally, and that I am Certain that he is “Innocent” of the Crimes under which he has been placed in Prison; and that his Rights to “Due Process of Law” have been Violated by numerous people acting as Federal Government Officers, including but not limited to the Judge who signed the order to imprison him, the DoJ Prosecutors, and various IRS Agents involved in this malicious prosecution. John David Van Hove Deserves to be Set-Free, Immediately; and people acting as government agents or other-wise who have Conspired to coercively place him in prison are Guilty of the Class A Felony Crime of “Kidnaping”, among other Crimes; and this document should be viewed as a Criminal Complaint against them for those Crimes; and after these Crimes are proven to a conscience-bound Jury through “Due Process of Law”, those Criminals should be punished accordingly.

It is here-by demanded by all co-plaintiffs here-in that this court order the release, of John David Van Hove; forth-with.

## **Richard and Dotty Flowers; Jeffrey Weakley; & the other “Christian Patriot Association” Prisoners.**

Between 2003 and 2005; Richard and Dotty Flowers, Jeffrey Weakley; and various other members and/or officers of the “Christian Patriot Association”, aka: “CPA”; located in Boring Oregon, were prosecuted by the Internal Revenue Service; aka: IRS; for allegedly attempting to deprive the IRS of economic resources which were allegedly owed to it; or for crimes similar there-to.

We will attempt to more specifically delineate the crimes which were alleged against these Christian-Americans, at a later date. I, Charles Stewart; personally witnessed portions of their trial, in Portland Oregon’s Federal District Court; and I was kept in close personal contact with its developments by my close friend Jeffrey Weakley. All defendants were prosecuted in the same proceeding. I personally solemnly affirm that I know that not a single one of these people received a “Fair Trial” in this entire case. The information given to the Jury was filtered heavily to expunge issues of both fact and law which would have worked to prove the innocence of all prosecuted there-in.

The entire CPA organization was practicing what may be likened to an “alternative banking systems”. This is their Right under Constitutional American Government. In America, people have the Right to keep their Financial Transactions “Private”.

The prosecution of Jeffrey Weakley is particularly evil. Weakley was caught in the middle of a conflict between obeying the un-constitutional mandates of the IRS, or honoring his Godly Duty to protect his innocent co-members of CPA from suffering catastrophic damage at the hands of the lawless and Godless IRS. Weakley honorably chose to serve God rather than the devil-worshippers in the IRS. Here-by; Weakley was forced into being prosecuted on constitutionally-lawless charges, just as the IRS routinely beings against all courageous people who confront their illegal activities.

Jeffrey Weakley is now out of prison, after serving 2 years; but it is believed that he is currently under a form of probation, from which he should be ordered fully released. Dotty Flowers is also believed to be under probation, and similarly, she should be ordered fully released from that probation.

I, Charles Stewart; here-by solemnly affirm that I am Certain that Richard Flowers, and any other CPA member prisoners who are still in prison, are “Innocent” of the Crimes under which they have been placed in Prison; and that their Rights to “Due Process of Law” have been Violated by numerous people acting as Federal Government Officers, and including but not limited to this case’s Judge , the DoJ Prosecutors, and various IRS Agents. Here-under; these honorable and courageous Americans Deserve to be Set-Free, Immediately; and people acting as government agents or other-wise who have Conspired to coercively place them in prison are guilty of the Class A Felony Crime of “Kidnaping”, among other Crimes; and this document should be viewed as a Criminal Complaint against them for those Crimes; and after these Crimes are proven to a conscience-bound Jury through “Due Process of Law”, those Criminals should be punished accordingly.

It is here-by demanded by all co-plaintiffs here-in that this court order the release of these people, forth-with.

## **James Dalton, Bell:**

James Bell; like many co-plaintiffs mentioned here-in; is in federal prison as the direct result of quasi-court proceedings where-in constitutionally recognizable “Due Process of Law” was Not followed. Bell was prosecuted for allegedly “Stalking” some people who were acting as “Internal Revenue Agents”. The main body of evidence against Bell was the fact that he was compiling “Lists” of “IRS Agents”; with their home addresses, their license-plate numbers, phone-numbers, and other similar personal data on those lists; just like those “IRS Agents” have on most Americans. Bell’s purpose for

doing this, was his efforts to assist the multitudes of Americans who have been abused by these agents; so that these Americans would have some form of leverage to lawfully fight-back against their constitutionally-lawless Nazi police-state greed-oriented and terrorism-based revenue-collection tactics.

Bell's activities which allegedly resulted in these "crimes" were conducted in the area of Portland Oregon and Vancouver Washington. Yet Bell was taken North to the "Tacoma Federal District Court", 180 miles away from his venue-specific left-wing/libertarian support-network, for what was deceptively referred to as a "trial". Bell was there-under colorably convicted around 1996, or so; and he has lawlessly been in federal prison since then.

Here-after; Bell brought numerous civil complaints, mostly in the Portland Federal District Court, with some related appeals in the Ninth Circuit. Bell was last known to be being held captive in a Federal Prison under prisoner ID Number: 26906-086.

A more complete listing of the case numbers which Bell has been involved in, both as a defendant and as a Plaintiff; will be set forth in one or more separate documents in amendment and/or accompaniment here-to. "Portland Federal District Court" Case # 02-1052 is the primary civil case number under which Bell has thus far filed his various complaints. That primary civil complaint was very comprehensive, totaling approximately 240 pages; and although electronic copies are not presently available; paper copies of it may be presented to the Clerk of the US Supreme Court, as requested, and additional copies can be delivered to responsible parties at their request. This primary civil complaint was filed in Portland Federal District Court in 2002; and the main charge there-in was of a Civil Racketeering or "Rico" Complaint, mostly against corrupted government executive and judicial officers.

There-in Bell named a long list of defendants as corporate and/or governmental organizations; and the officers there-in, in both their public and private capacities; and also a number of individual private natural/real persons. A few of the primary defendants named there-in are: the so-called "United States Department of Justice"; Department of the Treasury, and Treasury Inspector General; Internal Revenue Commissioner and various Agents; Department of Alcohol Tobacco and Firearms, and various ATF Agents; Federal Bureau of Prisons, with various Wardens and Guards; the "Ninth Circuit Court of Appeals", Appellate Commissioner "Peter L. Shaw", various Appellate Judges; "District Courts of Tacoma and Seattle", Judges there-in of "Jack E. Tanner" and Franklin Burgess"; various Federal Prosecutors; various Federal Marshals; Federal Public Defendants; various Federal Prison Guards; Atwater United States Penitentiary; Lompoc USP and Warden; Phoenix FCI and Warden; various Vancouver Police Officers; Portland Police Bureau and Officers; Multnomah County Sheriff, Clackamas County Sheriff's Department; the City of Portland; Pierce County Sheriff; Vancouver Police Department; various Lawyers. Again; those who desire more details may contact we plaintiffs for such information; and of course many of these defendants already have copies of these documents.

This primary Civil Case # 02-1052 of Bell's, is incorporated here-in by this reference. That case has been significantly Obstructed by way of Conspiracy between Judges Anna Brown, Ancer Haggerty, and Garr M. King; in the Portland Federal District Court; and those corrupted federal judges are specifically accused of those and related Crimes here-in. In that 2002-filed case; all defendants named there-in were accused of conspiring to participate in "Civil Racketeering" Schemes. Now, in this case; each and every one of those defendants are now accused of "Criminal Racketeering"; along also with conspiracy to commit Kidnaping, Assault, Terrorism, and the numerous other Crimes named in Bells past complaints and in the header of this complaint.

I, Charles Bruce, Stewart; here-by solemnly affirm that up-on my personal knowledge, I do personally know that James Dalton, Bell; is "Innocent" of the Crime under which he has presently been placed in prison; and that he deserves to be set-free immediately; and that all of those people acting as government agents or otherwise who conspired to placed James Bell in prison are Guilty of Conspiracy to commit the Class A Felony Crime of "Kidnaping", and that they deserve to be punished accordingly.

It is here-by demanded by all co-plaintiffs here-in that this court order his release, forth-with.

**“U.S. Treasury”  
Criminal-Syndicate & Felony Racketeering Conspiracy.**

**LeRoy Michael, Schweitzer; & the “Montana Freeman”:**

Of the “Montana Freeman”, at least some are probably now out of federal prison, but many are believed to still be held there-in. The general list if these lawlessly imprisoned individuals is as follows: Ralph Edwin Clark; Richard Emmit; William Lee; Dale Martin, Jacoby; Rodney Owen, Skurdal; Daniel E, Petersen; Russell Dean, Landers; Dana Dudley, Landers; Cherlyn Marie, Peterson; Agnes Stanton; Steven Charles, Hance; Casey John; Jon Barry; James Edward, Hance; John Richard; Emmett Bryan; and LeRoy Michael, Schweitzer. Any “Freemen” who are not listed here, but who have been coerced into prison, are intended to be included here by inference; and all parties take notice to construe them as being so named here-in.

This is the “Main List” of the “Montana Freeman”; as they were originally lawlessly railroaded into federal prison in 1996. Please note that many of these men do not use their last/family names. This is due to a combination of their religious beliefs, and a terrorized fear that the defacto federal government will use data-base searches on these last/family names in efforts to establish “Legal Nexus” between these Freeman and a constitutionally-lawless defacto-federal slave jurisdiction. That defacto-federal slave jurisdiction is known in many circles as the “Admiralty Zone”, or as the “Federal Zone”, as documented in a book bearing that title as published by “Paul Andrew, Mitchell”; and of which Mitchell has graciously made available for public viewing and study under his home web-page here: <http://supremelaw.org/fedzone11/index.htm>

A partial listing of accused treasonous conspirators past or present are: Acting Federal Officers; Attorney Generals: Janet Reno; John Ashcroft; Alberto Gonzales; Judges: John C. Coughenour and James Burns; Prosecutor: “Sherry Scheel-Matteucci”; other Federal Officers and some Non-Federal Officers: James E. Seykora; Louis Freeh; George Z. Toscas; Paul G. Hatfield; Jack D. Shanstrom; Charles W. Lovel; J. Clifford Wallacxe; Proctor Hug Jr; Lou Aleksich Jr; Richard W. Anderson; W. Earl Britt; Thomas Swaim; Federal Public Defendars of Montana; State Bar of Montana; Anthony Gallagher; Mark Werner; Tim Calvin; Dennis McCave; Joseph Mazurek; John P. Conner Jr; Northwest Bank of Bute; Bruce Parker; Charles C. Maxwell; Timothy Neiter; Kevin Davis; and Nicholas C. Murnion.

Most of the above named defendants are taken from a document issued by LeRoy Schweitzer, and entitled “Writ of Quo Warranto”, as addressed to the “United States Court of Appeals for the District of Columbia Circuit”. There-in Schweitzer accuses the above-named acting Federal Officers of Acting in “conflict of interest” and “without the scope of their authority and repugnant to our Constitution of Montana, our Bible, our Declaration of Independence; our supreme Law of the Land acts of congress, thereby committing crimes of perjury upon their public oaths of office, causing damage to our Justices ...”. Therein Schweitzer listed many violations of the U.S. Codes, generally in Articles 18 and 28. Many of Schweitzer’s Title 18 allegations are specifically alleging Crimes. Here-under; all crimes alleged by Schweitzer or the other Freeman in these or any other of their filings, are all here-by included here-in by this reference. The there-in mentioned one billion dollars damages, denominated in gold and silver U.S. minted coin, is also claimed here-in. Please note that at present exchange rates, this equals approximately

ten to fifteen billion dollars as denominated in “federal-reserve note” private banker-monopoly credit-debt based commercial negotiable-instruments. This amount of money is necessary and just in order to finance a de-jure and constitutional “US Government”, once the primary supporters of the constitutionally-lawless (de-facto) government (as complained of here-in) are imprisoned or other-wise removed from their offices.

LeRoy Michael is sufficiently skilled that he can fill in these blanks much more effectively than can co-plaintiff Stewart. The entire treasonously and conspiratorially-lawless shetar/star-chamber styled summary-military prosecution of Schweitzer and his fellow Freemen was one of the most evil chapters in American history. Schweitzer and his Freemen associates had accessed commercial process in a completely lawful manner. They knew that the US Congress did not commit Treason by giving the Federal Reserve Banking System a Monopoly on the ability to circulate in this nation credit/debt negotiable-instruments as “Legal-Tender Money”. Through their studious research, like that of co-plaintiff and fellow federal prisoner “Hartford Van Dyke”; they had discovered that the “Uniform Commercial Code” (aka: “UCC”), as enacted by Congress, authorized Any American to “Lien Up” Any Public-Servant or other Person who Damages them, in their person, property, or reputation; all after such damaging person has been approached through properly formatted letters, sent in good-faith efforts to commercially settle those damage issues, and that person “Defaults” in response there-to.

When the accused damaging party so Defaults by “Failing to Respond” to these good-faith commercial attempts to communicate over the merits of the issue that the accuser has been damaged by the accused; then the accuser is legally authorized to hyper-inflate Americas larger body of credit-debt based circulating negotiable instruments, all so-as-to collect what-ever amount has been alleged as justifiable compensation in the original settlement-attempt commercial letters to the accused.

And the real power of this process came from the sovereign common-law jurisdiction which these Montana Freemen were claiming form “Justus Township”. This is very significant because the de-facto “Federal Zone” all-ways takes “Silent Judicial Notice” that common Americans are Municipal “Slaves”; because some-how, some-way, they have allegedly entered into some form of contractual or other entanglement, which allegedly gives these Americans some “Benefit”; and there-by in exchange for that supposed “Benefit”; those otherwise sovereign Americans are now lawfully supposedly presumable to be recognized as municipal “Slaves”. But through the sovereign common-law jurisdictions such as “Justus Township”, which Schweitzer and his Freemen were accessing; there was no “legal-nexus” or “minimal-contacts” through which the de-facto “Federal Zone” emergency-war-powers constitutionally-lawless evil-empire could even colorably claim jurisdiction.

When this routinely presumed “Legal Nexus” with this lawless defacto “Federal Zone” is so broken; then “Commercial Law” gains functional fluidly to provide Powerful Remedy for any American in these United States of America. Though frequently queried about this very issue; None in the de-facto evil-empire, nor their quislings; have set forth any serious arguments to deny any of these realities. Many have been approached about this very issue; and the Silence is Deafening. Yet, unfortunately for Schweitzer, his fellow Freemen, Hartford Van Dyke, and numerous other commercial-law remedy seekers; the powerful usurping de-facto private-interest-group (which co-plaintiff “Irwin Schiff” rightly refers to as the “Federal Mafia”), and the corrupted Public-Servants who are so completely intertwined there-in, do routinely respond with every bit of lawless terrorizing evil as has ever been invoked by any organization labeled as “Mafia”. At least the normal Mafia is honest enough to admit who they are and how they are operating. These “Federal Mafia” Nazis are cowards and bullies, who refuse to step into the light of day in open court proceedings, to publicly debate the routinely invoked Counter Complaints concerning the “Criminal Lawlessness” of both their general operating procedures, and their “Authority in Law” to Control the Helm of our American-National Ship of State.

Just before the Freemen were felony kidnaped by these de-facto “Federal Mafia” Nazis; and upon their default under commercial process; Schweitzer was “Liening-Up” corrupted de-facto government officers, lawyers, and bankers; for “Five Billion per whack”. It would be impossible for the “Federal Mafia” Nazis to survive this level of hyper-inflation, if it were to continue. That would de-

centralize the American economy out from under their despotic control. That process had to be stopped, if their private corporate criminal racketeering conspiracy were to continue. And so; they moved lawlessly, with anti-posse-comitatus military force; with their army of robotical mindless drones in the FBI, US Marshals Service, and related agencies; to 'once and for all time', shut down LeRoy Michael, Schweitzer; and the Montana Freeman. That 81-day stand-off almost resulted in serious blood-shed. There were numerous organized Militia people there, ready to confront the Lawless De-Facto "Federal Mafia" Nazis. But the superior fire-power of the "Federal Mafia" had just recently been demonstrated on the Branch Davidians at Waco Texas; and common-law court activists from out-side of that war-zone, notably one "Pete Stern"; wisely issued orders to the Militia personnel at the scene to "Stand Down".

Here-by; a sure blood-bath was averted, even though our common-law and militia people would have been entirely "Justified" in engaging there-in; for it is well-settled in American Constitutional-Law that Any Federal Officer who Operates Out-Side of the Constitution, has No Protections from the repercussions of his Constitutionally-Lawless Activities.

The whole proceedings in the Federal Court in Montana were especially egregious. Schweitzer and the Freeman had legitimate concerns about "making appearances" in that federal district court, because they rightly knew that the vast majority of corrupted federal judges there-in do routinely, purposefully, and maliciously, misconstrue such appearances as "Volunteering" to be treated in a constitutionally-lawless manner, as municipal "Slaves". And so, the Freeman strenuously objected to the constitutionally "Foreign Jurisdiction" being imposed over them, by refusing to so "Appear" there-in. When their rights there-to were disregarded, and proceedings attempted to continue under a "Presumption" that the Freeman had "Consented" to such proceedings, the Freeman knew that was the first and biggest battle in the entire proceeding; so they made vocal objections to that lawless conspiratorial rail-road job into that de-facto lawless foreign emergency-war-powers jurisdiction.

Corrupted Presiding "Judge Coughenour" knew that the proceedings could not continue with anyone seriously arguing "Law" in his private/de-facto court-room, and so he had his mind-controlled federal bailiff-drones grab the Freeman and pack them off into prison cells. There-after; Schweitzer was strapped to a chair in a prison cell and forced to watch the proceedings on a television; all so that the de-factos could colorably claim that he had "participated" in the proceedings, and there-by over-rule any attempts by him to appeal on those grounds. The attorneys who had been appointed for the Freeman, over their objections, did attempt to make some valid points, which actually had the potential to win the case and free the Freeman. But presiding "Judge Coughenour" was fixated on a firm rail-road job, and those attorneys were shut down firmly in legitimate arguments which they were attempting to make.

There are numerous web-pages up on the internet which explain the merits of the position of Schweitzer and the Montana Freeman. Again; much more can be added here-to by Schweitzer and/or the other Freeman.

I, Charles Stewart; here-by solemnly affirm that up-on my own personal knowledge, I do know that "LeRoy Michael, Schweitzer"; and the "Montana Freeman" are "Innocent" of the Crimes under which they have been placed in Prison; and they deserve to be set-free immediately; and that all of those people acting as government agents or otherwise who have Conspired to place them in prison are guilty of the Class A Felony Crime of "Kidnaping"; and they deserve to be punished accordingly. .

It is here-by demanded by all co-plaintiffs here-in that this court order the release of these men, forth-with.

### **Hartford Van-Dyke, and John Nolan.**

The "Trail" of Hartford Van Dyke; and his associate John Nolan; as conducted in a Portland Oregon Federal District Court, by one "Judge Robert E. Jones". To impartial observers, that event was clearly a "Sham Trail". Yet one thing was especially good. Numerous Witness to the proceedings were

in the possession of pre-formatted "Affidavit of Prejudice" documents; and many of them filled them out and noted there-in the Judge's Violations of Hartford's Constitutionally guaranteed "Rights"; as follows:

The Judge Jones :

- Forbids defendant to speak; allows only his attorney to speak (HVD did not use an attorney).
- Ignored defendant's challenge to Court's jurisdiction.
- Allowed an insufficient or defective indictment to stand.
- Disregarded defendant's challenge of the indictment.
- Argues with defendant in place of plaintiff.
- Interrupts defendant when defendant is speaking.
- Gives plaintiff more freedom to speak than defendant.
- Forbids allies of defendant to speak.
- Refuses to allow defendant to question the plaintiff.
- Overrules objections of defendant, but sustains plaintiff's objections.
- Tries to steer the discussion in a direction favorable to plaintiff.
- Suppresses discussion of relevant issues.
- Encourages discussion of irrelevant issues.
- Allows emotion more leeway than pure fact of law.
- Makes the jury leave the courtroom while arguments favorable to defendant are discussed.
- Instructs jury to judge only the facts, not the law.
- Tells the jury only those items of law that favor the plaintiff.
- Fails to tell the jury items of law that favor the defendant.
- Violation of Court Rules and Fair Trial by exclusion of evidence.
- Violation of Antitrust Acts; Plaintiff's Attorneys and Judge are members of Bar Association.
- Does not allow defendant to define words that will help witnesses to answer questions.
- Denial of witnesses.
- Stacked the jury by eliminating jurors knowledgeable about Government corruption.

I, Charles Bruce, Stewart; am certain that this above testimony is true. This written testimony was taken from a web-page, here: <http://www.apfn.net/messageboard/12-14-02/discussion.cgi.5.shtml>

A Habeas Corpus for Hartford is included here-in by this references, and its text is on the web, here: [http://users2.ev1.net/~jrkearns/memorandum\\_of\\_law.htm](http://users2.ev1.net/~jrkearns/memorandum_of_law.htm)

An example of Hartford's work is here: <http://navi.net/~rsc/banking.htm>

I, Charles Bruce, Stewart; here-by solemnly affirm that up-on my own personal knowledge, I do know Hartford Van Dyke personally, and that I am certain that both Hartford Van Dyke and John Nolan are "Innocent" of the Crimes under which they have been placed in Prison; and that their Rights to "Due Process of Law" have been Violated by both acting Judge Jones, as well as by his various co-conspirators, most of whom are acting as federal government officers; and that these two men deserve to be set-free immediately; and that all of the people acting as government agents or other-wise who have Conspired to placed these men in prison are Guilty of the Class A Felony Crime of "Kidnaping". It is here-by demanded by all co-plaintiffs here-in that this court order the release, of Van Dyke and Nolan forth-with.

## Conclusion

We the People of this Nation/State here-by reserve right to amend this complaint so that complete Justice may be administered in response to all issues relating to the general subject matter of this complaint.

At the same time as the filing of this complaint; this same group of social-justice activist co-plaintiffs are also filing numerous other similarly broad-based Quo-Warranto Criminal-Complaints in the name of and on the behalf of "We the People" of these "United States of America". And there will probably be others similar also forthcoming soon. These Complaints are mostly against the same basic group of accused corrupted executive department. This complaint will most fully be comprehended when read in conjunction with these other similar criminal racketeering and conspiracy complaints.

Of particular relevance to this complaint, is the accompanying complaint, there-in setting forth similar Treasonous Conspiracy charges against the same basic cabal of high office holders in the Bush administration, for complicity and/or active assistance in the Mass Murder of over 3000 Americans on the 11th of September, 2001; where the World Trade Towers were Destroyed in New York, and other related murders were committed in other states, on that same day, or there-after. That event is directly related to this complaint, because that Mass Murder was Engineered by high members of the Bush administration, for the Specific Purpose of Terrorizing the American People onto Supporting the Lawless War against the People of Iraq, and the Lawless “War on Terrorism” domestically, all of which costs vast amounts of money, and which serves no other purpose than the economic enslavement of the common American People, to the very “Fed” banker criminal racketeering conspiracy, all as generally complained of in this document.
