Crypto Currencies

- Most (not all) crypto currencies are outside of bankster control
- The blockchain is a trustless system
- Most (not all) crypto currencies are impossible to counterfeit
- Most (not all) crypto currencies circumvent the Bankster Thieves

- Quit dealing with the bankster thieves
- Quit financing your own destruction

Plan 1

- Keep as little money in the bank as possible
- I keep $< \$100$
- If I need to make a payment for more, then I deposit enough to make the payment
- Sometimes I make the payment through Paypal which shows up in my bank account as a preliminary transaction and putting my account into a negative balance
- I am buying crypto currencies

What Should Your Crypto Coin Portfolio Look Like?

Weekly Bitcoin/Altcoin News Reports,
Daily Memes, Current Events,
Buying/Selling Crypto, Wallet Setup, and
much more

This post is for the newer individuals out that are getting into cryptocurrency. Below are my recommendations on what your crypto-coin portfolio should look like. Keep in mind that this is just my opinion and you research anything before buying it.

Real ID

- The US Congress PIGs are busy compelling everybody into their Real ID scam
- The purpose is to fabricate evidence of their cestui que trust slave, so their British Accredited Regency (BAR) member whores can assault you with one of their so-called contracts
- Write letters to the US Congress PIGs demanding the repeal of their Real ID scam

Plan 2

- Use alternative credentials, like NSEA.US or katmanwon@gmail.com
- Tom at NSEA.US told me that slaves use ID and “we the people” use credentials
- Katman sent me a postal money order and I took it to the post office and the Post Office cashed it with Katman’s Credentials
- If you have any “Real ID” NEVER produce it!
- NEVER give evidence against yourself. A Date of Birth is hearsay.

Homeless People

- The cities are going to break down into chaos
- Many people are already homeless
- Homeless people do not have the ability to fight the banksters

Bankster Thieves

- **"They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two would figure it out, we have in our arsenal plausible deniability. After all this is the only logical way to fund government by floating liens and debt to the registrants in the form of benefits and privileges. This will inevitably reap to us huge profits beyond our wildest expectations and leave every American a contributor to this fraud which we will call "Social Insurance." Without realizing it, every American will insure us for any loss we may incur and in this manner every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and we will employ the high office of the President of our dummy corporation to foment this plot against America." - Colonel Edward Mandell House in a private meeting with Woodrow Wilson [President 1913-1921]**

Bankers Manifesto of 1934

- Capital must protect itself in every way, through combination and through legislation. Debts must be collected and loans and mortgages foreclosed as soon as possible. When through a process of law, the common people have lost their homes; they will be more tractable and more easily governed by the strong arm of the law applied by the central power of wealth, under control of leading financiers. People without homes will not quarrel with their leaders. This is well known among our principle men now engaged in forming an IMPERIALISM of capital to govern the world. By dividing the people we can get them to expend their energies in fighting over questions of no importance to us except as teachers of the common herd. Thus by discrete action we can secure for ourselves what has been generally planned and successfully accomplished.

Bankster Thieves

- **"I believe that banking institutions are more dangerous to our liberties than standing armies . . . If the American people ever allow private banks to control the issue of their currency, first by inflation, then by deflation, the banks & corporations that will grow up around [the banks] . . . will deprive the people of all property until their children wake-up homeless on the continent their fathers conquered . . . The issuing power should be taken from the banks & restored to the people, to whom it properly belongs". – Thomas Jefferson - the Debate Over the Recharter of the Bank Bill**

Bankster Thieves

- **“If all bank loans were paid, no one would have a bank deposit and there would not be a dollar of currency or coin in circulation. This is a staggering thought. We are completely dependent on the commercial banks. Someone has to borrow every dollar we have into circulation, cash or credit. If the banks create ample synthetic money, we are prosperous; if not, we starve. We are absolutely without a permanent monetary system. When one gets a complete grasp upon the picture, the tragic absurdity of our hopeless position is almost incredible – but there it is. It (the banking problem) is the most important subject intelligent persons can investigate and reflect upon. It is so important that our present civilization may collapse unless it is widely understood and the defects remedied very soon.” Robert H. Hemphill, Credit Manager of the Federal Reserve Bank of Atlanta (for 8 years)**

Bankster Thieves

- The American Revolution was primarily fought over King George the Third's Currency Act
- **“The refusal of King George the Third to allow the colonies to operate an honest money system which freed the ordinary man from the clutches of the money manipulators was probably the prime cause of the revolution” Benjamin Franklin**

Bankster Thieves

- **“[Very] soon every American will be required to register their biological property in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology we can compel people to submit to our agenda which will affect our security as a charge-back for our fiat paper currency.**
- **Every American will be forced to register or suffer not being able to work and earn a living. They will be our chattel and we will hold the security interest over them forever by operation of the law merchant under the scheme of secured transactions.**
- **Americans, by unknowingly or unwittingly delivering the bills of lading to us, will be rendered bankrupt and insolvent, forever to remain economic slaves through taxation secured by their pledges. - Colonel Edward Mandell House in a private meeting with Woodrow Wilson [President 1913-1921]**

Bankster Thieves

- **"I am a most unhappy man. I have unwittingly ruined my country. A great industrial nation is controlled by its system of credit... The growth of the nation, therefore, and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated governments in the civilized world... a government by the opinion and duress of a small group of dominant men."**

Woodrow Wilson [President 1913-1921] after he passed the Federal Reserve Act which instituted the Fractional Reserve System in the United States.

Plan 3

- Use solar or alternative energy so you are NOT connected to the utility companies
- If you are paying property taxes, then you do NOT own the land
- Have a plan to go to your land on short notice, if needed
