Presstitutes At Work

Paul Craig Roberts

This morning I was stuck in front of a Fox “News” broadcast for a short period and then with a NPR news program. It was enough to convince me that Nazi propaganda during Hitler’s Third Reich was very mild compared to the constant stream of dangerous lies that are pumped out constantly by the American media.

The New York Times, Washington Post, and a couple of think-tank types were represented on NPR. They delivered the most crude propaganda imaginable and questioned no US government statement.

Did you know that all the trouble in Syria is due to the Russians and Assad? The US has no blame whatsoever. The US is trying to fight ISIS (which the US created, aids and abets), but the evil Russians and Assad are fighting the innocent “democratic rebels” who are trying to bring democracy to Syria as a replacement for a “brutal dictator” (elected by a large majority vote). The Russians are also bombing schools and hospitals, “collateral damage” when the US does it but war crimes when the Russians are accused of doing it. The accusers had no evidence for their accusations against Russia beyond the unverified claims of the US government. Despite nonexistent Iraqi “weapons of mass destruction,” nonexistent Iranian nukes, and nonexistent use of chemical weapons by Assad

- "You can't believe a word the American media says. If they say anything correct, it's just an accident." - Paul Craig Roberts
- "A cynical, mercenary, demagogic press will produce in time a people as base as itself." - Joseph Pulitzer
"Next the statesmen will invent cheap lies, putting the blame upon the nation that is attacked, and every man will be glad of those conscience-soothing falsities, and will diligently study them, and refuse to examine any refutations of them; and thus he will by and by convince himself that the war is just, and will thank God for the better sleep he enjoys after this process of grotesque self-deception." Mark Twain
The Mysterious Stranger 1916.
Presstitutes

- "In the United States, both the Republican and Democratic Parties, with only a few prominent exceptions, have been and are in the pay of the corporate media and communication giants." John Nichols and Robert McChesney

- "The press is our chief ideological weapon" Nikita Khrushchev
Presstitutes

- "Media manipulation in the U.S. today is more efficient than it was in Nazi Germany, because here we have the pretense that we are getting all the information we want. That misconception prevents people from even looking for the truth." - Mark Crispin Miller
"Do not fear the enemy, for your enemy can only take your life. It is far better that you fear the media, for they will steal your HONOR. That awful power, the public opinion of a nation, is created in America by a horde of ignorant, self-complacent simpletons who failed at ditching and shoemaking and fetched up in journalism on their way to the poorhouse." --Mark Twain.
Presstitutes

"The media want to maintain their intimate relation to state power. They want to get leaks, they want to get invited to the press conferences. They want to rub shoulders with the Secretary of State, all that kind of business. To do that, you've got to play the game, and playing the game means telling their lies, serving as their disinformation apparatus." - Noam Chomsky
Presstitutes

- "There are laws to protect the freedom of the press's speech, but none that are worth anything to protect the people from the press." Mark Twain
- "Whoever controls the media, controls the mind." Jim Morrison
Presstitutes

"The business of the journalists is to destroy the truth, to lie outright, to pervert, to vilify, to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it, and what folly is this toasting an independent press? We are the tools and vassals of rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes." THE NEW YORK TIMES ADMITS THAT VIRTUALLY EVERY MAJOR NEWS ORGANIZATION ALLOWS THE NEWS TO BE CENSORED BY GOVERNMENT OFFICIALS

SOURCE: MICHAEL SNYDER, BLN CONTRIBUTING WRITER

In one of the most shocking articles that the New York Times has ever put out, a New York Times reporter has openly admitted that virtually every major mainstream news organization allows government bureaucrats and campaign officials to censor their stories.

For example, almost every major news organization in the country has agreed to submit virtually all quotes from anyone involved in the Obama campaign or the Romney campaign to gatekeepers for “quote approval” before they will be published. If the gatekeeper in the Obama campaign does not want a certain quote to get out, the American people will not see it, and the same thing applies to the Romney campaign. The goal is to keep the campaigns as “on message” as possible and to avoid gaffes at all cost. But this kind of thing is not just happening with political campaigns. According to the New York Times, “quote approval” has become “commonplace throughout Washington.” In other words, if you see a quote in the newspaper from someone in the federal government then it is safe to say that a gatekeeper has almost certainly reviewed that quote and has approved it. This is another sign that “the free and independent media” in this country is a joke. What we get from the mainstream media is a very highly filtered form of propaganda, and that is one reason why Americans are tuning away from the mainstream media in droves. People want the truth, and more Americans than ever realize that they are not getting it from the mainstream media.

The following quote comes from the recent article in the New York Times mentioned above and it is absolutely jaw dropping:

The quotations come back redacted, stripped of colorful metaphors, colloquial language and anything even mildly provocative.

They are sent by e-mail from the Obama headquarters in Chicago to reporters who have interviewed campaign officials under one major condition: the press office has veto power over what statements can be quoted and attributed by name.

Most reporters, desperate to pick the brains of the president’s top strategists, grudgingly agree. After the interviews, they review their notes, check their tape recorders and send in the juiciest sound bites for review.

The verdict from the campaign — an operation that prides itself on staying consistently on script — is often no, Barack Obama does not approve this message.

This is an article that everyone needs to read. If you have not read it yet, you can find it right here.

What all of this means is that both the Obama campaign and the Romney campaign essentially have “veto power” over any quotes from those campaigns that we see in the newspapers.

According to the New York Times, virtually every major news organization has agreed to submit their quotes for “quote approval”:

It was difficult to find a news outlet that had not agreed to quote approval, albeit reluctantly. Organizations like Bloomberg, The Washington Post, Vanity Fair, Reuters and The New York Times have all consented to interviews under such terms.

Please keep in mind that the list above is not exhaustive. It only contains a sampling of the companies that those six corporate giants own.

So are you starting to get an idea of how powerful they are?

If you ever wondered why the version of “the news” that you get is so similar no matter where you turn, it is because control of the news is concentrated in just a very few hands.

So who controls the “big six” media corporations?

Would it surprise you to know that the boards of directors of those big media corporations have a tremendous amount of overlap with the boards of directors of large banks, large oil companies and large pharmaceutical companies?

The following is from the Fairness & Accuracy in Reporting website....

Media corporations share members of the board of directors with a variety of other large corporations, including banks, investment companies, oil companies, health care and pharmaceutical companies and technology companies.

You can find a list that shows how these boards of directors overlap and interlock right here.

The giant media corporations are not going to criticize the establishment because they are the establishment.

The messages that these media behemoths pound into our heads are going to be the messages that the establishment wants pounded into our heads.

Anyone that believes that the mainstream media is “independent” and that it does not have “an agenda” is being delusional.

Of course it is also worth mentioning that much of what we get from the mainstream media is also often directly controlled by the federal government.

Former Washington Post reporter Carl Bernstein (of Woodward and Bernstein fame) has discovered that hundreds of American journalists have worked directly for the CIA.

Not that the federal government and the establishment are opposed to one another. The truth is that they very much work together hand in hand. But sometimes the federal government has slightly different priorities than the corporate establishment does.

In any event, the key point to take away from all this is that the news and entertainment that we all enjoy on a daily basis if very highly censored and very highly controlled.

It is imperative that we understand that those that own and control the media are trying to shape society in a certain way. They want to impose their values and their vision of the future on all the rest of us.

You will notice that none of the major news organizations speak out against the “Big Brother” police state control grid that is going in all around us.

Instead, they insist that all of this added “security” will keep us safe even as our liberties and freedoms are being badly eroded.

You will notice that none of the major news organizations speak out against the population control agenda of the global elite.

Instead, they insist that more “family planning” will help the environment and make the world a more prosperous place for all of us.

You will notice that none of the major news organizations speak out against the Federal Reserve and none of them are warning us about the financial collapse that is rapidly approaching.

Instead, they tell us to keep having faith in the system and they promise us that everything is going to be okay.

Well, you can mindlessly believe the corporate media if you want, but I believe that in this day and age it is absolutely imperative that we all learn to think for ourselves.

Don’t be a mindless robot for anyone.

Think for yourself and make your own decisions.

The truth is out there and you can find it if you are willing to go search for it.
1. Abolition of private property and the application of all rents of land to public purposes.

2. A heavy progressive or graduated income tax.

3. Abolition of all rights of inheritance.

4. Confiscation of the property of all emigrants and rebels. “proceeds of crime” seizures

5. Centralization of credit in the hands of the state, by means of a national bank with State capital and an exclusive monopoly.

6. Centralization of the means of communications and transportation in the hands of the State.
10 Planks of the Communist Manifesto

7. Extension of factories and instruments of production owned by the state, the bringing into cultivation of waste lands, and the improvement of the soil generally in accordance with a common plan.

8. Equal liability of all to labor. Establishment of industrial armies, especially for agriculture.

9. Combination of agriculture with manufacturing industries, gradual abolition of the distinction between town and country, by a more equitable distribution of population over the country.

Our minds are constantly being invaded by legions of half-truths, prejudices, and false facts. One of the great needs of mankind is to be lifted above the morass of false propaganda.

42 ADMITTED False Flag Attacks

Posted on February 9, 2015 by WashingtonsBlog

FALSE FLAG -

A HORRIFIC, STAGED EVENT - BLAMED ON A POLITICAL ENEMY AND USED AS A PRETEXT TO START A WAR OR ENACT DRACONIAN LAWS IN THE NAME OF NATIONAL SECURITY.
False Flags

- All False Flag Operations need willing accomplices in the news media
(30) Although the FBI now admits that the 2001 anthrax attacks were carried out by one or more U.S. government scientists, a senior FBI official says that the FBI was actually told to blame the Anthrax attacks on Al Qaeda by White House officials (remember what the anthrax letters looked like). Government officials also confirm that the white House tried to link the anthrax to Iraq as a justification for regime change in that country.

(31) Similarly, the U.S. falsely blamed Iraq for playing a role in the 9/11 attacks – as shown by a memo from the defense secretary – as one of the main justifications for launching the Iraq war. Even after the 9/11 Commission admitted that there was no connection, Dick Cheney said that the evidence is “overwhelming” that al Qaeda had a relationship with Saddam Hussein’s regime, that Cheney “probably” had information unavailable to the Commission, and that the media was not ‘doing their homework’ in reporting such ties. Top U.S. government officials now admit that the Iraq war was really launched for oil ... not 9/11 or weapons of mass destruction (despite previous “lone wolf” claims, many U.S. government officials now say that 9/11 was state-sponsored terror; but Iraq was not the state which backed the hijackers).

(32) Former Department of Justice lawyer John Yoo suggested in 2005 that the US should go on the offensive against al-Qaeda, having “our intelligence agencies create a false terrorist organization. It could have its own websites, recruitment centers, training camps, and fundraising operations. It could launch fake terrorist operations and claim credit for real terrorist strikes, helping to sow confusion within al-Qaeda’s ranks, causing operatives to doubt others’ identities and to question the validity of communications.”
(33) United Press International reported in June 2005:

U.S. intelligence officers are reporting that some of the insurgents in Iraq are using recent-model Beretta 92 pistols, but the pistols seem to have had their serial numbers erased. The numbers do not appear to have been physically removed; the pistols seem to have come off a production line without any serial numbers. Analysts suggest the lack of serial numbers indicates that the weapons were intended for intelligence operations or terrorist cells with substantial government backing. Analysts speculate that these guns are probably from either Mossad or the CIA. Analysts speculate that agent provocateurs may be using the untraceable weapons even as U.S. authorities use insurgent attacks against civilians as evidence of the illegitimacy of the resistance.

(34) Undercover Israeli soldiers admitted in 2005 to throwing stones at other Israeli soldiers so they could blame it on Palestinians, as an excuse to crack down on peaceful protests by the Palestinians.

(35) Quebec police admitted that, in 2007, thugs carrying rocks to a peaceful protest were actually undercover Quebec police officers (and see this).

(36) At the G20 protests in London in 2009, a British member of parliament saw plain clothes police officers attempting to incite the crowd to violence.

(37) Egyptian politicians admitted (and see this) that government employees looted priceless museum artifacts in 2011 to try to discredit the protesters.

(38) A Colombian army colonel has admitted that his unit murdered 57 civilians, then dressed them in uniforms and claimed they were rebels killed in combat.
(39) The highly-respected writer for the Telegraph Ambrose Evans-Pritchard says that the head of Saudi intelligence – Prince Bandar – recently admitted that the Saudi government controls “Chechen” terrorists.

(40) High-level American sources admitted that the Turkish government – a fellow NATO country – carried out the chemical weapons attacks blamed on the Syrian government; and high-ranking Turkish government admitted on tape plans to carry out attacks and blame it on the Syrian government.

(41) The former Ukrainian security chief admits that the sniper attacks which started the Ukrainian coup were carried out in order to frame others.

(42) Britain’s spy agency has admitted (and see this) that it carries out “digital false flag” attacks on targets, framing people by writing offensive or unlawful material ... and blaming it on the target.

In addition, two-thirds of the City of Rome burned down in a huge fire on July 19, 64 A.D. The Roman people blamed the Emperor Nero for starting the fire. Some top Roman leaders – including the Roman consul Cassius Dio, as well as historians like Suetonius – agreed that Nero started the fire (based largely on the fact that the Roman Senate had just rejected Nero’s application to clear 300 acres in Rome so that he could build a palatial complex, and that the fire allowed him to build his complex). Regardless of who actually started the fire, Nero – in the face of public opinion accusing him of arson – falsely blamed the Christians for starting the fire. He then rounded up and brutally tortured and murdered scores of Christians for something they likely didn’t do.

We didn’t include this in the list above, because – if Nero did start the fire on purpose – he did it for his own reasons (to build his palatial complex), and not for geopolitical reasons benefiting his nation.
Digital False Flag Operations

- If they are putting offensive and unlawful material on the internet to frame people, what about;
- Bank account security breaches
- IRS security breaches
- Other government security breaches
- It seems like every day they are blaming North Korea, or China, or Iran for some government security breach
Next they will be forcing you to send your sons and daughters to some foreign country to participate in a mass murder of their foreign counterparts as part of a satanic blood sacrifice to Molech.
Fraud = Lies = Satanism

“Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.” John 8:44

“But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers [pharmaceutical drug pushers], and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.” Revelation 21:8

Political language is designed to make Lies sound Truthful and Murder respectable.

“And it shall come to pass in that day, that the LORD shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. Fascism in power is the open, terroristic dictatorship of the most reactionary, the most chauvinistic, the most imperialistic elements of finance capitalism.
Fascism should more appropriately be called Corporatism because it is a merger of state and corporate power.

(Benito Mussolini)
Mussolini defined Fascism as "the union of state and corporate power."

Using that definition, can we claim that North America is anything but fascist?
