- Many people say a lot of things
- When more than 1 person (that are unrelated to each other) talks about similar things then that adds credibility
- If many people (that are unrelated to each other) are saying the same things it becomes more credible

## Tribulation begins 9/23/17 – Ends NO LATER THAN 9/23/24

<https://www.youtube.com/watch?v=SW56mqYNwFU> Beginning of sorrows much? Dr. Albers is heading toward her 700<sup>th</sup> article, reporting on the earth changes that are happening, and giving her analysis as a physicist. This one, #660, is describing the cracks that are appearing all over the earth. This is only one of the signs of the 'beginning of sorrows' – and we all need to face up to the times we're living in. 

**STAR SIGN OF REVELATION 12:** There was a star sign for the first coming of Christ and there has been one for the Second Coming as well.

Those who study the stars that pointed to the First Coming could see the sign. They made preparations to visit the One who is the Object of the First Coming. It took time to prepare and make the journey. The Star Sign was not for an instant happening, but to point the way to a more distant event, that people could prepare for.

So it is with the Rev. 12 star sign. That is the signal to us that Jesus is coming again, and that within 7 years from the date the star sign of Rev. 12 revealed we would expect the Second Coming of Christ. This is not astrology or hocus pocus or divination. The Bible tells us on the very first page of the Bible that one of the reasons God made the stars is for SIGNS and seasons. God also tells us a whole about the Last Days, and how long the Tribulation will last. So we have been given a date of the beginning of the Tribulation, and we know it ends short of 7 years later,

It's not a small thing to have Jesus come back again, and for there to be a New Heaven and a New Earth. Why should anyone doubt that God would give us a star sign to point to that event? Who would doubt that the Bible would give us enough information about these times we live in to be able to plan and prepare?

The Bible teaches very specifically that this period we have already entered into will last for 7 years from the date of its inception. And we know that at the end of that time of 7 years that Jesus will come back, and we are told to 'look up, for your redemption draws nigh.'

We will not be surprised by the Second Coming. We were given a clear star sign, once in 7000 years.

Jesus is coming soon. WWII is too. **U.S. will be gone by 3/23/21, if not sooner** because the Bible teaches that the Antichrist will rule the second half of the 7 years, and that Great Babylon will be destroyed

Jesus is coming soon. WWII is too. **U.S. will be gone by 3/23/21, if not sooner** because the Bible teaches that the Antichrist will rule the second half of the 7 years, and that Great Babylon will be destroyed just before that time.

9/23/17, beginning of 7 year Great Tribulation per star sign of Rev. 12

3/23/21 Mid-point of the Tribulation, and by now U.S. is gone, and the Antichrist rules the world

- 9/23/24 End of the Great Tribulation. "Look up, your redemption draws nigh," and Jesus is coming any second (although we won't know the exact day and hour, but it will be sometime SOONER than this date because Jesus taught us that God will SHORTEN the time of the 7 years or there would not be anyone left alive and for the sake of the elect.
