- They are requiring government issued identification to deposit cash into a bank account
- The PIGs steal your property and require government ID to get it back
- With the hearsay information in the government issued ID they can pull up their cestui que trust in their hearsay database
- If you fail to provide the hearsay evidence, it is inadmissible in a court of law

Trolls

- Many trolls have expressed their displeasure at my outrage over this matter
- Let me say that when they get guillotined by these satanists, I will be very careful NOT to express my outrage

- All IDs are full of hearsay evidence, and unless you introduce hearsay evidence, it is inadmissible in a court of law
- A name is hearsay, a date of birth is hearsay, an address is hearsay, an image is hearsay
- Government issued ID establishes the US citizen or the resident alien
- There is no law that says that anybody is required to get a Social Security Number
- A US citizen is required to get a Social Security Number pursuant to their regulations 26 CFR §§ 301.6109 therefore a Social Security Number is a number for a cestui que trust

Choices

- Use ID made by katmanwon@gmail.com
- Use Credentials made by NSEA.US
- Use Something that does not have a date of birth
- A date of birth is hearsay and it is none of their business
- The PIGs need YOU to introduce hearsay evidence into their (so-called) court case or it is inadmissible
- Do NOT under any circumstances provide a date of birth because they can use that in their hearsay database to pull up their slave and assault you with it

Choices - Vehicles

- Buy a new vehicle (with cash) in a state other than where you live and have them send you the MCO (Manufacturers Certificate of Origin)
- That vehicle will NOT be in any of their hearsay computer databases
- You CANNOT Register the vehicle
- If you are driving a registered vehicle they can presume you are one of the slaves under the Federal Tax Lien Act of 1966
- If it has ever been registered, they can pull it up in their hearsay database

PROSECUTOR

POLICE/WITNESS

WORKS FOR THE STATE

The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn't technically qualify to be heard according to its own "laws".
The State therefore is indistinguishable from a criminal cartel.

The tyrant, who in order to hold his power, suppresses every superiority, does away with good men, forbids education and light, controls every movement of the citizens and, keeping them under a perpetual servitude, wants them to grow accustomed to baseness and cowardice, has his spies everywhere to listen to what is said in the meetings, and spreads dissension and calumny among the citizens and impoverishes them, is obliged to make war in order to keep his subjects occupied and impose on them permanent need of a chief.

Aristotle

"When plunder becomes a way of life for a group of men in a society, over the course of time they create for themselves a legal system that authorizes it and a moral code that glorifies it."

~Frédéric Bastiat

"If you want total security, go to prison. There you're fed, clothed, given medical care and so on. The only thing lacking... is freedom."
