Some people say there is no such thing
That is really a cop out because it is avoiding the real issue
The real issue is War Crimes
“Government is not reason, it is not eloquence,—it is force! Like fire, it is a dangerous servant, and a fearful master; ……”

George Washington
INSTRUCTIONS FOR THE GOVERNMENT OF ARMIES OF THE UNITED STATES IN THE FIELD

Prepared by Francis Lieber, promulgated as General Orders No. 100 by President Lincoln, 24 April 1863.

“The law of nations allows every sovereign government to make war upon another sovereign state, and, therefore, admits of no rules or laws different from those of regular warfare, regarding the treatment of prisoners of war, although they may belong to the army of a government which the captor may consider as a wanton and unjust assailant.” Lieber Code, Article 67
“The law of nations knows of no distinction of color, and if an enemy of the United States should enslave and sell any captured persons of their army, it would be a case for the severest retaliation, if not redressed upon complaint. The United States cannot retaliate by enslavement; therefore death must be the retaliation for this crime against the law of nations.” Lieber Code, Article 58

Lieber Code can be used by any military organization on the planet
Lieber Code = International Law

- The UNITED STATES is under a military dictatorship and has been for decades
- Canada is under a military dictatorship and has been for decades
- All countries under Martial Law are under a military dictatorship
- Martial Law is defined by Statutes
- Martial Law is a subset of International Law
- They want you to think you have constitutional rights when there is no such thing
- All voters get to pick their dictator
- Military script (bank notes) = Martial Law

“A place, district, or country occupied by an enemy stands, in consequence of the occupation, under the Martial Law of the invading or occupying army, whether any proclamation declaring Martial Law, or any public warning to the inhabitants, has been issued or not. **Martial Law is the immediate and direct effect and consequence of occupation or conquest. The presence of a hostile army proclaims its Martial Law.**” Article 1, Lieber Code [emphasis added]
“Martial Law does not cease during the hostile occupation, except by special proclamation, ordered by the commander in chief; or by special mention in the treaty of peace concluding the war, when the occupation of a place or territory continues beyond the conclusion of peace as one of the conditions of the same.” Article 2, Lieber Code [emphasis added]
Lieber Code Article 3

“Martial Law in a hostile country consists in the suspension, by the occupying military authority, of the criminal and civil law, and of the domestic administration and government in the occupied place or territory, and in the substitution of military rule and force for the same, as well as in the dictation of general laws, as far as military necessity requires this suspension, substitution, or dictation.

The commander of the forces may proclaim that the administration of all civil and penal law shall continue either wholly or in part, as in times of peace, unless otherwise ordered by the military authority.” Article 3 Lieber Code [emphasis added]

It is a military dictatorship.

"NOTE: Under the Law-Martial, only the criminal jurisdiction of a Military Court is the recognized law. But as Article Three says, "the civil courts can continue wholly or in part as long as the civil jurisdiction does not violate the Military orders laid down by the Commander in Chief or one of his Commanders." By this means; a military venue, jurisdiction, and authority are imposed upon the occupied populace under disguise of the ordinary civil courts and officers of the occupied district or region, because the so-called civil authorities in an occupied district, or region, only act at the pleasure of a military authority.

It should also be noted here that the several State Legislatures, County Boards of Commissioners, and City Councils, are constantly legislating to please the edicts of the federal government (the occupying force) and that their legislation, in this sense, is not an exercise of State sovereignty, but instead, a compliance with edicts of the military force which occupies the several States and consequently are edicts of Martial Law Rule." Dyett v Turner 439 P2d 266 @ 269, 20 U2d 403 [1968] The Non-Ratification of the Fourteenth Amendment by Judge A.H. Ellett, Utah Supreme Court [emphasis added]
The tyrant, who in order to hold his power, suppresses every superiority, does away with good men, forbids education and light, controls every movement of the citizens and, keeping them under a perpetual servitude, wants them to grow accustomed to baseness and cowardice, has his spies everywhere to listen to what is said in the meetings, and spreads dissension and calumny among the citizens and impoverishes them, is obliged to make war in order to keep his subjects occupied and impose on them permanent need of a chief.

- When the southern states walked out of Congress in 1861 they ceased to have a quorum.
- Under executive authority (Martial Law) Lincoln ordered Congress to re-convene.
- When The Supreme Court ruled against something Lincoln did, he ordered troops to the Supreme court.
- “All process of this Court issues in the name of the President of the United States.” Rule 45. Process; Mandates.
Martial Law

- All Statutes (state or federal) passed prior to 1861 are lawful de jure statutes
- All statutes (state or federal) passed after 1861 are Martial Law Statutes
- “Two national governments exist, one to be maintained under the Constitution, with all its restrictions, the other to be maintained by Congress outside and independently of that instrument” Dissenting opinion of Justice Marshall Harlan. Downes v. Bidwell, 182 U.S. 244 1901.
- In 1871 Congress set up a corporation to operate as the government of the District of Columbia
Bankruptcy = Martial Law

"It is an established fact that the United States Federal Government has been dissolved by the Emergency Banking Act, March 9, 1933, 48 stat. 1, Public Law 89-719; declared by President Roosevelt, being bankrupt and insolvent, H.J.R. 192, 73rd Congress in session June 5, 1933 - Joint Resolution To Suspend The Gold Standard and Abrogate The Gold Clause dissolved the Sovereign Authority of the United States and the official capacities of all United States Governmental Offices, Officers, and Departments and is further evidence that the United States Federal Government exists today in name only."

United States Congressional Record, March 17, 1993 Vol. 33
"Since March 9, 1933; the United States has been in a state of declared National Emergency . . . Under the powers delegated by these statutes, the President may: seize property; organize and control the means of production; seize commodities; assign military forces abroad; institute martial law; seize and control all transportation and communication; regulate the operation of private enterprise; restrict travel; and in a plethora of particular ways, control the lives of all American citizens. . . . A majority of the people of the United States have lived all of their lives under emergency rule. For 40 years, freedoms and governmental procedures guaranteed by the Constitution have in varying degrees been abridged by laws brought into force by states of national emergency . . .“ In Reg: U.S. Senate Report No. 93-549 dated 11/19/73 (73 CIS Serial Set S963-2 - [607 Pages])

“Martial Law extends to property, and to persons, whether they are subjects of the enemy or aliens to that government.” Article 7 Lieber code

- Subjects or Aliens – nobody else
- Does NOT affect sovereignty
- Why would anyone want to be a lowlife scumbag US citizen
- If a military police officer is talking to you, then you are a subject and you are the enemy
"All subjects over which the sovereign power of the state extends are objects of taxation, but those over which it does not extend are exempt from taxation. “...it is evident that they [U.S. citizens] have not the political rights which are vested in citizens of the States. They are not constituents of any community in which is vested any sovereign power of government. Their position partakes more of the character of subjects than of citizens. They are subject to the laws of the United States, but have no voice in its management. If they are allowed to make laws, the validity of these laws is derived from the sanction of a Government in which they are not represented. Mere citizenship they may have, but the political rights of citizens they cannot enjoy...”

“Martial Law affects chiefly the police and collection of public revenue and taxes, whether imposed by the expelled government or by the invader, and refers mainly to the support and efficiency of the army, its safety, and the safety of its operations.” Article 10, Lieber Code
Do you feel like you have no Constitutional rights when it comes to income tax? It's because you DON'T!!

The Constitution does not apply where two parties have a contractual relationship!!
The vast majority of the disputes that the police initiate on behalf of their employer are also adjudicated by their employer, where the plaintiff, the judge, the antagonist (the police) and the only witness (also the police), all represent the same party, and, since no corpus delicti, mens rea or acts reus can be produced, doesn't technically qualify to be heard according to its own "laws". Military jurisdiction is of two kinds: First, that which is conferred and defined by statute; second, that which is derived from the common law of war. Military offenses under the statute law must be tried in the manner therein directed; but military offenses which do not come within the statute must be tried and punished under the common law of war. The character of the courts which exercise these jurisdictions depends upon the local laws of each particular country. In the armies of the United States the first is exercised by courts-martial, while cases which do not come within the "Rules and Articles of War," or the jurisdiction conferred by statute on courts-martial, are tried by military commissions.” Article 13, Lieber Code
Lieber Code Article 13

Military Dictatorship

- Martial Law Supersedes and replaces Common Law
- “...statutes have been passed extending the courts of admiralty and vice-admiralty far beyond their ancient limits for depriving us the accustomed and inestimable privilege of trial by jury, in cases affecting both life and property......to supersede the course of common law and instead thereof to publish and order the use and exercise of the law martial........ and for altering fundamentally the form of government established by charter.

You are the Enemy!

- "Under International Law of Warfare, all parties to a cause must appear by *nom de guerre*, because an "alien enemy cannot maintain an action *during the war* in his own name". Merriam-Webster Dictionary, pg. 1534
- "A mixed war is one which is made on one side by public authority, and the other by mere *private* persons." Black's Law Dictionary 5th Ed., page 1420
“The United States acknowledge and protect, in hostile countries occupied by them, religion and morality; strictly private property; the persons of the inhabitants, especially those of women: and the sacredness of domestic relations. Offenses to the contrary shall be rigorously punished.

This rule does not interfere with the right of the victorious invader to tax the people or their property, to levy forced loans, to billet soldiers, or to appropriate property, especially houses, lands, boats or ships, and churches, for temporary and military uses” Article 37, Lieber Code
"The forced loans of 1862 and 1863, in the form of legal tender notes, were vital forces in the struggle for national supremacy. They formed a part of the public debt of the United States, ...") Julliard v. Greenman, 110 US 432.

Federal Reserve Notes = Military Script

Federal Reserve Notes = Forced Loans – they are forcing the enemy (you) to loan the government money
"All enemies in regular war are divided into two general classes - that is to say, into combatants and noncombatants, or unarmed citizens of the hostile government.

The military commander of the legitimate government, in a war of rebellion, distinguishes between the loyal citizen in the revolted portion of the country and the disloyal citizen. The disloyal citizens may further be classified into those citizens known to sympathize with the rebellion without positively aiding it, and those who, without taking up arms, give positive aid and comfort to the rebellious enemy without being bodily forced thereto." Article 155, Lieber Code
“Governments [any sovereign] descend to the level of a mere private corporation, and take on the characteristics of a mere private citizen...where private corporate commercial paper [Federal Reserve Notes] and securities [checks] is concerned. ... For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government.”

Clearfield Trust Co. v. United States 318 U.S. 363 (1943)

Federal Reserve Notes = Military Script
Martial Law Statutes

- All statutes are Martial Law Statutes
- All statutes apply to subjects ONLY
- The military police often say “you think our laws don’t apply to you”
- The Lieber Code says it all
- “Do they even teach you to read???”
- The last thing they want to talk about is War Crimes
- War Crimes precipitate revolutions

Based at first only upon an express promise, it was afterwards supported upon an implied promise, and even upon a fictitious promise. Introduced as a special manifestation of the action on the case, it soon acquired the dignity of a distinct form of action, which superseded Debt, became concurrent with Account, with Case upon a bailment, a warranty, and bills of exchange, and competed with Equity in the case of the essentially equitable quasi-contracts growing out of the principle of unjust enrichment. ....” James Barr Ames, “The History of Assumpsit,” in 3 Select Essays in Anglo-American Legal History 298 (1909).” Black’s Law Dictionary, 8th Edition, page 379 [emphasis added]
"Both in Roman and English law there are certain obligations which were not in truth contractual, but which the law treats as if they were. They are contractual in law, but not in fact, being the subject-matter of a fictitious extension of the sphere of contract to cover obligations which do not in reality fall within it." Salmond, Salmond on Jurisprudence, p. 642 (9th Edition, 1937, Sweet & Maxwell, Ltd. England). [emphasis added]

Order-Followers: The Servants Of Evil

- These Roman Cult satanists are bending over backwards to make you think you have constitutional rights.

- It is extremely important to them that people do not figure this out because the last time they were doing War crimes, it precipitated a revolution.

- If you challenge jurisdiction, the (so-called) judge is required to compel the prosecutor to prove jurisdiction, or dismiss the case. If they do anything else it is a denial of due process – a war crime.
Military Dictatorship

- “…statutes have been passed extending the courts of admiralty and vice-admiralty far beyond their ancient limits for depriving us the accustomed and inestimable privilege of trial by jury, in cases affecting both life and property…….to supersede the course of common law and instead thereof to publish and order the use and exercise of the law martial…….. and for altering fundamentally the form of government established by charter.

- They are real brave when there are 20 or 30 of them but when it is just you and them they are cowards!
- They sneak around and fabricate evidence that you are the enemy and a subject (their slave) but they will never confront you without lots of their buddies to back them up
- You are the enemy and the sooner you figure that out the better

- Remember – It is Warfare – You have to treat it like it is warfare because that is EXACTLY what it is
- Don’t wait for them to attack you, attack them first
- Make an Affidavit of Corporate Denial
- Serve them with a Notice and Demand that is designed to take away their presumptions – if you do this effectively it will put them in a very difficult position
- If the PIGs stop you – it is warfare – “So we are doing war crimes today?” “Are you coercing information from me?” “Are you taking reprisals against me?”
- Begin building a case against them from the beginning – it is warfare
